GGM Gastro 6192 Pizza Plate Holder User Manual

Model: 6192 | Brand: GGM Gastro

1. INTRODUCTION

Thank you for choosing the GGM Gastro 6192 Pizza Plate Holder. This robust and space-saving holder is designed for the organized storage of up to 15 pizza plates, making it an ideal solution for professional kitchens and catering environments. Constructed from high-quality stainless steel, it offers exceptional durability and is easy to clean, ensuring long-lasting performance and hygiene.

2. PRODUCT OVERVIEW

The GGM Gastro 6192 Pizza Plate Holder features a vertical design with 15 individual slots, allowing for efficient storage and easy access to pizza plates. Its innovative design ensures stability and high functionality.

Figure 1: The GGM Gastro 6192 Pizza Plate Holder, showcasing its capacity to hold multiple pizza plates. This image displays the holder with three pizzas on the lower shelves, demonstrating its practical use for organized storage.

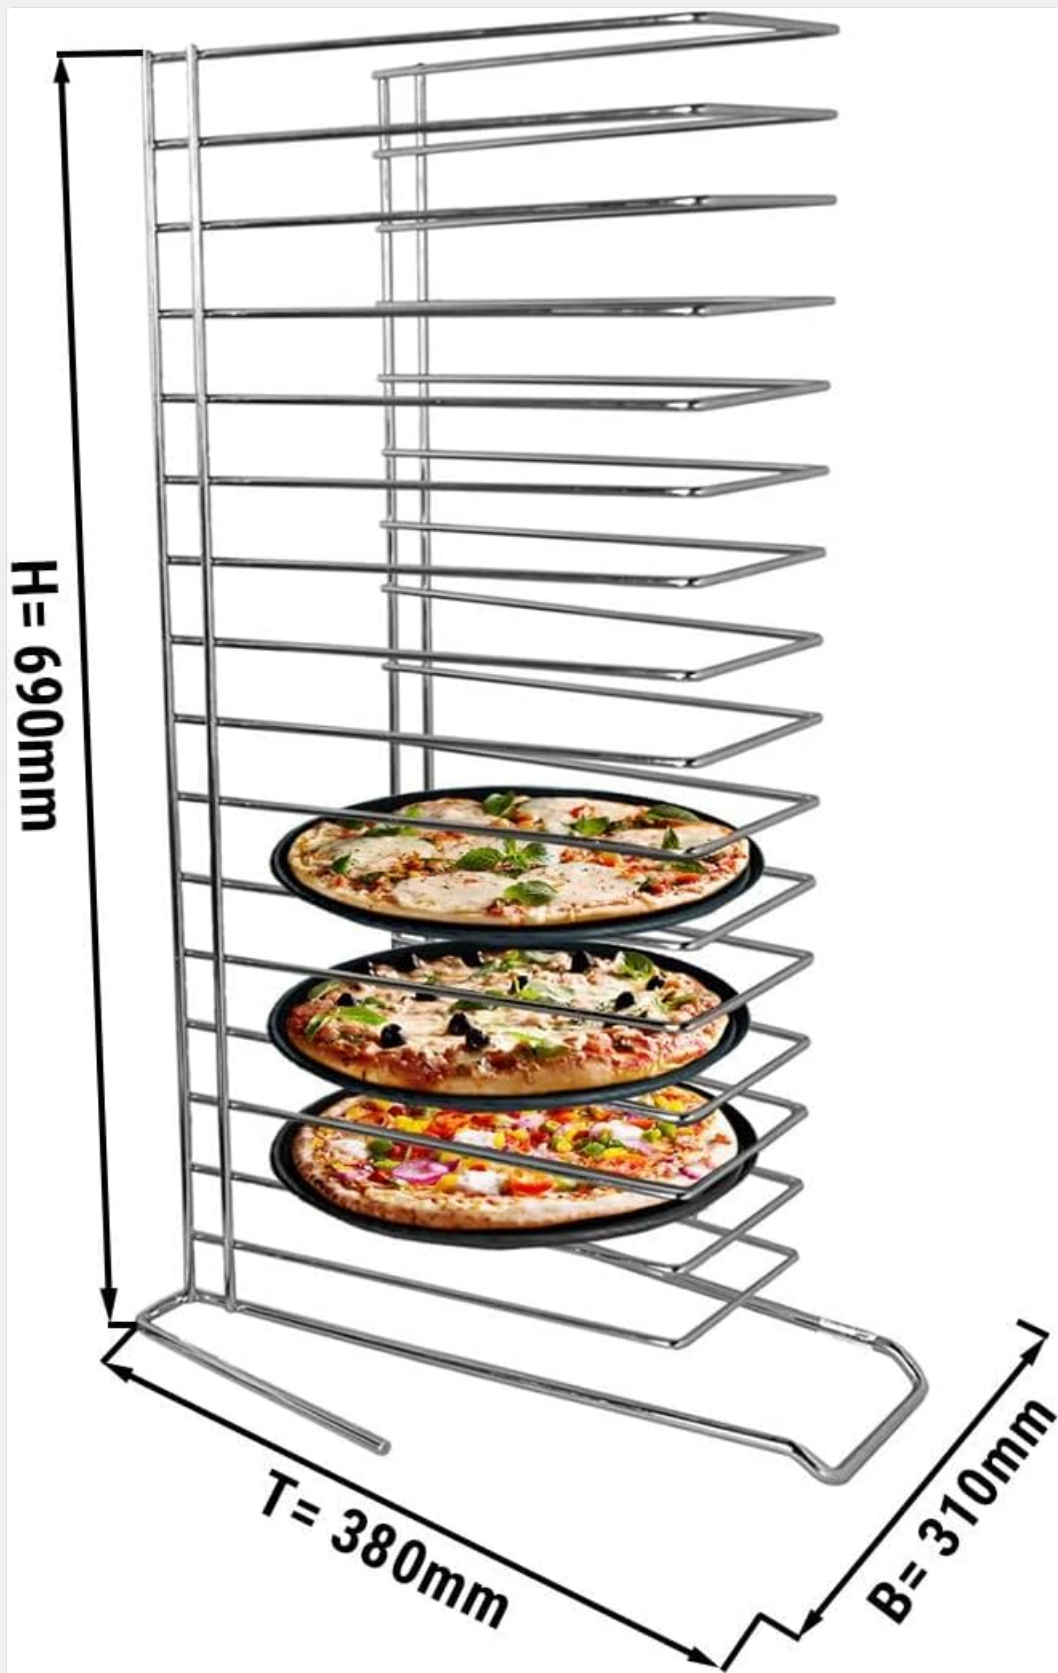

Figure 2: Dimensions of the GGM Gastro 6192 Pizza Plate Holder. The image clearly labels the height (H=690mm), depth (T=380mm), and width (B=310mm) of the unit, providing essential information for placement and space planning.

3. SETUP AND ASSEMBLY

The GGM Gastro 6192 Pizza Plate Holder requires assembly upon receipt. Please follow these general guidelines for setup:

1. Unpack all components carefully and verify that all parts are present.

2. Refer to the included assembly instructions (if provided separately) for detailed steps.
3. Assemble the frame and secure the plate slots according to the design. Ensure all connections are stable and tight for safe operation.
4. Place the assembled holder on a stable, flat surface in your kitchen or storage area.

Figure 3: The pizza plate holder positioned on a kitchen counter, demonstrating its compact footprint and how it integrates into a professional kitchen setup. Other kitchen items are visible around it, showing scale.

Figure 4: The pizza plate holder in a broader kitchen setting, next to large commercial ovens. This image illustrates its suitability for high-volume environments and its ability to be placed conveniently near cooking stations.

4. OPERATING INSTRUCTIONS

Using the GGM Gastro 6192 Pizza Plate Holder is straightforward:

- Ensure the holder is placed on a stable, level surface to prevent tipping.
- Carefully slide pizza plates into the individual slots. The holder is designed to accommodate standard pizza plate sizes.
- Distribute the weight evenly if possible, especially when loading multiple plates, to maintain stability.
- To remove a pizza plate, simply slide it out from its slot.

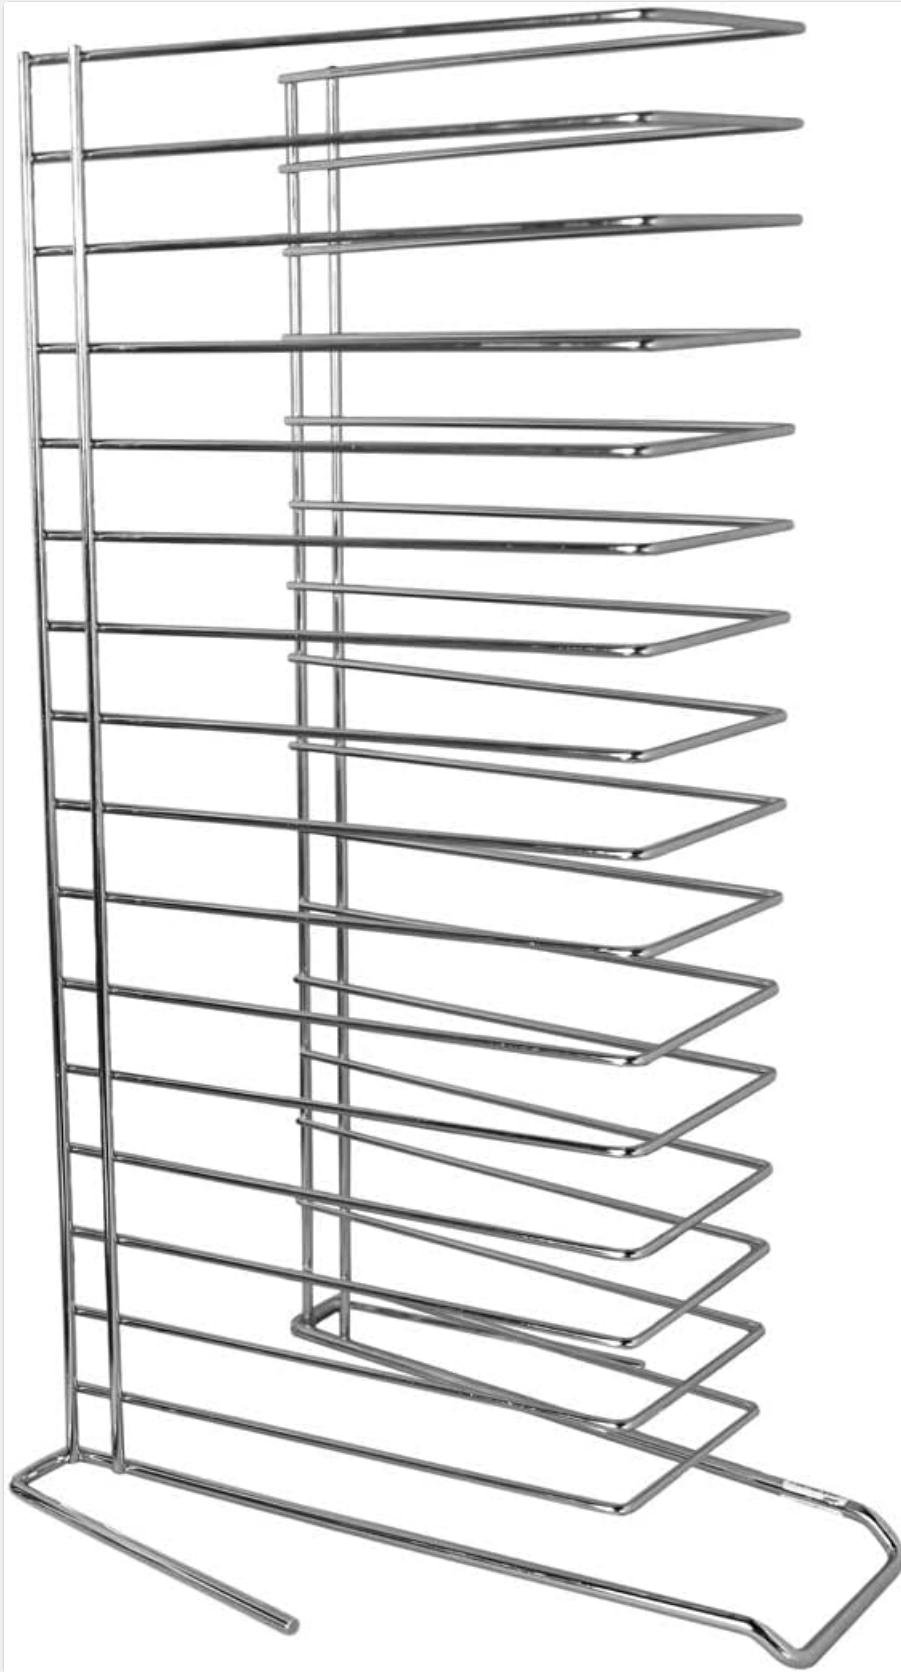

Figure 5: A side view of the empty GGM Gastro 6192 Pizza Plate Holder, highlighting the design of the 15 individual slots. This perspective shows the spacing and structure of the plate supports.

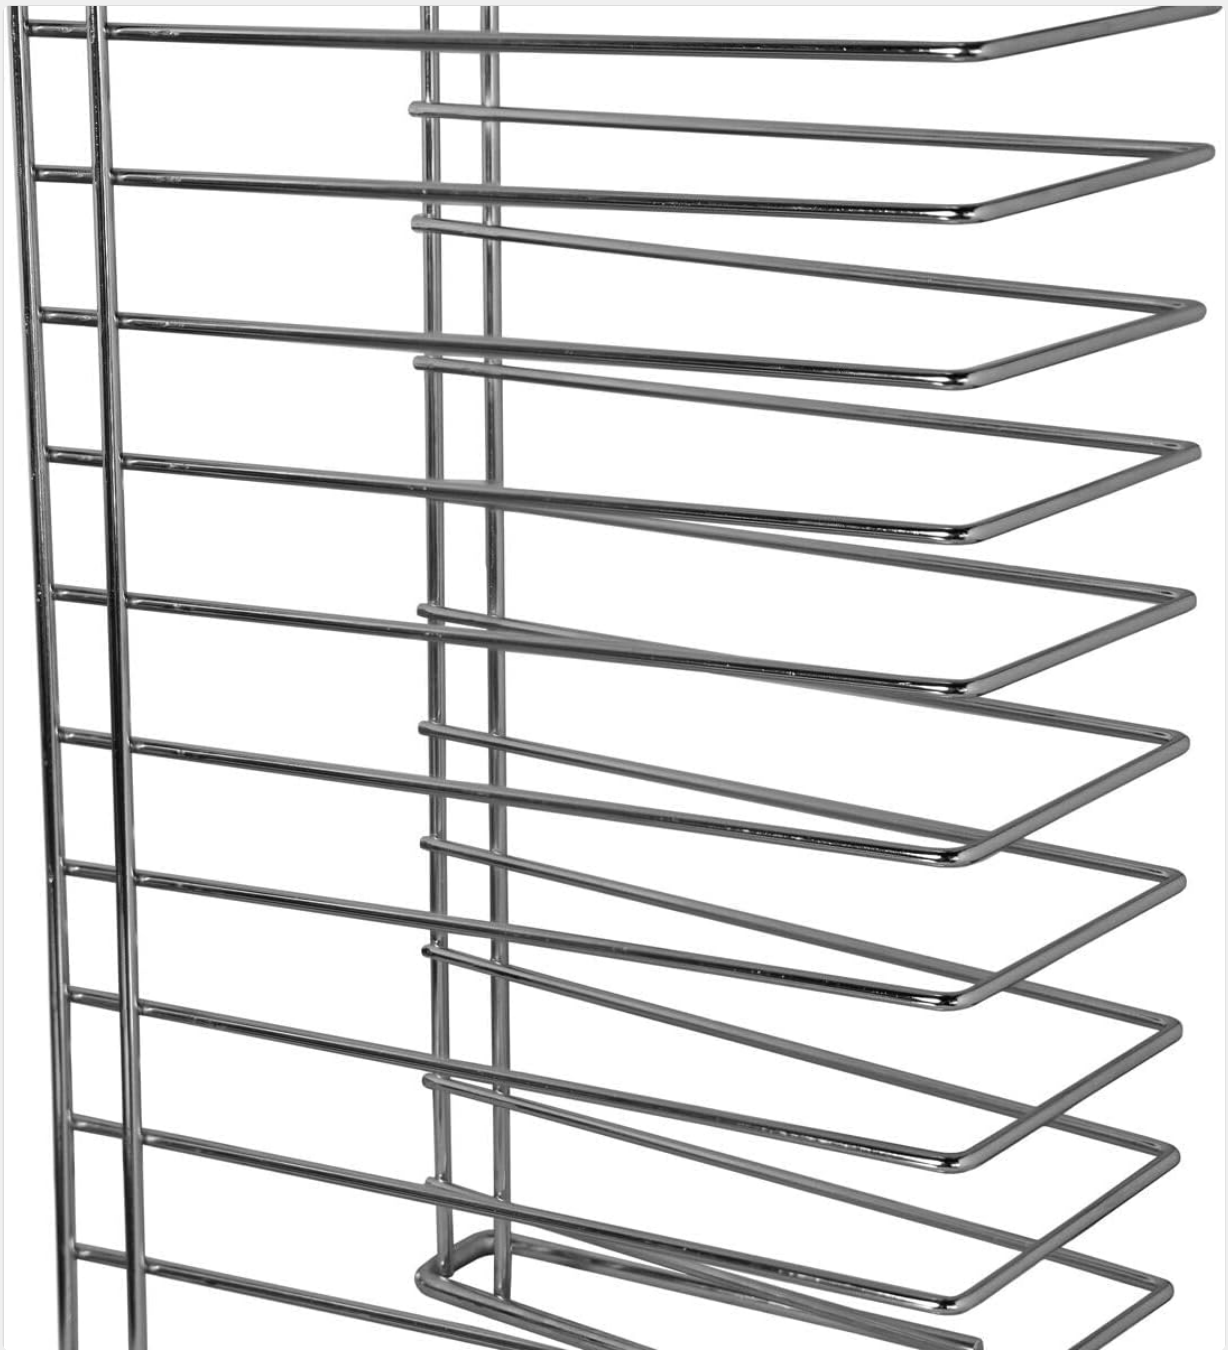

Figure 6: A detailed close-up of the slots on the GGM Gastro 6192 Pizza Plate Holder. This image provides a clear view of the stainless steel construction and the robust design of each individual plate support.

5. MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and hygiene of your GGM Gastro Pizza Plate Holder:

- **Cleaning:** The holder is made of high-quality stainless steel, which is easy to clean. Wipe down the holder regularly with a damp cloth and mild detergent.
- **Drying:** After cleaning, dry the holder thoroughly to prevent water spots and maintain its shine.
- **Dishwasher Safety:** This product is **NOT** suitable for dishwashers. Please clean by hand.
- **Inspection:** Periodically inspect the holder for any signs of wear or damage. Ensure all connections remain secure.

6. TROUBLESHOOTING

The GGM Gastro 6192 Pizza Plate Holder is a simple, robust product with minimal components, so troubleshooting is generally not required. However, consider the following if you encounter any issues:

- **Instability:** If the holder feels unstable, ensure it is placed on a completely flat and level surface. Check that all assembly connections are tightened securely.
- **Difficulty inserting plates:** Ensure you are using pizza plates that fit within the standard dimensions for the slots. Avoid forcing plates into slots.
