Carlyle CL934

Carlyle CoQ10 400mg Softgels Instruction Manual

Model: CL934

PRODUCT OVERVIEW

The Carlyle CoQ10 400mg Softgels are a dietary supplement designed to provide a highly absorbable form of Coenzyme Q10. This product features Mega Q-Sorb CoQ10 and includes Black Pepper Extract for enhanced absorption. It is formulated to be non-GMO and free from gluten, wheat, yeast, milk, lactose, soy, artificial flavor, and preservatives.

SETUP AND COMPONENTS

This product is supplied as quick-release softgels. Each bottle contains 200 softgels, providing a substantial supply for daily use.

Ingredients

The primary active ingredients are Mega Q-Sorb™ CoQ10 and Black Pepper Extract (*Piper nigrum*) fruit, standardized to contain 95% Piperine. Other ingredients include Rice Bran Oil, Gelatin, Vegetable Glycerin, Sunflower Lecithin, Calcium Carbonate, and Yellow Iron Oxide Color.

DIRECTIONS: For adults, take two (2) quick release softgels daily, preferably with a meal.

OPERATING INSTRUCTIONS (USAGE)

For optimal results, follow the recommended dosage and timing.

Directions for Use

For adults, take one (1) quick release softgel daily, preferably with a meal. Do not exceed the recommended dosage.

Maintenance and Storage

While specific storage instructions are not detailed on the product label, it is generally recommended to store dietary supplements in a cool, dry place, away from direct sunlight and moisture, to maintain their potency and integrity. Keep the bottle tightly closed when not in use.

Troubleshooting and Safety Information

Adherence to safety guidelines is crucial when using any dietary supplement.

Safety Precautions

- If you are pregnant, nursing, taking any medications, or have any medical condition, consult your doctor before use.
- Discontinue use and consult your doctor if any adverse reactions occur.
- Keep out of reach of children.
- Do not use if the seal under the cap is broken or missing.

Please refer to the product label for full warning information.

Legal Disclaimer

Statements regarding dietary supplements have not been evaluated by the Food and Drug Administration (FDA) and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

Specifications
