

Generic XT-88

# XT88 TWS Wireless Earphone User Manual

Model: XT-88 | Brand: Generic

## INTRODUCTION

The XT88 TWS Wireless Earphones offer a superior audio experience with 13mm drivers, Bluetooth 5.3 connectivity, and a comfortable, lightweight design. Designed for convenience and high-quality sound, these earbuds feature touch controls for easy management of music and calls, and a portable charging case for extended use. They are suitable for various activities including sports and daily commuting.

## WHAT'S IN THE BOX

- XT88 TWS Wireless Earphones (Left and Right)
- Charging Station (Charging Case)
- USB-C Charging Cable
- Multiple Ear Tips (Small, Medium, Large)
- User Manual (This document)

## PRODUCT OVERVIEW

Image: The XT88 TWS Wireless Earphones shown with their charging case. The earbuds are white and feature a sleek design, nestled within the compact, white charging case.

The XT88 earbuds are designed for comfort and stability, weighing only 3.5g each. They come with a compact charging case that not only stores the earbuds but also provides additional charges. The case features a USB-C charging port and an indicator light to show charging status.

## SETUP AND PAIRING

---

### 1. Initial Charging

Before first use, fully charge the XT88 earbuds and their charging case. Connect the provided USB-C charging cable to the charging port on the case and a power source. The indicator light on the case will show charging status. A full charge provides approximately 4 hours of music time for each earbud and an additional 20+ hours from the charging case.

### 2. Power On and Pairing

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your Bluetooth-enabled device (smartphone, tablet, etc.), go to the Bluetooth settings.
3. Search for "XT88" in the list of available devices and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

Thanks to Bluetooth 5.3 technology, the connection is stable, offers fast transmission speeds, and has low power consumption, providing up to 90 feet of range.

## OPERATING INSTRUCTIONS

---

### Wearing the Earbuds

Identify the left (L) and right (R) earbuds. Gently insert each earbud into the corresponding ear canal, rotating slightly to ensure a secure and comfortable fit. The ergonomic design ensures stability for various activities.

### Touch Controls

The XT88 earbuds feature intuitive touch controls on each earbud, eliminating pressure on your ears from physical buttons.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant (iOS only):** Triple tap on either earbud.

### Microphone Functionality

Both earbuds have a built-in microphone, providing clear stereo sound during calls. This allows for hands-free communication, making them convenient for daily use.

## MAINTENANCE

---

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Do not use harsh chemicals or

abrasive materials.

- **Ear Tips:** Ensure ear tips are securely attached. If they come off, gently push them back onto the earbud nozzle.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance:** The earbuds are water resistant. Avoid submerging them in water or exposing them to excessive moisture.

TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close the lid, then open it again to re-initiate pairing mode. Check your device's Bluetooth settings to ensure "XT88" is selected.
- **No sound from one earbud:** Ensure both earbuds are charged and properly paired. Try resetting the earbuds by placing them in the case and then taking them out again.
- **Charging issues:** Verify the USB-C cable is securely connected to both the case and the power source. Check if the charging indicator light is active.
- **Poor sound quality:** Ensure the ear tips are correctly sized and provide a good seal in your ear canal. Clean any debris from the earbud speakers.
