OPERATING INSTRUCTIONS

Feeding Your Doll

The Baby Born Surprise doll comes with a functional feeding bottle. You can fill the bottle with water and feed your doll. This action may trigger the color-change diaper feature if it hasn't been activated yet, or simply add to the imaginative play.

Posing Your Doll

These dolls feature articulated shoulders, hips, and neck, allowing for various poses. You can pose them sitting, standing (with support), or in other playful positions to enhance storytelling and display.

Dolls are 4" tall!

MAINTENANCE

- **Cleaning:** To clean the doll, wipe it gently with a damp cloth. Do not submerge the entire doll in water for extended periods, especially if it has electronic components (though this doll does not appear to).
- **Diaper Care:** The color-change diaper feature is activated by cold water. Ensure the diaper is dry before storing to prevent mildew.
- **Dress Care:** The doll's dress can be spot cleaned with a mild detergent and air-dried.
- **Storage:** Store the doll and its accessories in a clean, dry place away from direct sunlight to prevent fading or damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Eye color not appearing clearly.	Not enough water or water not cold enough.	Ensure the cloth is sufficiently damp and cold. Re-wipe the eyes.
Diaper color change not working.	Water is not cold enough or diaper is already wet.	Use colder water. Ensure the diaper is dry before attempting the color change again.

Problem	Possible Cause	Solution
Doll's limbs are stiff.	Normal for new dolls or due to temperature.	Gently manipulate the joints to loosen them. Avoid excessive force.
