## PGYTECH QP-CB-090-095

# PGYTECH Tech Pouch Electronic Organizer Bag - Black

Model: QP-CB-090-095 | Brand: PGYTECH

## INTRODUCTION

The PGYTECH Tech Pouch is designed to keep your electronic accessories organized and protected, whether you are traveling or managing your daily essentials. This versatile organizer provides dedicated compartments for various items, ensuring everything is neatly stored and easily accessible.

## KEY FEATURES

- Efficient Organization:** Designed to store electronic accessories such as power banks, SD cards, data cables, USB drives, card readers, mice, chargers, wireless earphones, and camera batteries.
- Creative Access Methods:** Features a half-open mode for quick, one-handed access and a fully-open mode for a clear overview and convenient storage.
- High-Quality Materials:** Constructed from splash-resistant, shock-resistant, dirt-resistant, and wear-resistant materials. Equipped with premium YKK zippers for smooth performance and durability.
- Hidden AirTag Pouch:** Includes a discreet AirTag pouch for added peace of mind, allowing you to track your essentials.
- Easy Portability:** Features a comfortable handle for easy carrying. Attachment points allow it to be used as a shoulder bag with a strap (sold separately).

## INTERNAL ORGANIZATION

The Tech Pouch features a thoughtful internal layout to maximize storage and accessibility. Its clamshell design allows for full opening, revealing all compartments at once.

Tech Organizer

*Image: The Tech Pouch fully opened, displaying its organized interior with elastic bands holding cables, chargers, and other small devices.*

- **Elastic Bands:** Multiple elastic bands on both sides securely hold cables, earphones, batteries, and other small items in place.
- **Card Pocket:** A dedicated pocket designed to store various memory cards (CF\*2, SD\*6, TF\*6) and ID cards (ID\*3).
- **Zipped Pockets:** Internal zippered pockets provide secure storage for smaller, easily misplaced items.
- **Independent Pockets:** Larger independent pockets are suitable for bulkier items like power banks or external hard drives.
- **Elastic Pen Loop:** A convenient loop to keep your pen or stylus secure and easily accessible.

## DURABILITY AND PROTECTION

The PGYTECH Tech Pouch is built with robust materials to protect your valuable electronics from external elements and impacts.

- **Water-Repellent Surface:** The exterior material is designed to repel splashes, offering enhanced protection against light rain or accidental spills.
- **Shock and Wear Resistance:** The construction provides a degree of shock absorption and is resistant to daily wear and tear, ensuring longevity.
- **YKK Zippers:** Equipped with high-quality YKK zippers, known for their durability and smooth operation, ensuring secure closure.

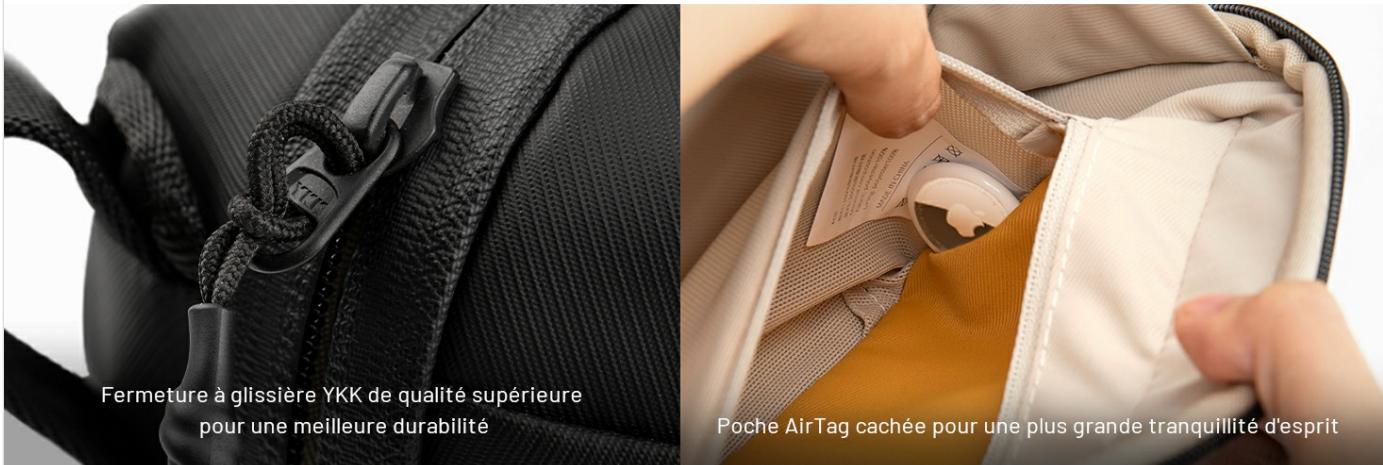

## La surface Hydrofuge Offre une Protection Accrue

Conçue pour les environnements en constante évolution, cette pochette technique utilise des matériaux résistants aux intempéries et une conception durable

## CARE AND MAINTENANCE

To ensure the longevity and optimal condition of your PGYTECH Tech Pouch, follow these care instructions:

- **Cleaning:** For minor dirt or stains, gently wipe the surface with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the pouch to air dry completely in a well-ventilated area. Do not tumble dry or expose to direct heat.
- **Storage:** Store the pouch in a cool, dry place away from direct sunlight when not in use.

- **Zipper Care:** If zippers become stiff, apply a small amount of zipper lubricant or wax to ensure smooth operation.
