## SETUP AND PREPARATION

1. **Pre-wash Fabric:** Always pre-wash and dry your fabric according to its care instructions to prevent shrinkage after the garment is made.
2. **Press Pattern Pieces:** Carefully unfold and press the paper pattern pieces with a dry iron on a low setting to remove creases, ensuring accurate cutting.
3. **Identify Pattern Pieces:** Match the pattern pieces to the corresponding view (A or B) you intend to sew.
4. **Lay Out Fabric:** Follow the fabric layout diagrams provided in the instruction sheet. Pay close attention to grainlines and pattern piece placement for optimal fabric usage and garment drape.
5. **Pin and Cut:** Securely pin pattern pieces to the fabric. Use sharp fabric shears or a rotary cutter to cut out all fabric pieces accurately.

## SEWING INSTRUCTIONS

The pattern includes detailed step-by-step instructions with illustrations. Below is a general overview of the sewing process:

1. **Prepare Pattern Pieces:** Transfer all markings from the pattern pieces to your fabric using tailor's chalk or a fabric marker.

- Sew Darts/Seams:** Stitch any darts as indicated. Join the front and back bodice pieces at the shoulder and side seams.
- Attach Sleeves:** Set in the sleeves according to the instructions, ensuring proper alignment.
- Construct Neckline:** Finish the square neckline as directed, which may involve a facing or binding.
- Sew Skirt/Dress Seams:** Join the skirt or lower dress sections, then attach to the bodice if applicable.
- Hemming:** Hem the sleeves and the bottom of the dress to the desired length.
- Finishing:** Press all seams and finish raw edges as appropriate for knit fabrics (e.g., with a serger or zigzag stitch).

For specific details and visual guidance, always refer to the instruction sheet included in your pattern packet.
