3. SETUP AND HANDLING

3.1 Unboxing

Carefully remove the acrylic cards from their packaging. Inspect each card for any damage or manufacturing defects upon receipt.

3.2 Display

These cards can be displayed individually or placed into a character frame (not included) for a personalized collection. Ensure cards are placed on a stable, flat surface or within a secure display frame to prevent accidental falls or damage.

3.3 Handling

Always hold the cards by their edges to avoid leaving fingerprints or smudges on the main surface. Avoid bending or applying excessive pressure to the cards.

4. MAINTENANCE

4.1 Cleaning

To clean the acrylic cards, gently wipe them with a soft, lint-free cloth. For minor smudges, a slightly damp cloth can

be used, followed by a dry wipe. **Avoid abrasive cleaners or harsh chemicals**, as these can scratch or damage the acrylic surface.

4.2 Storage

Store cards away from direct sunlight and extreme temperatures to prevent fading or warping. Keep them in a protective sleeve or box when not on display to prevent dust accumulation and scratches.

5. TROUBLESHOOTING

5.1 Minor Scratches

Small scratches on acrylic can sometimes be buffed out with specialized acrylic polish (not included). Always test any polish on an inconspicuous area first.

5.2 Damaged Card

If a card is significantly damaged upon arrival, please refer to the manufacturer's support information for assistance.
