Hogokids FC3512

HOGOKIDS Tree House Building Toy with LED Light

Model: FC3512

Brand: Hogokids

1. Introduction

This instruction manual provides essential information for the assembly, operation, and maintenance of your HOGOKIDS Tree House Building Toy with LED Light. This set allows for the construction of a detailed three-floor tree house featuring a slide, zipline, swing, and various animal figures, enhanced with an integrated LED lighting system. Please read this manual thoroughly before beginning assembly to ensure correct usage and to maximize your building experience.

Image 1.1: Fully assembled HOGOKIDS Tree House Building Toy, showcasing its multi-level structure, slide, swing, and animal figures.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play for all ages.
- Keep all packaging materials away from children to prevent suffocation.
- Do not ingest any parts of the toy.
- Ensure all connections are secure to prevent parts from detaching during play.
- Batteries for the LED light should be handled by an adult. Do not mix old and new batteries, or different types of batteries. Insert batteries with correct polarity.

3. Package Contents

Verify that all components are present before beginning assembly. The package should contain:

- 751 Building Block Pieces (various shapes and colors)
- LED Light Module (with included batteries)
- Assorted Animal Figures (e.g., monkey, dog, rabbit, bird)
- Instruction Manual (this document)

Image 3.2: An overview of the building blocks, animal figures, and the product box with its dimensions.

4. Assembly Instructions

The HOGOKIDS Tree House Building Toy is designed for intuitive assembly. Follow the step-by-step pictorial instructions provided in the separate assembly guide included in your package. This section provides general guidance.

1. **Preparation:** Unpack all components and organize them by color or type to facilitate easier identification during assembly.
2. **Follow the Guide:** Refer to the dedicated assembly instruction booklet for detailed, step-by-step visual guides. Each step will illustrate which pieces to use and how to connect them.
3. **Secure Connections:** Ensure each building block is firmly pressed into place to create a stable structure.
4. **LED Light Integration:** The LED light module will be integrated at a specific step as indicated in the assembly guide. Ensure proper battery insertion and connection.
5. **Animal Placement:** Place the animal figures and accessories as desired or as suggested in the guide to complete the scene.

Image 4.1: Examples of detailed accessory pieces, including a swing, rabbit, monkey, and dog figures, which are integrated during assembly.

5. Operating the LED Light

The tree house features an integrated LED lighting system to enhance the play experience. The light module comes with batteries included.

- **Activation:** Locate the small switch on the LED light module, typically found at the base or a discreet location within the tree house structure.
- **Turning On/Off:** Toggle the switch to turn the LED lights on or off.
- **Battery Replacement:** If the lights dim or stop working, replace the batteries in the LED module. Refer to the assembly guide for specific instructions on accessing the battery compartment. Ensure correct polarity when inserting new batteries.

Image 5.1: Visual comparison of the tree house during daytime (lights off) and nighttime (lights on), illustrating the effect of the LED lighting.

Image 5.2: The tree house illuminated by its LED lights, creating a warm atmosphere in a forest setting.

6. Care and Maintenance

- **Cleaning:** Wipe the building blocks and figures with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a cool, dry place away from direct sunlight to prevent material degradation and color fading.
- **Disassembly:** If disassembling the set for storage, do so carefully to avoid damaging the connection points of the blocks.
- **Battery Care:** Remove batteries from the LED module if the toy will not be used for an extended period to prevent leakage.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing upon opening the package, please contact customer support with details of the missing parts.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly and apply firm, even pressure. Avoid forcing blocks together, which can cause damage.
- **LED Light Not Working:**
  - Check if the switch is in the 'ON' position.
  - Verify that batteries are inserted with the correct polarity.
  - Replace batteries with new ones if they are depleted.

8. Specifications

Feature	Detail
Model Number	FC3512
Number of Pieces	751
Material	Acrylonitrile Butadiene Styrene (ABS)
Recommended Age	6 years and up
Product Dimensions (L x W x H)	20 x 15 x 5 cm
Item Weight	770 g
Batteries Required	Yes
Batteries Included	Yes
Educational Objectives	Hand-Eye Coordination, Imagination Development

9. Warranty and Support

For information regarding product warranty or to obtain support for your HOGOKIDS Tree House Building Toy, please refer to the contact information provided on the product packaging or visit the official Hogokids website.
