Setup

1. **Unboxing:** Carefully remove the Hot Wheels Monster Truck and its remote control from the packaging. Ensure all components are present, including the truck and the remote.

2. **Remote Control Battery Installation:** The remote control requires batteries for operation. Locate the battery compartment on the remote, typically on the underside. Insert the required batteries (not included) according to the polarity indicators. Securely close the battery compartment.
3. **Initial Inspection:** Before play, inspect the truck for any visible damage or loose parts. Ensure the oversized tires are securely attached.

Operation

The Hot Wheels Monster Truck is designed for intuitive play, allowing for exciting crashing and smashing action.

- **Power On:** Ensure the remote control has fresh batteries. Turn on the truck and the remote control (if they have separate power switches).
- **Basic Movement:** Use the controls on the remote to move the truck forward and backward. The oversized tires are designed to easily navigate various terrains and obstacles.
- **Turning:** Utilize the turning controls on the remote to steer the truck left and right.
- **Crashing and Smashing:** The durable design and large, foam-like tires allow the truck to withstand impacts and drive over objects, enhancing the play experience.

Maintenance

- **Cleaning:** Wipe the truck and remote with a dry or slightly damp cloth to remove dust and dirt. Do not immerse in

water.

- **Storage:** Store the product in a cool, dry place away from direct sunlight when not in use.
- **Battery Care:** Remove batteries from the remote control if the product will not be used for an extended period to prevent leakage.

Troubleshooting

- **Truck Not Moving:**
 - Check if the remote control batteries are correctly installed and have sufficient power.
 - Ensure both the truck and the remote control are powered on.
- **Limited Range/Interference:**
 - Ensure there are no large obstacles between the remote and the truck.
 - Avoid operating near other electronic devices that may cause interference.
