HOGOKIDS HG-18471

HOGOKIDS Flower Bouquet Building Kit with LED Lighting

Model: HG-18471

Introduction

This manual provides instructions for assembling and operating your HOGOKIDS Flower Bouquet Building Kit with LED Lighting. This kit allows you to construct a detailed botanical display featuring roses and other elements, complete with integrated LED illumination and a protective transparent cover. The set consists of 596 mini building bricks designed for a mindful and engaging building experience.

Safety Information

- **Mini Building Bricks:** Please note that these are 2.5mm mini building bricks and are **not compatible with major brands** of building blocks.
- **Small Parts Warning:** This kit contains small parts which may pose a choking hazard. Not suitable for children under 3 years. Recommended age for assembly is 6 years and up.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders, due to the small size of the components.

Package Contents

Verify that all components are present before beginning assembly:

- 596 Pieces of Mini Building Blocks (various shapes and colors for roses, foliage, and base)
- Transparent Dust Cover
- Base Plate
- LED String Lights
- Instruction Manual (this document)

This image displays the complete HOGOKIDS Flower Bouquet Building Kit, including the packaging box, the individual building blocks before assembly, and the fully constructed rose bouquet with its LED lights illuminated and protected by a transparent cover.

This image provides key information about the kit's components and dimensions. It shows the overall size of the assembled product, illustrates the small size of the building blocks ('Mini Particles') compared to standard blocks, and displays the included LED light strip.

Assembly Instructions

Follow the detailed instructions provided in the included manual to assemble your flower bouquet. The process involves connecting the mini building blocks step-by-step to form the roses, foliage, and base structure.

1. **Preparation:** Unpack all components and organize the building blocks by color or type as suggested in the manual to facilitate assembly.
2. **Base Assembly:** Begin by constructing the base structure according to the manual's diagrams.
3. **Flower and Foliage Construction:** Proceed to build the individual rose elements and green foliage using the specified blocks. Pay close attention to the small details and connections.
4. **Integration of LED Lights:** As instructed, integrate the LED string lights into the bouquet structure during assembly. Ensure the wiring is neatly tucked away and the lights are positioned to illuminate the flowers effectively.
5. **Final Placement:** Securely attach the assembled flower bouquet to the base plate. The flower angles can be adjusted for desired aesthetic.
6. **Cover Placement:** Once the bouquet is fully assembled and the LED lights are in place, carefully position

the transparent dust cover over the entire display.

This image illustrates the assembly process, with a person carefully connecting the small building blocks to construct the flower bouquet. It highlights the detailed nature of the mini bricks.

A detailed view of the constructed rose bush, showcasing the intricate arrangement of red rose blocks, green stems, and small decorative elements, all enhanced by the LED lighting.

Operating Instructions

The HOGOKIDS Flower Bouquet features integrated LED string lights to enhance its visual appeal.

- **Powering the Lights:** Locate the battery compartment for the LED string lights. Insert the required batteries (not included, refer to the light strip packaging for battery type).
- **Turning On/Off:** Use the switch on the battery compartment to turn the LED lights on or off.
- **Creating Ambiance:** The illuminated bouquet creates a romantic and decorative atmosphere.

A comparison image showing the flower bouquet display both with its LED lights turned off and then illuminated, demonstrating the effect of the integrated lighting feature.

Maintenance

- **Cleaning:** The transparent cover and base are designed for easy cleaning. Use a soft, dry cloth to gently wipe away dust. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Dust Protection:** Keep the transparent cover in place to protect the delicate building block structure from dust accumulation.
- **Battery Replacement:** Replace the LED light batteries as needed to maintain optimal illumination.

Troubleshooting

- **Missing Pieces:** If you find any missing building blocks, please refer to the contact information in the Support section to request replacements.
- **Difficulty Assembling:** Ensure you are following the instruction manual step-by-step. The mini bricks require careful placement. If a step is unclear, re-examine the diagrams closely.
- **LED Lights Not Working:** Check if the batteries are correctly inserted and fully charged. Ensure the power switch is in the 'On' position.

Specifications

Product Name	Flower Bouquet Building Kit with LED Lighting
Brand	HOGOKIDS
Model Number	HG-18471
Number of Pieces	596
Product Dimensions	3.9 x 3.9 x 5.9 inches (assembled)
Item Weight	0.141 ounces
Material	High-quality environment-friendly ABS plastic
Recommended Age	6 years and up

Warranty and Support

For any questions, concerns, or assistance with missing parts, please contact HOGOKIDS customer support through the retailer's platform or the official HOGOKIDS website. Please retain your proof of purchase for warranty claims, if applicable.
