1. INTRODUCTION

Thank you for choosing the keptory 47-inch Pantry Cabinet. This versatile storage solution is designed to enhance organization and aesthetics in various rooms of your home, including the kitchen, dining room, living room, bedroom, and hallway. Constructed from durable engineered wood with an elegant brown finish, this freestanding cabinet offers ample storage capacity with its multi-level and adjustable shelving system. This manual provides essential information for safe assembly, proper use, and maintenance to ensure the longevity and optimal performance of your cabinet.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Adult Assembly Required:** This product requires assembly by adults. Keep children away from the assembly area.
- **Small Parts Warning:** The package contains small parts that could be a choking hazard for children. Keep all components out of reach of children until assembly is complete.
- **Proper Tools:** Use appropriate tools for assembly as specified in the instructions. Do not overtighten screws.
- **Stable Placement:** Ensure the cabinet is placed on a flat, level, and stable surface to prevent tipping.
- **Weight Distribution:** Distribute weight evenly across shelves. Do not overload shelves, as this may cause the cabinet to become unstable or damage the shelves.
- **Anti-Tip Kit:** If an anti-tip kit is included, it is highly recommended to install it to secure the cabinet to a wall,

especially in households with children or pets.

- **Environmental Considerations:** The paint used is environmentally friendly. However, ensure good ventilation during and after assembly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. All accessories are marked with numbers for easy identification.

The package typically includes:

- Cabinet panels (sides, top, bottom, back, doors)
- Adjustable shelves
- Hardware pack (screws, dowels, cam locks, hinges, handles, magnetic catches, shelf pins)
- Assembly instructions manual

If any parts are missing or damaged, please contact customer support immediately before proceeding with assembly.

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly of the kepptory Pantry Cabinet requires patience and attention to detail. Follow the numbered steps provided in the included assembly guide. It is recommended to have a second person assist with assembly for easier handling of larger components.

1. **Prepare the Area:** Clear a spacious, clean, and flat area for assembly. Lay down a blanket or cardboard to protect the cabinet parts and your floor from scratches.
2. **Identify Parts:** Unpack all components and identify them using the numbered labels and the parts list in your assembly guide.
3. **Follow Step-by-Step Guide:** Refer to the detailed, step-by-step instructions provided in the separate assembly manual. Each step will illustrate which parts and hardware to use.
4. **Hardware Installation:** Carefully insert screws, dowels, and cam locks as indicated. Do not overtighten screws, especially in engineered wood, to prevent stripping.
5. **Door Attachment:** Attach the doors using the provided hinges. Ensure they are aligned properly for smooth opening and closing.
6. **Handle Installation:** Secure the handles to the cabinet doors.
7. **Shelf Installation:** Insert shelf pins into the desired holes for the adjustable shelves. Place the shelves onto the pins.
8. **Final Placement:** Once assembled, carefully move the cabinet to its desired location. Ensure it is stable and level.
9. **Anti-Tip Installation (Recommended):** If an anti-tip kit is provided, follow its instructions to secure the cabinet to the wall.

For visual assistance, a detailed installation video may be available on the product page where you purchased the cabinet. Search for "kepptory 47-inch Pantry Cabinet assembly video" online.

5. PRODUCT FEATURES (OPERATING)

The keptyory 47-inch Pantry Cabinet is designed with functionality and aesthetics in mind, offering several key features:

- **Large Storage Capacity:** Measuring approximately 24"W x 16"D x 47"H, this cabinet provides substantial storage space. It features a multi-level shelf design, including two 6-level shelves and one 5-level compartment, ideal for various household items.
- **Adjustable Shelves:** The cabinet includes 4 shelves that can be adjusted to 3 different levels, allowing you to customize the storage space to accommodate items of various heights, from small jars to larger appliances.
- **Durable Construction:** Made from high-quality engineered wood (fiberboard) with a smooth brown finish, ensuring stability and longevity. The widened and weighted base further enhances its stability.
- **Elegant Design:** The cabinet features an elegant and smooth brown finish with beautifully flowing lines and textured door panels, making it a stylish addition to both modern and traditional home decors.
- **Noble Metal Handles:** Equipped with sturdy and aesthetically pleasing metal handles for easy opening and closing

of the doors.

- **Versatile Use:** This cabinet is suitable for various rooms, including kitchens for pantry storage, dining rooms for buffet items, living rooms for general storage, bedrooms for linens, or hallways for organizational needs.

6. CARE AND MAINTENANCE

Proper care and maintenance will help preserve the appearance and extend the lifespan of your kepptory Pantry Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish. Dry immediately with a clean cloth.
- **Spills:** Clean up spills immediately to prevent moisture damage or staining.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.

- **Heat and Moisture:** Keep the cabinet away from excessive heat sources and areas with high humidity to prevent warping or damage to the engineered wood.
- **Moving the Cabinet:** When moving the cabinet, empty it first to reduce weight. Lift the cabinet rather than dragging it to prevent damage to the base or floor. Avoid moving it frequently, as this can stress the joints.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary, but do not overtighten.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your pantry cabinet.

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Uneven floor; loose connections; overloaded shelves.	Ensure the cabinet is on a level surface. Check and tighten all screws and fittings. Redistribute weight on shelves. Consider installing an anti-tip kit if not already done.
Doors do not close properly or are misaligned.	Hinges are loose or improperly adjusted; cabinet is not level.	Check and tighten hinge screws. Adjust hinges as per the assembly manual (if specific instructions are provided). Ensure the cabinet is level.
Difficulty during assembly.	Incorrect part orientation; missing hardware; unclear instructions.	Double-check part numbers and orientations against the assembly manual diagrams. Ensure all hardware is present. Refer to the online installation video if available. Contact customer support for clarification or replacement parts.
Scratches or minor damage to the finish.	Accidental impact; abrasive cleaning.	For minor scratches, a furniture repair marker or wood stain matching the brown finish may be used. Avoid abrasive materials for cleaning.

8. SPECIFICATIONS
