NTONPOWER USB C Travel Power Strip - Instruction Manual

Model: APP-2A2U1C

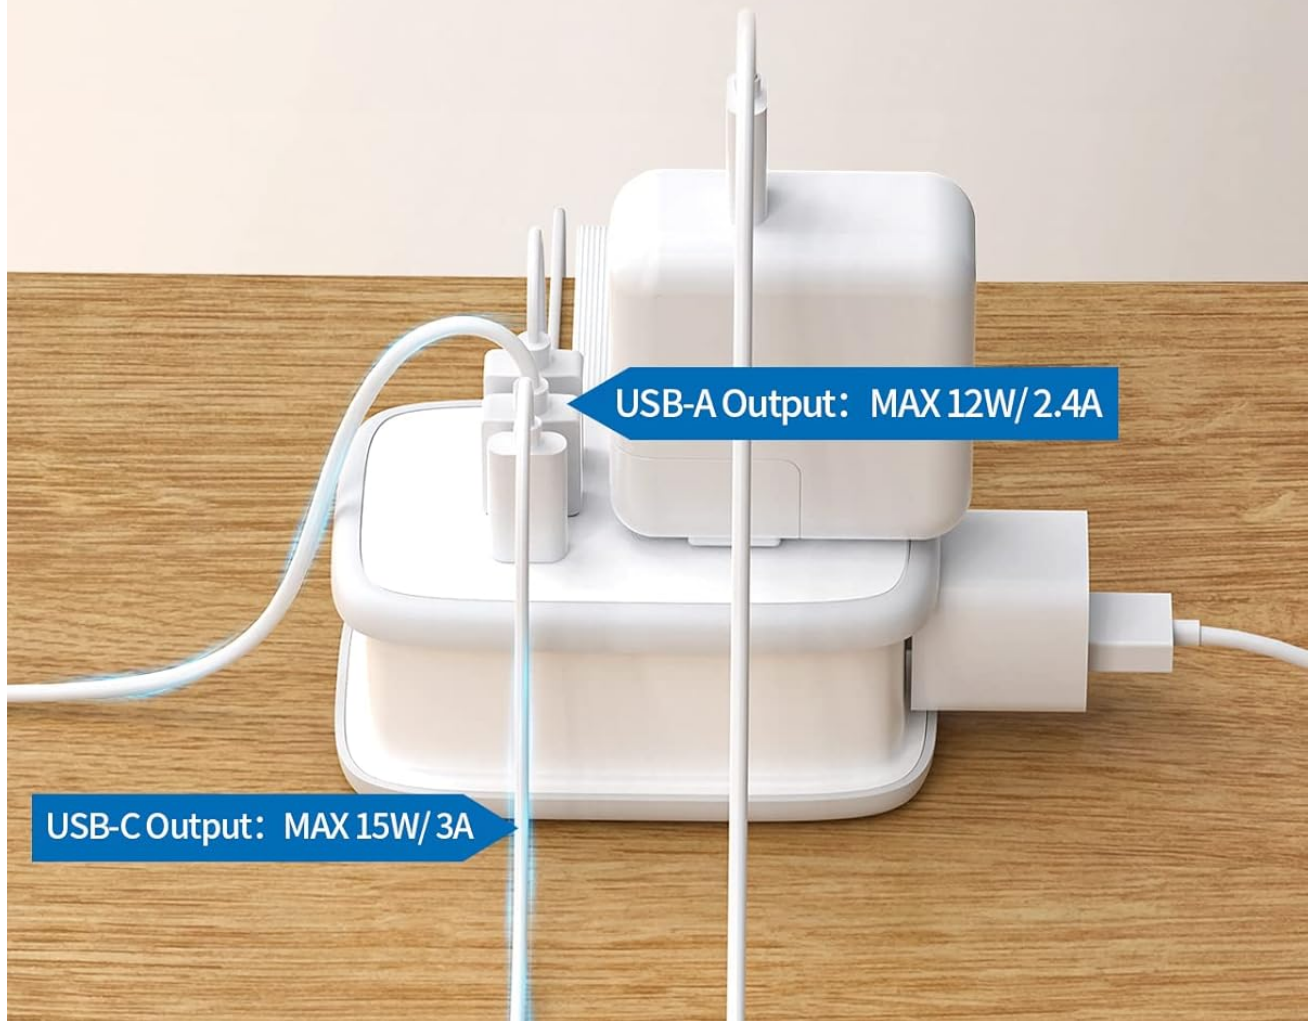

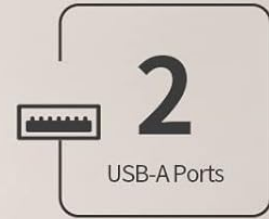

PRODUCT OVERVIEW

The NTONPOWER USB C Travel Power Strip (Model APP-2A2U1C) is a compact and versatile power solution designed for travel, home, and office use. It features a unique 5-in-1 design, including 1 regular AC outlet, 1 two-prong AC outlet, 2 USB-A ports, and 1 USB-C port, allowing simultaneous charging of multiple devices. Its flat plug and 3ft wrapped-around extension cord ensure portability and convenience. This power strip is cruise ship approved due to its non-surge protection design.

SAFETY INFORMATION

For detailed safety guidelines, please refer to the official Safety Information PDF document available at [Safety Information \(PDF\)](#).

This power strip is FCC & RoHS approved and constructed from fire-resistant PC shell, offering fireproof protection up to 1382°F. It is designed with no surge protection, making it safe for use on cruise ships where surge protectors are often prohibited.

SETUP

Unpacking and Initial Setup

Carefully remove the NTONPOWER USB C Travel Power Strip from its packaging. Unwind the 3ft extension cord from around the main unit. The integrated rubber organizer band helps keep the cord neatly wrapped for storage and transport.

45 Degree Angled Ultra Flat PLug

Maximum saving space and easily fit behind the furniture, non-blocking other outlet

0.39inch

Ours

2.39inch

Others

The 3ft retractable cord and rubber storage band allow for easy packing and neat storage.

Connecting to Power

Plug the flat, 45-degree angled plug into a standard 125V AC wall outlet. The ultra-thin design (0.39 inches) ensures it does not block adjacent outlets and allows furniture to sit flush against the wall.

The ultra-thin flat plug design saves space and prevents blocking other outlets.

Cruise Approved

Non-Surge Protection Design for Cruise

Non-surge protector

The flat plug allows furniture to sit flush against the wall, maximizing space.

OPERATING INSTRUCTIONS

Charging Devices

The power strip features 2 AC outlets (1 regular three-prong, 1 two-prong), 2 USB-A ports, and 1 USB-C port.

- **AC Outlets:** Plug your devices directly into the AC outlets. The outlets are strategically distributed on different sides to prevent blocking.
- **USB Ports:** Connect your USB-compatible devices (phones, tablets, smartwatches, etc.) to the USB-A or

USB-C ports. The built-in Smart IC technology automatically detects and delivers the appropriate current to your devices, eliminating the need for various charging adapters.

Overview of all available ports and outlets on the power strip.

3ft Extension Cord Flat Plug

3 foot cord is long enough to reach further outlet and still be able to sit at nightstand.

The power strip can efficiently charge multiple devices at once, ideal for bedside use.

Cruise Ship Compatibility

This travel power strip is specifically designed without surge protection, making it approved for use on cruise ships where surge protectors are often prohibited.

The power strip's non-surge protection design makes it suitable for cruise travel.

MAINTENANCE

To maintain optimal performance, keep the power strip clean and free of dust. Use a dry, soft cloth for cleaning. Do not expose the unit to liquids or extreme temperatures.

TROUBLESHOOTING

No Power Output

- Ensure the power strip's plug is fully inserted into a functioning wall outlet.
- Verify that the device you are trying to charge is properly connected to the power strip.
- Check if the device itself is functioning correctly.

Slow Charging

- While the Smart IC technology optimizes current delivery, ensure your device's charging cable is not damaged.
- Some devices may have specific charging requirements; refer to your device's manual for optimal charging specifications.

SPECIFICATIONS

Feature	Detail
Product Dimensions	3.63 x 2.28 x 0.04 inches
Item Weight	5 ounces
Model Number	APP-2A2U1C
Brand	NTONPOWER

Feature	Detail
Color	White
Total Power Outlets	2
USB Ports	2 USB-A, 1 USB-C
Voltage	125 Volts
Special Feature	Cruise Essentials, Cruise Approved, Flat Plug, Wrapped Around Extension Cord
Manufacturer	NTONPOWER Technology Co., Ltd
Country of Origin	China
