LuvLap 3 in 1 Rocker Napper (Model 18207) & Starshine Stroller (Model 18135) User Manual

Comprehensive Guide for Safe and Effective Use

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use of the LuvLap 3 in 1 Rocker Napper and Starshine Stroller. Keep this manual for future reference. Failure to follow these warnings and instructions could result in serious injury or death.

- Always use the restraint system.
- Never leave your child unattended.
- Do not use the product if any components are broken or missing.
- Ensure all locking devices are engaged before use.
- Do not allow children to play with the product.
- Keep away from open flames and other strong heat sources.
- Always check that the product is stable and securely assembled before placing a child in it.

LUVLAP 3 IN 1 ROCKER NAPPER (MODEL 18207)

Introduction

The LuvLap 3 in 1 Rocker Napper is designed to provide a comfortable and engaging resting place for your baby. It features musical vibrations and an attractive toy bar to soothe and stimulate your child. This product is suitable for infants from 0 to 36 months, or until the child can sit up unassisted, whichever comes first, due to safety considerations for rocker/napper modes.

Setup

1. **Unpacking:** Carefully remove all components from the packaging. Verify all parts are present according to the parts list (not provided, assume standard components).
2. **Frame Assembly:** Assemble the main frame components by clicking them into place. Ensure all connections are secure.
3. **Seat/Napper Attachment:** Attach the fabric seat or napper unit to the assembled frame. Follow the specific instructions for securing the fabric to the frame.
4. **Toy Bar Installation:** Insert the toy bar into the designated slots on the frame. Ensure it is firmly attached and cannot be easily dislodged.
5. **Battery Installation:** Locate the battery compartment for the musical vibrations unit. Insert the required batteries (e.g., AA or C, not specified) ensuring correct polarity. Close the compartment securely.

Operating Instructions

- **Rocker Mode:** To activate rocker mode, ensure the stabilizing feet are retracted or in the rocking position. Gently push the unit to initiate rocking motion.
- **Napper Mode:** To convert to napper mode, adjust the backrest to a flat or reclined position and engage the stabilizing feet to prevent rocking.
- **Musical Vibrations:** Press the power button on the control unit to turn on the vibrations and melodies. Use the selection buttons to choose from the 10 available melodies and adjust vibration intensity.
- **Toy Bar:** The toy bar can be rotated or removed for easy access to your baby. Ensure it is securely in place when in use.
- **Harness System:** Always secure your child with the 3-point harness system. Adjust straps for a snug fit.

Maintenance

- **Cleaning Fabric:** The fabric seat cover can typically be removed and machine washed on a gentle cycle with mild detergent. Refer to the care label for specific instructions.
- **Cleaning Frame:** Wipe the frame and plastic parts with a damp cloth and mild soap. Dry thoroughly.
- **Battery Replacement:** Replace batteries when musical vibrations weaken or stop functioning.
- **Storage:** Store the rocker napper in a clean, dry place away from direct sunlight when not in use.

Specifications (Model 18207)

- **Product Type:** 3 in 1 Rocker Napper
- **Age Limit:** 0 to 36 months (or until child can sit up unassisted)
- **Features:** Musical Vibrations, 10 Melodies, Attractive Toy Bar
- **Harness Type:** 3 Point

LUVLAP STARSHINE STROLLER/PRAM (MODEL 18135)

Introduction

The LuvLap Starshine Stroller/Pram is designed for comfortable and convenient travel with your child from birth up to 3 years. It features a lightweight aluminium frame, adjustable backrest, 360° swivel wheels, and a reversible handlebar for enhanced versatility.

3-in-1 Rocker/ Bouncer/ Napper

- ◆ 3 Point Safety Harness
- ◆ Mosquito Net
- ◆ Attractive Toy bar

Setup

1. **Unfolding the Stroller:** Place the folded stroller on a flat surface. Release the folding latch (if present). Pull the handlebar upwards until the frame locks into place with an audible click. Ensure all locking mechanisms are engaged.
2. **Wheel Attachment:** Attach the front and rear wheels by pushing them onto their axles until they click securely. Verify they are firmly attached by pulling on them.
3. **Canopy Installation:** Attach the canopy to the designated points on the stroller frame.
4. **Storage Basket:** Ensure the large storage basket is properly secured to the frame underneath the seat.

Day dreams
in the sun

Operating Instructions

- **Reversible Handlebar:** To reverse the handlebar, locate the release buttons on either side of the handlebar. Press these buttons and swing the handlebar over to the opposite side until it locks securely into place. This allows the child to face the parent or the direction of travel.

Image: A detailed view of the stroller's reversible handlebar, illustrating how it can be adjusted to change the child's facing direction.

- **Seat Recline Adjustment:** The seat offers 3 recline positions. Locate the recline mechanism at the back of the seat. Squeeze or lift the lever/strap and adjust the seat to the desired angle. Ensure it locks firmly in position.
- **Safety Belt (3-Point Harness):** Always secure your child using the 3-point harness. Place the child in the seat, bring the shoulder straps over the child's shoulders, and connect the buckle. Adjust the straps for a snug, secure fit without being too tight.
- **360° Swivel Wheels with Lock:** The front wheels can swivel 360° for easy maneuverability. To lock the front wheels for straight-line strolling on uneven terrain, push down the locking lever located above each front wheel. To unlock, lift the lever.
- **Rear Wheel Brakes:** To engage the brakes, push down firmly on the brake pedal located near the rear wheels. Ensure both brakes are engaged before leaving the stroller unattended. To release, lift the pedal.
- **Compact Folding:** To fold the stroller, ensure the canopy is retracted and the seat is in an upright position. Locate the folding mechanism (usually a lever or button on the handlebar or side frame). Follow the specific steps to collapse the stroller into its compact form.
- **Extendable Canopy:** Adjust the canopy forward or backward to provide optimal shade for your child.
- **Adjustable Footrest:** The footrest can be adjusted to multiple positions for your child's comfort. Locate the adjustment buttons or levers on the sides of the footrest and set it to the desired angle.

Maintenance

- **Cleaning Fabric:** The fabric parts can be spot cleaned with a damp cloth and mild soap. For deeper cleaning, refer to the care label for specific instructions. Do not use harsh chemicals or abrasive cleaners.
- **Cleaning Frame and Wheels:** Wipe the aluminium frame and plastic components with a damp cloth. Clean wheels regularly to remove dirt and debris. Lubricate moving parts (e.g., wheel axles) periodically with a silicone-based lubricant.

- **Storage:** Store the stroller in a clean, dry place away from direct sunlight and extreme temperatures.

Troubleshooting

- **Stroller does not fold/unfold smoothly:** Check for any obstructions in the folding mechanism. Ensure all locking devices are disengaged before folding. Lubricate moving parts if necessary.
- **Wheels are stiff or squeaky:** Clean any debris from the wheel axles. Apply a small amount of silicone lubricant to the moving parts of the wheels.
- **Brakes are not engaging/disengaging:** Check for debris around the brake mechanism. Ensure the brake pedal is fully depressed or lifted. If the issue persists, contact customer support.
- **Harness is difficult to adjust:** Ensure straps are not twisted. Press the adjustment buttons/levers firmly while pulling the straps.

Specifications (Model 18135)

- **Product Type:** Pram Stroller
- **Age Range:** 0-3 years
- **Maximum Weight Recommendation:** 20 Kilograms
- **Frame Material:** Aluminium
- **Seat Material Type:** Fabric
- **Harness Type:** 3 Point
- **Special Features:** Reversible Handlebar, 3 Position Seat Recline, 360° Swivel Wheels with Lock, Rear Wheel Brakes, Compact Folding, Large Shopping Basket, Safety Belt, Extendable Canopy, Adjustable Footrest.
