SETUP

The OttLite Inspire LED Desk Lamp requires minimal setup. Follow these steps to get started:

1. **Unpack:** Carefully remove the lamp and all components from the packaging. Ensure all parts are present and undamaged.
2. **Placement:** Place the lamp on a stable, flat surface such as a desk, table, or nightstand. Ensure there is enough space around the base for wireless charging and to adjust the flexible neck.
3. **Connect Power:** Plug the power adapter into the lamp's power input port, then plug the adapter into a standard electrical outlet.

Perfect for the **home, the office,** and
in dorm rooms

OPERATING INSTRUCTIONS

1. Power On/Off and Brightness Control

The lamp features touch controls for easy operation. The main light has three brightness settings.

- **To Turn On/Off:** Firmly press the touch-sensitive switch located on the lamp shade.
- **To Adjust Brightness:** Continue pressing the touch-sensitive switch to cycle through the three brightness levels.

2. Flexible Neck Adjustment

The lamp features a 14-inch flexible neck, allowing you to position the light precisely where it's needed. Gently bend and adjust the neck to direct the light beam.

3. Wireless Charging

The lamp base includes a Qi-compatible wireless charging pad for your devices.

- **To Charge:** Place your Qi-compatible smartphone or other device directly onto the wireless charging pad located on the lamp's base.
- **Charging Indicator:** The device will indicate when it is charging. Ensure proper alignment for effective charging.

4. Built-In Night Light

The stylish faux wood base features a built-in night light with a touch-sensitive switch.

- **To Activate:** Gently touch the designated area on the base (often marked with a moon icon or similar) to turn the night light on or off.
- **Brightness Levels:** The night light may have multiple brightness levels; tap repeatedly to cycle through them.

5. ClearSun LED Technology

OttLite's exclusive ClearSun LED technology is designed to mimic the spectral output of natural sunlight, providing balanced and smooth illumination. This technology helps reduce eyestrain by up to 51% and offers a Color Rendering Index (CRI) of 95+, ensuring colors are seen accurately and vividly.

MAINTENANCE

To ensure the longevity and optimal performance of your OttLite Inspire LED Desk Lamp, follow these simple maintenance guidelines:

- **Cleaning:** Disconnect the lamp from the power source before cleaning. Use a soft, damp cloth to wipe down the lamp's surfaces. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **LED Care:** The LED light source is integrated and designed for long-term use. It does not require replacement. Do not attempt to disassemble the lamp head or replace the LEDs.
- **Storage:** If storing the lamp for an extended period, ensure it is clean and dry. Store it in a cool, dry place away from direct

sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your OttLite Inspire LED Desk Lamp, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in; power outlet issue; loose connection.	Ensure the power adapter is securely plugged into both the lamp and a working electrical outlet. Test the outlet with another device.
Wireless charging not working.	Device not Qi-compatible; improper alignment; phone case too thick.	Verify your device supports Qi wireless charging. Reposition the device on the charging pad to ensure proper alignment. Remove thick phone cases.
Light flickers or is dim.	Unstable power supply; internal component issue.	Try plugging the lamp into a different outlet. If the problem persists, contact customer support.
Night light not responding.	Incorrect touch area; power issue.	Ensure you are touching the correct sensor area on the base. Check power connection.

If these solutions do not resolve the issue, please contact OttLite Customer Support for further assistance.
