5. OPERATING INSTRUCTIONS

5.1 Auto Sleep/Wake Function

The case is equipped with a magnetic strip that enables the auto sleep/wake feature. Simply open the cover to wake your iPad and close it to put your iPad to sleep, conserving battery life.

5.2 Multi-Angle Viewing

To use the multi-angle viewing stand:

1. Fold the front cover backward to form a triangular stand.
2. Utilize the anti-slip stripes on the interior of the cover to secure your iPad at various viewing angles. This allows for comfortable typing, viewing, or drawing.

5.3 Using the Built-in Pencil Holder

Insert your Apple Pencil (USB-C) or Apple Pencil 1st Gen into the designated elastic loop on the side of the case. To remove the pencil, gently push it out through the hole located behind the holder.

5.4 Utilizing the Document Card Pocket

The integrated pocket on the inside of the front cover provides convenient storage for small items such as business cards, bank cards, notes, or small bills.

5.5 Accessing Touch ID and Ports

The case is designed with precise cutouts to ensure full access to the Touch ID sensor, charging port, volume buttons, and speakers without needing to remove the case.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Fintie case, follow these care instructions:

- Wipe the exterior synthetic leather with a soft, damp cloth to remove dust and smudges.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the material.
- Keep the case away from extreme heat or direct sunlight for prolonged periods to prevent material degradation.
- For the microfiber interior, a soft, dry cloth can be used to gently wipe away any debris.

7. TROUBLESHOOTING

If you encounter any issues with your Fintie case, consider the following:

- **Case not fitting correctly:** Double-check that your iPad model number matches the compatible models listed in Section 2. Ensure the iPad is fully seated and clipped into the case.
- **Auto sleep/wake not working:** Ensure the magnetic strip on the cover is clean and unobstructed. Verify that the iPad's "Lock/Unlock" setting (Settings > Display & Brightness > Lock/Unlock) is enabled.
- **Difficulty accessing ports/buttons:** Confirm that the iPad is correctly installed and aligned within the case. The precise cutouts should allow full access.

For further assistance, please refer to the support information in Section 9.
