SPA SCIENCES SMARTGUN Pro

SmartGun Pro Therapeutic Deep Tissue Percussion Massager

Model: SMARTGUN Pro | Brand: SPA SCIENCES

INTRODUCTION

The SPA SCIENCES SmartGun Pro is a high-performance therapeutic deep tissue percussion massager designed to relieve muscle soreness and promote recovery. Equipped with Smart Comfort Pulse Technology, it provides a powerful massage experience for various muscle groups, aiding in recovery from sports activities, everyday injuries, and general aches and pains.

WHAT'S INCLUDED

The SmartGun Pro package includes:

- 1 x Advanced Percussion Gun (with Digital Display)
- 1 x U-Shaped Treatment Head
- 1 x Spherical Treatment Head
- 1 x Bullet-Shaped Treatment Head
- 1 x Flat Treatment Head
- 1 x USB Charging Cable
- 1 x Quick Start Guide

FEATURES

- **Smart Comfort Pulse Technology:** Exclusive patent-pending technology that adds a boost of massage power when pressed against muscles for deeper, stronger percussion.
- **8 Intensity Levels:** Customize your massage experience with 8 adjustable speed settings, reaching up to 3500 PPM (Percussions Per Minute).
- **Four Interchangeable Heads:** Designed to target all parts of the body with maximum efficiency.
- **Deep Tissue Reach:** Can reach tissues as deep as 17mm to help relieve stiffness.
- **Digital Display:** Provides visual interpretation of setting adjustments, battery life, and Smart Comfort Pulse activation.
- **USB Rechargeable:** Long-lasting lithium battery offers up to 2.5 hours of run time on a single charge.
- **Lightweight & Ergonomic Design:** Features a substantial handle and streamline design for easy holding and portability.
- **Ultra Quiet Operation:** Designed for use anywhere, anytime without excessive noise.

Internal components and key features of the SmartGun Pro.

SETUP

1. **Initial Charge:** Before first use, fully charge the SmartGun Pro using the provided USB charging cable. Connect the cable to the device and a compatible USB power source. The digital display will indicate charging status.
2. **Attach Treatment Head:** Select one of the four interchangeable heads based on your desired massage area and pressure. Align the head with the opening on the device and firmly push it into place until it clicks securely.

Attaching a treatment head to the SmartGun Pro.

OPERATING INSTRUCTIONS

1. **Power On/Off:** Press and hold the power button on the digital display to turn the device on or off.
2. **Select Intensity Level:** Use the '+' and '-' buttons on the digital display to adjust the massage intensity. There are 8 levels available.
3. **Begin Massage:** Gently press the selected treatment head against the desired body part to start the massage. The Smart Comfort Pulse Technology will automatically adjust the percussion intensity based on the pressure applied.
4. **Monitor Display:** The digital display shows the current intensity level and battery life.
5. **Duration:** Use for a few minutes per muscle group. Avoid prolonged use on a single area.

Digital display and control buttons for the SmartGun Pro.

INTERCHANGEABLE HEADS

The SmartGun Pro comes with four specialized treatment heads:

- **Spherical Head:** A versatile massage therapy head for general use across the whole body.
- **Bullet Head:** Designed to precisely massage smaller muscle groups and joints.
- **U-Shaped Head:** Ideal for relieving pain in the neck, heels, traps, or Achilles.
- **Flat Head:** Best for targeting larger muscles of your legs, arms, and back.

FULL BODY RECOVERY

The SmartGun Pro is suitable for use on various muscle groups throughout the body to aid in recovery and relaxation. Common areas include:

- Neck
- Shoulders
- Biceps
- Triceps
- Back
- Forearms
- Hamstrings
- Quads
- Feet

Recommended areas for full body recovery using the SmartGun Pro.

MAINTENANCE

- **Cleaning:** Wipe the device and massage heads with a damp cloth after each use. Do not submerge the device in water.
- **Storage:** Store the SmartGun Pro in its carrying case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in constant use.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Low battery or not charged.	Ensure the device is fully charged. Press and hold the power button for a few seconds.
Weak percussion.	Low intensity setting or low battery.	Increase the intensity level using the '+' button. Recharge the device if battery is low.
Massage head is loose.	Head not properly attached.	Remove and re-attach the massage head, ensuring it clicks securely into place.
