

IRIS USA 510025

IRIS USA 3-Shelf Light Duty Plastic Storage Shelves User Manual

Model: 510025 | Brand: IRIS USA

1. INTRODUCTION

Thank you for choosing the IRIS USA 3-Shelf Light Duty Plastic Storage Shelves. This modular shelving unit is designed to provide a space-saving and convenient way to organize your belongings. Made with recycled materials, this shelf is built for durability and ease of use in various environments such as bathrooms, laundry rooms, garages, and homes. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

2. INCLUDED COMPONENTS

Your IRIS USA 3-Shelf Light Duty Plastic Storage Shelves package includes the following:

- 3 x Shelf Panels
- 8 x Support Legs (Integrated design for tool-free assembly)

Note: Legs are packed underneath the shelves for shipping. Please check before discarding packaging.

3. SETUP AND ASSEMBLY

The IRIS USA 3-Shelf Light Duty Plastic Storage Shelves are designed for quick and easy tool-free assembly. Follow these steps:

1. **Unpack Components:** Carefully remove all shelf panels and support legs from the packaging. Ensure all parts are present.
2. **Attach First Set of Legs:** Take one shelf panel and insert four support legs into the designated holes on the underside of the panel. Push firmly until you hear a click, ensuring they are securely seated.
3. **Add Second Shelf:** Place the second shelf panel onto the top of the installed legs. Align the holes on the underside of the second shelf with the top of the legs and press down until it clicks into place.
4. **Repeat for Third Shelf:** Insert the remaining four support legs into the top of the second shelf. Then, place the third (top) shelf panel onto these legs, pressing firmly to secure.
5. **Verify Stability:** Once all shelves are assembled, gently push down on each corner of the top shelf to ensure all connections are secure and the unit is stable.

TOOL-FREE ASSEMBLY

Place Legs into Shelf

4. OPERATING AND USAGE

This light-duty storage unit is versatile and suitable for various organizational needs:

- **Capacity:** Each shelf supports up to 50 lbs (22.7 kg). The entire unit has a total capacity of 150 lbs (68 kg) when weight is evenly distributed.
- **Recommended Uses:** Ideal for organizing items in bathrooms, laundry rooms, garages, pantries, basements, closets, entryways, sheds, patios, utility rooms, and home offices.
- **Placement:** The unit can be used freestanding. For maximum stability and to support the full weight capacity, wall mounting is recommended (hardware not included).
- **Ventilated Design:** The shelves feature a ventilated design to help prevent mold and mildew, making them suitable for damp environments.

GREAT FOR ORGANIZING:

Pantries
and Closets

Garages
and Sheds

Laundry Rooms
and Offices

VENTILATED SHELVES

The ventilated shelves prevent mold and mildew.

Figure 4.2: Ventilated shelves promote airflow, helping to prevent mold and mildew.

5. MAINTENANCE AND CARE

To keep your storage shelves in optimal condition:

- **Cleaning:** Wipe the shelves with a damp cloth for general cleaning. For thorough cleaning, use a mild soap solution and then wipe with a dry cloth.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the plastic to warp or discolor over time.
- **Regular Inspection:** Periodically check all connections to ensure they remain secure, especially if the unit is frequently moved or heavily loaded.

6. SAFETY WARNINGS

- **Maximum Load:** Do not exceed 50 lbs (22.7 kg) per shelf or 150 lbs (68 kg) total weight for the entire unit. Ensure weight is evenly distributed.
- **Wall Mounting:** For enhanced stability and to support maximum capacity, wall mounting is recommended.

Hardware for wall mounting is not included.

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the shelf to warp or discolor.
- **Children and Pets:** Keep children and pets away from the unit during assembly. Do not allow children to climb on the shelves.

7. TROUBLESHOOTING

- **Unit is Unstable:** Ensure all support legs are fully inserted and clicked into place. Verify that the unit is placed on a flat, level surface. Consider wall mounting for added stability.
- **Difficulty Assembling:** Check that the legs are oriented correctly before inserting. Apply firm, even pressure until a click is heard. Refer to the assembly video if needed.
- **Shelf Bowing:** Ensure that the weight on each shelf does not exceed 50 lbs and is evenly distributed. Place heavier items closer to the support legs.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Model Name	510025
