Nicky Bigs Novelties B0BNLLSNJL

Nicky Bigs Novelties Novelty Construction Helmet User Manual

Model: B0BNLLSNJL

INTRODUCTION

This manual provides instructions for the proper use and care of your Nicky Bigs Novelties Novelty Construction Helmet. This product is designed as a costume accessory for themed events, role-playing, and entertainment purposes. It is important to understand that this helmet is a novelty item and **does not provide protective safety features** for construction work or any hazardous activities.

PRODUCT OVERVIEW

The Nicky Bigs Novelties Novelty Construction Helmet is a lightweight, plastic helmet featuring an "ENGINEER" badge on the front. It is designed for comfortable wear during costume events and offers an adjustable fit.

Key Features:

- **Adjustable Fit:** Equipped with an internal suspension band to accommodate various head sizes, up to 23 inches (50-59cm).
- **Novelty Design:** Features an "ENGINEER" badge for thematic accuracy in costumes.
- **Lightweight Construction:** Made from 100% plastic for comfortable, extended wear.

Top-down view of the orange novelty construction helmet, highlighting its dome structure.

Interior view of the helmet, revealing the white adjustable suspension band for fitting.

SETUP AND ADJUSTMENT

The novelty helmet features an adjustable internal suspension system to ensure a comfortable fit for various head sizes. Follow these steps to adjust your helmet:

1. **Measure Your Head:** Use a flexible tape measure or string to measure the circumference of your head where the helmet will sit. Refer to the "Find your Hat Measurement" image for guidance.
2. **Adjust the Suspension Band:** Locate the adjustable points on the internal suspension band. Gently pull or push the tabs to expand or contract the band until it comfortably fits your head. The helmet is designed to fit heads up to 23 inches (50-59cm).
3. **Test the Fit:** Once adjusted, place the helmet on your head. It should feel snug but not uncomfortably tight, and it should remain stable when you move your head.

Find your Hat Measurement

To find your hat measurement simply place a tape measure or string around your head positioned where you'd like your Hat to sit. You can reference your size in centimeters or inches.

It is recommended to select the next size up if you are in between sizes.

OPERATING INSTRUCTIONS

This novelty helmet is intended for use as a costume accessory. It is suitable for:

- Costume parties and themed events
- Role-playing scenarios
- Photo booths and theatrical productions
- Educational activities where safety awareness is encouraged in a non-risky way

Important: This is a novelty item and is not certified personal protective equipment (PPE). It should not be used in environments requiring actual head protection.

CARE AND MAINTENANCE

To keep your novelty helmet in good condition, follow these care instructions:

- **Cleaning:** Hand wash only. Use a soft cloth with mild soap and water to clean the surface. Avoid abrasive cleaners or harsh chemicals.
- **Drying:** Air dry thoroughly after cleaning. Do not expose to direct heat sources.
- **Storage:** Store in a cool, dry place away from direct sunlight to prevent material degradation.

TROUBLESHOOTING

If you encounter issues with the fit or comfort of your helmet, consider the following:

- **Helmet feels too loose or too tight:** Re-adjust the internal suspension band. Ensure the band is evenly adjusted around your head.
- **Internal plastic pieces cause discomfort:** While the suspension system is designed for comfort, individual head shapes may vary. Try slightly repositioning the helmet or re-adjusting the band. If discomfort persists, ensure the helmet is not being worn for extended periods.
- **Helmet does not stay on:** Ensure the suspension band is adjusted to the smallest comfortable setting for your head size. If your head circumference is smaller than the minimum adjustable size, the helmet may not fit securely.

SPECIFICATIONS

Brand

Nicky Bigs Novelties

Model Number	B0BNLLSNJL
Material	100% Plastic
Adjustable Head Size	Up to 23 inches (50-59cm)
Care Instructions	Hand Wash
