3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included building guide to assemble your LEGO Friends Autumn's Horse Stable. Ensure all pieces are correctly connected to maintain structural integrity.

Key Assembly Points:

- **Stable Structure:** Construct the two-story stable, ensuring the ground floor (stalls) and upper floor (kitchen and bedroom) are securely attached.
- **Carriage Assembly:** Build the carriage, noting that it is designed to accommodate two mini-doll figures.
- **Jump Obstacle:** Assemble the jump obstacle. The boards are designed to be removable, allowing for interactive play.
- **Mini-dolls and Horses:** Attach accessories like bows to the horses' tails or heads as desired. The horses can be connected to the carriage using the provided harness pieces.

4. FEATURES AND PLAY

The Autumn's Horse Stable set offers a variety of interactive features for extended play:

- **Horse Stalls:** Each horse has its own stable area on the ground floor.
- **Training Area:** Utilize the jump obstacle for horse training scenarios. The removable boards allow for dynamic play.
- **Kitchen and Dining:** The upstairs kitchen features a table that can be converted into a picnic blanket for meal breaks.
- **Sleeping Area:** A dedicated sleeping area with hay beds provides a resting spot for the mini-dolls and horses after a day of activities.
- **Carriage Rides:** The carriage allows Autumn and Aliya to ride together or transport items around the stable.
- **Accessories:** Engage in realistic horse care with included accessories like brushes, buckets, and tools.

5. CARE AND MAINTENANCE

To ensure the longevity of your LEGO set, follow these care guidelines:

- **Cleaning:** Clean LEGO bricks with mild soap and water (not exceeding 40°C or 104°F). Rinse thoroughly and air dry. Do not use hot water, harsh chemicals, or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and warping of plastic elements.
- **Handling:** Avoid excessive force when assembling or disassembling bricks to prevent damage.
