4. SETUP AND ASSEMBLY

Follow these steps to assemble your Relaxdays Football Goal Set:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Thread the Net:** Guide the goal net through the designated channels or loops on the goal frame poles. Ensure the net is evenly distributed.
3. **Connect Frame Sections:** Join the individual frame sections together. Push them firmly into place until they click or are fully seated.
4. **Secure with Screws:** Use the provided screws to firmly connect and stabilize the assembled frame sections. Ensure all screws are tightened.
5. **Attach Net to Frame:** Secure the net to the frame using any additional fasteners or ties provided, ensuring it is taut and properly attached.
6. **Anchor the Goal:** Place the assembled goal in your desired location. Use the included ground stakes (heringe) to anchor the goal firmly into the ground. This prevents the goal from tipping over during use.

Ensure a clear area around the goals to prevent accidents. Always use appropriate footballs for the size of the goal and players.

6. MAINTENANCE

To ensure the longevity and safety of your football goals, regular maintenance is recommended:

- **Cleaning:** Wipe down the metal frame with a damp cloth to remove dirt and debris. The polyester net can be rinsed with water.
- **Inspection:** Periodically check all frame connections, screws, and the net for any signs of wear, rust, or damage.
- **Storage:** For extended periods of non-use or during harsh weather conditions, it is advisable to

disassemble and store the goals indoors to protect them from elements and prolong their lifespan.

7. TROUBLESHOOTING

If you encounter any issues with your Relaxdays Football Goal Set, consider the following:

- **Goal Instability:** Ensure all frame connections are tight and the ground stakes are fully inserted into firm ground.
- **Damaged Net:** If the net is torn or significantly damaged, it should be replaced to maintain functionality and safety.
- **Missing Parts:** Double-check the package contents against the list in Section 3. If parts are genuinely missing, contact customer support.
