USAGE INSTRUCTIONS

To effectively utilize your PGYTECH Mini Travel Tech Organizer, follow these guidelines:

1. Opening the Organizer:

- For quick access, partially unzip and open the organizer to 90 degrees (Half-Open Mode).
- For full access and maximum space, fully unzip and lay the organizer flat to 180 degrees (Full-Open Mode).

- Organizing Cables and Cords:** Use the elastic bands on the interior panels to secure charging cables, USB cords, and headphones. Wrap cables neatly before placing them into the bands to prevent tangling.
- Storing Memory Cards:** Insert SD, TF, and ID cards into their designated slots within the protective card storage area.
- Placing Larger Items:** Utilize the independent pockets for bulkier items such as power banks, portable hard drives, or small cameras.

- 5. **Securing Small Accessories:** Place smaller, loose items like batteries, USB drives, or AirPods into the zipped mesh pockets to prevent them from falling out.
- 6. **Using the Pen Loop:** Securely slide a pen or stylus into the elastic pen loop for easy retrieval.
- 7. **Utilizing the Hidden Pocket:** For extra security, place an AirTag or other small valuables in the hidden pocket located within one of the zipped compartments.

CARE & MAINTENANCE

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** If the organizer gets wet, allow it to air dry completely before zipping it closed or storing items inside.
- **Zipper Care:** Ensure the zipper is free from debris. Periodically apply a small amount of zipper lubricant if it becomes stiff.
- **Storage:** Store the organizer in a cool, dry place away from direct sunlight when not in use.
