## OPERATING (HOW TO PLAY)

The Pokémon Card Game is a strategic two-player game. The primary objective is to defeat your opponent's

Pokémon by reducing their Hit Points (HP) to zero, or by taking all of your Prize cards.

### Basic Gameplay Steps:

- **Shuffle and Draw:** Each player shuffles their 60-card deck and draws 7 cards as their starting hand.
- **Set Up Active and Bench Pokémon:** Players choose one Basic Pokémon from their hand to be their Active Pokémon and up to five Basic Pokémon to be on their Bench.
- **Prize Cards:** Each player takes the top 6 cards of their deck and places them face down as Prize cards.
- **Coin Flip:** A coin flip determines which player goes first.
- **Turns:** During a turn, a player can perform several actions, including drawing a card, playing Basic Pokémon, evolving Pokémon, attaching Energy cards, playing Trainer cards, and using their Active Pokémon's attacks.
- **Attacking:** To attack, a Pokémon must have the required Energy cards attached. Attacks deal damage to the opponent's Active Pokémon.
- **Winning:** A player wins by taking all of their Prize cards, by knocking out all of their opponent's Active and Benched Pokémon, or if their opponent cannot draw a card at the beginning of their turn.

For detailed rules, card effects, and advanced strategies, please refer to the included Play Instruction Manual and Play Guide. You can also find official rules and tutorials on the [official Pokémon TCG website](#).

### MAINTENANCE

Proper care will ensure the longevity of your Pokémon Card Game set components:

- **Card Storage:** Store cards in a cool, dry place away from direct sunlight. Consider using card sleeves and deck boxes to protect them from wear and tear, bending, and moisture.
- **Cleaning:** Keep cards and play accessories clean. Gently wipe cards with a soft, dry cloth if necessary. Avoid using liquids or abrasive materials.
- **Play Mat Care:** Keep the play mat flat when not in use to prevent creases. Roll it loosely for storage if needed.
- **Handling:** Handle cards by their edges to avoid creasing or damaging the card surface.
