COMFIER CF-9212

COMFIER Full Body Massage Chair User Manual

Model: CF-9212 | Brand: COMFIER

PRODUCT OVERVIEW

The COMFIER Full Body Massage Chair is designed to provide a comprehensive and relaxing massage experience in the comfort of your home. Featuring Zero Gravity recline, Shiatsu deep kneading, air compression, heat therapy, and Bluetooth connectivity, this chair offers a personalized and therapeutic session for various body areas.

SAFETY INFORMATION

Important Note: Due to the large size of the massage chair and high logistics costs, customers need to carefully consider it before placing an order. If the customer needs to return the product for a refund, they will be responsible for the return shipping cost. Always ensure the chair is placed on a stable, level surface. Keep children and pets away from the chair during operation. Do not use the chair if you have any medical conditions that may be exacerbated by massage, or if you are pregnant, without consulting a physician.

SETUP AND ASSEMBLY

The COMFIER massage chair requires minimal assembly. It is recommended to have at least two people for safe handling and setup due to its weight. Ensure sufficient space for the chair, especially for its recline function.

- **Unpacking:** Carefully remove all packaging materials. Retain packaging for future transport or returns.
- **Placement:** Position the chair on a hard, level floor. Ensure there is adequate clearance behind and in front of the chair for full recline.
- **Component Connection:** Connect the footrest to the main chair body. Ensure all cables are securely connected.

according to the included quick start guide.

- **Power Connection:** Plug the power cord into a grounded electrical outlet.

Figure 2: The chair's packaging requires a minimum door entrance size of 30 inches for delivery and placement.

OPERATING INSTRUCTIONS

Familiarize yourself with the remote control to access the various massage functions and settings.

Zero Gravity Recline

The Zero Gravity feature elevates your legs above your heart, distributing your body weight evenly and reducing pressure on your spine. This position enhances the massage experience and promotes deeper relaxation.

Space-Capsule Zero Gravity

Figure 3: Zero Gravity recline positions, ranging from initial to deep recline for optimal comfort and pressure relief.

Shiatsu Deep Kneading Massage

The chair utilizes 8 Shiatsu rollers and 14 massage balls to simulate the hands of a professional masseuse, providing deep tissue kneading massage. This targets key areas such as the neck, shoulders, back, and waist.

Simulate Masseuse Hands

Full Body Air Compression Massage

Airbags strategically placed throughout the chair provide compression massage to various body parts, including shoulders, arms, thighs, calves, and feet. There are 3 intensity levels to choose from.

Full Body Air Compression Massage

3 Intensity

Shoulder Massage

Arm Massage

Thighs Massage

Calf Massage

Foot Massage

Figure 5: Air compression zones and adjustable intensity levels for a customizable full-body massage.

Heat Therapy

The chair includes a heating function to further relax muscles and enhance the massage effect, particularly in the lumbar area.

Bluetooth Speaker Connectivity

Connect your smartphone or other Bluetooth-enabled device to the chair's integrated speakers to enjoy your favorite music or audio during your massage session.

Connect Your Phone For Music

Listen to your favorite playlists while enjoying your massage

Freely retractable to 6.3 inches, suitable for users of different heights

Figure 6: Enjoying music through the chair's Bluetooth speakers for an enhanced relaxation experience.

Adjustable Footrest

The footrest is freely retractable up to 6.3 inches, accommodating users of different heights for comfortable foot and calf massage.

MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your COMFIER massage chair, follow these care instructions:

- **Cleaning:** Wipe clean the surface of the chair with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
- **Storage:** When not in use for extended periods, store the chair in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically check all connections and moving parts for any signs of wear or damage.

TROUBLESHOOTING

If you encounter any issues with your massage chair, please refer to the following common troubleshooting steps:

- **Chair Not Powering On:** Ensure the power cord is securely plugged into both the chair and a working electrical outlet. Check the power switch on the chair.
- **Massage Functions Not Working:** Verify that the remote control is properly connected and that the chair is powered on. Try restarting the chair by unplugging it for 30 seconds and plugging it back in.
- **Unusual Noises:** If you hear unusual noises, immediately turn off the chair and unplug it. Contact customer support for assistance.
- **Bluetooth Connectivity Issues:** Ensure your device's Bluetooth is enabled and within range. Try unpairing and re-pairing the device.

For persistent issues, please contact COMFIER customer support.
