

## Merax JD082855

# Merax Queen Upholstered Platform Bed with 4 Drawers Instruction Manual

Model: JD082855

## 1. SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- Assemble the bed on a soft, clean surface to prevent scratches.
- Tighten all bolts and screws firmly, but do not overtighten. Periodically check and re-tighten all connections.
- Do not exceed the recommended weight capacity for the bed frame.
- Keep small parts and packaging materials away from children.
- This product is intended for indoor use only.

## 2. PACKAGE CONTENTS

---

Verify that all components listed below are included in your package:

- Upholstered Headboard
- Upholstered Side Rails (2)
- Upholstered Footboard
- Bed Slats and Center Support System
- Storage Drawers (4)
- Hardware Pack (bolts, screws, washers, Allen wrench)

### 3. SETUP INSTRUCTIONS

---

Follow these steps for proper assembly of your Merax platform bed.

#### Step 3.1: Attach Headboard to Side Rails

Connect the upholstered headboard to the side rails using the provided bolts and washers. Ensure the connections are secure.

Image: A close-up view illustrating the connection point where the upholstered headboard attaches to the bed frame's side rail, showing the pre-drilled holes and hardware.

### **Step 3.2: Attach Footboard to Side Rails**

Similarly, attach the upholstered footboard to the other end of the side rails. Confirm all four corners are aligned and securely fastened.

### **Step 3.3: Install Center Support and Slats**

Place the center support beam(s) and then evenly space and secure the wooden slats across the bed frame. The slats provide mattress support and eliminate the need for a box spring.

Image: An overhead view of the bed frame's interior, showcasing the wooden slats laid across the frame and the underlying structure for the storage drawers.

#### **Step 3.4: Assemble and Insert Drawers**

Assemble the four storage drawers according to the separate drawer assembly instructions (if provided). Once assembled, slide them into the designated spaces beneath the bed frame. The drawers are designed to roll smoothly on their casters.

Image: The Merax platform bed with all four storage drawers fully extended, demonstrating the available storage space beneath the bed.

## 4. OPERATING INSTRUCTIONS

---

The four storage drawers are designed for easy access and organization.

- To open a drawer, gently pull the upholstered front panel outwards. The casters will allow it to roll smoothly.
- To close a drawer, push the panel inwards until it is flush with the bed frame.
- Avoid placing excessively heavy items in the drawers to ensure smooth operation and prevent damage to the casters or drawer structure.

## 5. MAINTENANCE

---

Proper care will extend the life and appearance of your Merax platform bed.

- **Cleaning:** The upholstered fabric should be dry cleaned only. For minor spills, blot immediately with a clean, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.

- **Drawer Care:** Keep the area beneath the bed clear of obstructions to allow the drawers to roll freely. Clean any dust or debris from the casters as needed.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your bed, refer to the following common solutions:

- **Wobbly Frame:** Check all connections. Ensure all bolts are securely tightened. If the issue persists, disassemble and reassemble, ensuring all parts are correctly aligned.
- **Drawers Not Sliding Smoothly:** Verify that the casters are clean and free of debris. Ensure the drawers are assembled correctly and are not overloaded. Check for any obstructions beneath the bed.
- **Squeaking Noises:** Tighten all bed frame hardware. If the noise continues, check the slat connections and ensure the mattress is properly seated.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	Merax
Model Number	JD082855
Size	Queen w/4 Drawers
Product Dimensions	83.1" L x 65.7" W x 43.3" H
Material	Engineered Wood, Linen
Color	White
Item Weight	72.8 pounds
Assembly Required	Yes
Product Care Instructions	Dry Clean Only
UPC	195358554210, 196986558557
