6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your IRONCK L Shaped Desk:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood and metal components.

7. TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common solutions:

- **Desk is Wobbly:**
 - Ensure all assembly screws are securely tightened.
 - Adjust the leveling feet at the bottom of the desk legs to stabilize it on uneven floors.
- **Power Outlet Not Working:**
 - Verify that the desk's main power cord is securely plugged into a functional wall outlet.

- Check if the wall outlet itself is receiving power (test with another device).
 - Ensure no devices connected to the desk's outlets are drawing excessive power, potentially tripping a circuit breaker.
