

## Pipishell PIUC06W

# Pipishell 3-Tier Rolling Cart User Manual

Model: PIUC06W

## PRODUCT OVERVIEW

The Pipishell 3-Tier Rolling Cart (Model PIUC06W) is a versatile and mobile storage solution designed to help organize various spaces such as offices, kitchens, craft rooms, and nurseries. Its robust construction and thoughtful design make it suitable for a wide range of items, from art supplies to household essentials.

Image: The Pipishell 3-Tier Rolling Cart in white, showcasing its three spacious baskets and sturdy frame, filled with various art supplies.

- **Strong & Stable Frame:** Constructed with 30% thicker plastic baskets and a sturdy metal frame, capable of holding up to 22 lbs per shelf.
- **Expandable Storage:** Three tiers provide ample storage with sufficient clearance between baskets for easy access.
- **Accessory Storage:** Includes 3 hanging cups and 4 detachable hooks for additional organization.
- **Smooth Mobility:** Equipped with four 360° swivel caster wheels for easy movement, two of which are lockable for stability.

## SETUP AND ASSEMBLY

The Pipishell 3-Tier Rolling Cart is designed for quick and easy assembly. All necessary tools and hardware are included in the package.

### Package Contents:

- 3 x Storage Baskets (Plastic)
- 2 x Side Frames (Metal)
- 1 x Handle Bar (Metal)
- 4 x Caster Wheels (2 lockable)
- 3 x Hanging Cups
- 4 x Detachable Hooks

- Assembly Hardware (Screws, Nuts)
- Screwdriver
- Wrench

### Assembly Instructions:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the package contents list.
2. **Attach Wheels:** Insert the four caster wheels into the designated holes at the bottom of the base frame. Use the provided wrench to tighten the wheels securely. Ensure the two lockable wheels are positioned at the front for easy access.
3. **Assemble Side Frames:** Connect the two metal side frames to the base. Align the holes and secure them with the provided screws using the screwdriver.
4. **Install Baskets:** Slide each of the three plastic storage baskets onto the side frames. The baskets are designed to fit snugly and are secured by screws on each side to prevent warping or tipping. Ensure each basket is level before tightening.
5. **Attach Handle Bar:** Secure the handle bar to the top of the side frames using the remaining screws.
6. **Add Accessories:** Attach the hanging cups and detachable hooks to the sides of the baskets as desired for additional storage.

## OPERATING INSTRUCTIONS

The Pipishell Rolling Cart is designed for convenient and flexible use in various environments.

### Mobility and Placement:

- To move the cart, simply push or pull it using the handle bar. The 360° swivel wheels allow for smooth movement

across different floor types, including carpet, tile, and wood.

- To secure the cart in a stationary position, engage the locks on the two lockable caster wheels by pressing down on the lever. To unlock, lift the lever.

Image: A close-up view of one of the 360° swivel caster wheels, highlighting its smooth movement capability and locking mechanism.

### **Storage and Organization:**

- Utilize the three tiers to organize items by category or frequency of use. The flat bottom design of the baskets prevents small items from tipping over.

- The included hanging cups are ideal for storing pens, brushes, utensils, or other small tools.
- The detachable hooks can be used to hang towels, bags, or other accessories on the side of the cart.
- Ensure the weight distribution is even and does not exceed the maximum load capacity of 22 lbs per shelf to maintain stability.

## MAINTENANCE

Regular cleaning and proper care will ensure the longevity and optimal performance of your Pipishell Rolling Cart.

### Cleaning:

- Wipe down the plastic baskets and metal frame with a soft, damp cloth and mild soap.

- Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish of the cart.
- The perforated design of the baskets allows for quick drying and prevents water accumulation, making it easy to keep clean and dry.
- For stubborn stains, a gentle scrub brush can be used on the plastic baskets.

Image: A close-up of the perforated bottom of a basket, illustrating its design for drainage and air circulation to keep items clean and dry.

#### General Care:

- Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- Keep the wheels free of debris (hair, lint, etc.) to ensure smooth rolling.
- Store the cart in a dry environment to prevent any potential rust on metal components, although the metal frame is designed for durability.

## TROUBLESHOOTING

If you encounter any issues with your Pipishell 3-Tier Rolling Cart, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Cart does not roll smoothly.	Wheels are locked, or debris is caught in the wheels.	Ensure wheel locks are disengaged. Check wheels for hair, lint, or other obstructions and remove them.
Cart feels unstable or wobbly.	Screws are loose, or weight is unevenly distributed.	Tighten all assembly screws. Redistribute items evenly across the shelves, ensuring not to exceed the 22 lbs per shelf limit.
Baskets are not level.	Baskets not properly seated or screws not fully tightened.	Ensure baskets are fully pushed down onto the side frames and all securing screws are tightened.

If the problem persists or if you have any other questions, please contact Pipishell customer support for assistance.

## SPECIFICATIONS

Feature	Detail
Model Number	PIUC06W
Product Dimensions (D x W x H)	14.02"D x 16.65"W x 33.46"H
Material	Polypropylene (PP) Baskets, Metal Frame
Color	White
Number of Shelves	3
Weight Limit per Shelf	22 Pounds (approx. 10 kg)
Number of Wheels	4 (two lockable)
