1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use of this product. Failure to follow these instructions may result in injury or damage.

- Keep all small parts and packaging materials away from children and pets.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the shelves or drawers. Refer to the specifications for weight capacity.
- Use the provided anti-toppling fittings to secure the bookshelf to a wall. This is crucial to prevent accidental tipping, especially in households with children or pets.
- Do not climb on or stand on the bookshelf.
- If any parts are missing or damaged, do not attempt to assemble or use the product. Contact customer support for assistance.

Three Wooden Drawers

Anti-toppling Fittings

Sturdy Metal Frame

Durable Metal Handles

2. PARTS LIST

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact HITHOS customer service.

Note: The exact number and type of fasteners may vary slightly. Refer to the included instruction manual for a precise list.

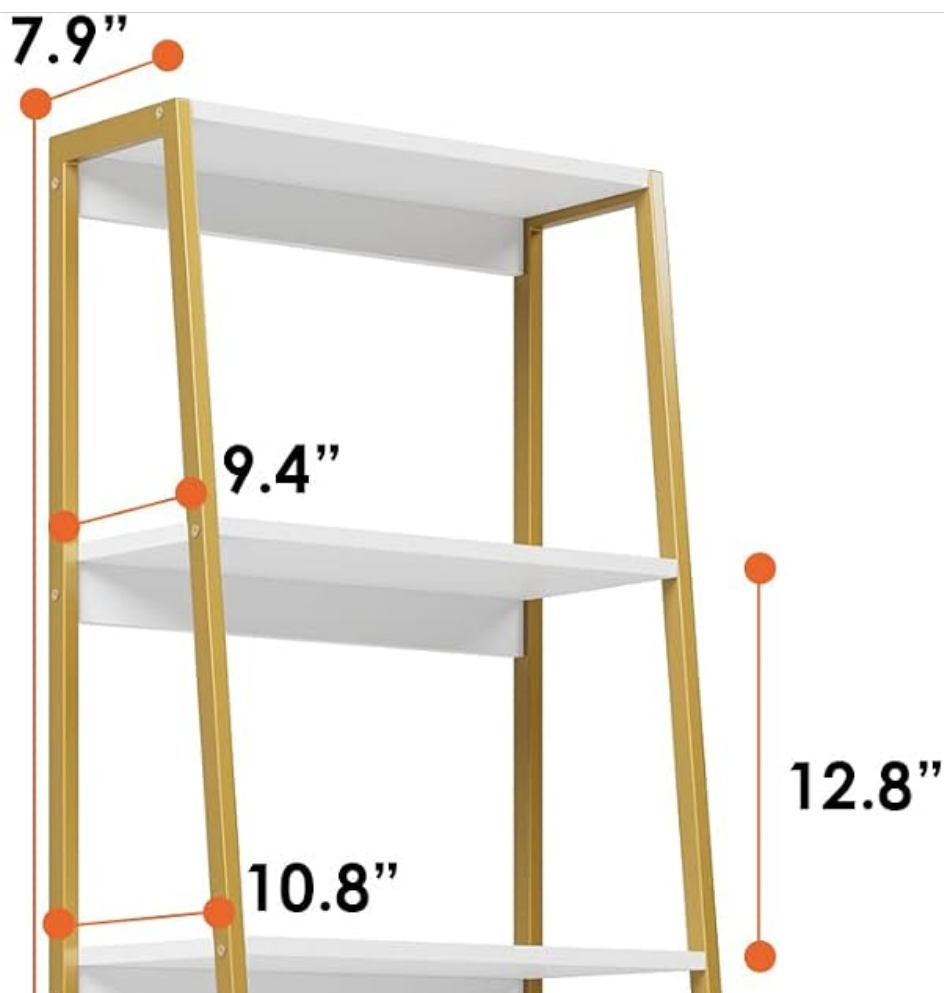

- Metal Frame Components (Left and Right)
- Shelf Boards (4 pieces)
- Drawer Panels (Front, Back, Sides, Bottom)
- Drawer Handles (3 pieces)

- Drawer Slides (6 pieces)
- Back Panel for Drawer Unit
- Adjustable Leg Pads
- Anti-toppling Fittings (Strap, Screws, Wall Anchors)
- Assembly Hardware (Screws, Bolts, Allen Wrench, etc.)

3. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people for efficiency and safety. Follow the step-by-step instructions provided in the packaging. An electric screwdriver can assist with some steps, but ensure not to overtighten screws.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface. Compare each part to the parts list in your included manual to ensure everything is present.
2. **Assemble the Metal Frame:** Connect the metal frame components using the provided screws and an Allen wrench. Ensure the frame is stable and aligned correctly.
3. **Attach Shelf Boards:** Secure the four shelf boards to the metal frame. Start from the bottom shelf and work your way up. Ensure each shelf is level and firmly attached.
4. **Assemble Drawers:** For each of the three drawers, assemble the front, back, side, and bottom panels. Attach the drawer slides to the sides of the drawers and the corresponding locations within the drawer unit frame. Install the metal handles onto the drawer fronts. Ensure all screws are flush to prevent issues with drawer operation.
5. **Integrate Drawer Unit:** Slide the assembled drawers into the main unit.
6. **Install Back Panel:** Attach the back panel to the drawer unit section of the bookshelf.
7. **Install Anti-toppling Fittings:** Locate a suitable wall stud or use appropriate wall anchors. Secure the anti-toppling strap to the top rear of the bookshelf and then to the wall. This step is critical for stability and safety.
8. **Adjust Leg Pads:** Adjust the leg pads at the bottom of the bookshelf to ensure it stands stable and level on uneven floors.

4. USAGE

The HITHOS 4-Tier Bookshelf is designed for versatile storage and display in various rooms.

- **Open Shelves:** Utilize the four open shelves for displaying books, decorative items, plants, photos, or other frequently accessed items. Distribute weight evenly across the shelves.
- **Wooden Drawers:** The three pull-out wooden drawers provide enclosed storage for items you wish to keep out of sight, such as office supplies, personal belongings, or small accessories.
- **Placement:** This unit is suitable for living rooms, study rooms, home offices, entryways, and bedrooms. Ensure the bookshelf is placed on a flat, stable surface.

5. MAINTENANCE

Proper care will extend the life and appearance of your HITHOS bookshelf.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Dusting:** Regularly dust the shelves and frame to prevent buildup.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Drawer Care:** Keep the drawer slides clean and free of debris to ensure smooth operation.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood and metal finishes.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bookshelf wobbles or is unstable.	Uneven floor; loose connections; anti-toppling fittings not installed or loose.	Adjust the leg pads at the bottom until the unit is stable. Check and tighten all screws and bolts. Ensure the anti-toppling fittings are securely anchored to the wall.
Drawers do not slide smoothly.	Drawer slides are misaligned; debris in slides; screws on slides are not flush.	Remove the drawer and inspect the slides for any obstructions or misalignment. Ensure all screws attaching the slides are fully tightened and flush with the surface. Re-align if necessary.
Missing parts or damaged components.	Packaging error or shipping damage.	Do not proceed with assembly. Contact HITHOS customer support immediately for replacement parts.

7. PRODUCT SPECIFICATIONS

Feature	Detail
