Azwok BN59-01014A Replacement Remote Control User Manual

INTRODUCTION

This manual provides instructions for the setup, operation, and maintenance of your Azwok BN59-01014A replacement remote control. This remote is designed to function as a direct replacement for the original Samsung BN59-01014A remote control, offering full functionality without the need for programming.

SETUP

Battery Installation

The Azwok BN59-01014A remote control requires two AAA batteries (not included) for operation. Follow these steps to install the batteries:

1. Locate the battery compartment on the back of the remote control.
2. Press down on the tab and slide the battery cover downwards to open it.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery cover back into place until it clicks securely.

MAINTENANCE

Cleaning

To clean the remote control, use a soft, dry cloth. Do not use liquid cleaners or abrasive materials, as these may damage the remote's surface or internal components.

Battery Replacement

Replace batteries when the remote control's response becomes inconsistent or stops working. Always replace both batteries simultaneously with new AAA alkaline batteries. Do not mix old and new batteries or different battery types.

TROUBLESHOOTING

- **Remote not responding:** Ensure batteries are installed correctly with the proper polarity. Replace old batteries with new AAA alkaline batteries. Check for any obstructions between the remote control and the TV's infrared sensor. Ensure you are within the maximum operating range of 10 meters.
- **Specific functions not working:** Verify that your TV model is listed as compatible. If your original remote had unique functions not present on this replacement, those functions will not be available. If your TV model is not listed, contact support for compatibility confirmation.
