Reobrix RB687

Reobrix 687 Lamborghini SVJ Building Blocks Set Instruction Manual

Model: RB687

INTRODUCTION

This manual provides comprehensive instructions for assembling, operating, and maintaining your Reobrix 687 Lamborghini SVJ Building Blocks Set. This set allows you to construct a detailed 1:24 scale model of the Lamborghini SVJ, featuring authentic design elements and movable parts. Please read all instructions carefully before beginning assembly.

The fully assembled Reobrix 687 Lamborghini SVJ model car.

The Reobrix 687 model is designed to replicate the intricate mechanical details and body of the iconic supercar. It features working wheels and doors, a wide-body stance, and classic design elements for a true-to-life appearance. This model is intended for display and collectible purposes.

SAFETY INFORMATION

- **Choking Hazard:** Small parts are included. This product is not suitable for children under 3 years due to potential choking hazards.
- **Recommended Age:** This building block set is suitable for individuals aged 14 years and older.
- **Handling:** Handle all pieces with care to avoid breakage or injury.

PACKAGE CONTENTS

Before starting assembly, ensure all components are present. The package should contain:

- 382 building block pieces
- 1 Instruction Manual

If any parts are missing or damaged, please refer to the Troubleshooting section for assistance.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included manual to assemble your Reobrix 687 Lamborghini SVJ model. Take your time and ensure each piece is correctly placed for optimal stability and appearance.

1. **Preparation:** Unpack all building blocks and organize them by type or color if desired. This can simplify the assembly process.
2. **Follow the Manual:** Refer to the detailed graphical instructions in the physical manual provided with the set. Each step illustrates the pieces required and their placement.
3. **Connecting Pieces:** Ensure all blocks are firmly connected. A secure connection prevents the model from falling apart during handling or display.
4. **Detailed Features:** Pay close attention to the assembly of specific features such as the transparent windshield, interior components, and the rear spoiler.

Detail of the transparent glass front window design, crucial for the model's aesthetic.

Focus on the silver rim design and the intricate details of the model's rear section.

OPERATING THE MODEL

Once assembled, your Reobrix 687 Lamborghini SVJ model features several movable parts for interactive display.

- **Working Wheels:** The model is equipped with free-rolling wheels. Gently push the car to observe its movement.
- **Openable Doors:** The doors of the model can be opened and closed. Carefully lift or pull the door panels as indicated in the assembly manual to access the interior.

An inside look at the meticulously crafted interior of the model car.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Reobrix 687 model, follow these care guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, lightly dampen a cloth with water and gently wipe the surface, then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Always handle the model by its main body to avoid putting stress on smaller, delicate parts.

TROUBLESHOOTING

If you encounter any issues during assembly or with your finished model, consider the following:

- **Missing Pieces:** Carefully check all packaging materials. If a piece is genuinely missing, contact Reobrix customer support with your product model number and a description of the missing part.
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces for each step. Apply firm, even pressure when connecting blocks. Do not force pieces together, as this can cause damage.
- **Model Instability:** Re-examine previous steps to ensure all connections are secure and all pieces are correctly oriented.
