3. Product Features

- **Precision Trackpad:** The integrated multi-touch trackpad supports iOS system gestures, allowing for precise and efficient navigation, similar to a laptop.
- **Detachable Magnetic Keyboard:** The keyboard can be easily attached or detached from the case, offering flexibility to use your iPad as a tablet or a laptop. The magnetic design ensures stable attachment during typing.
- **Multiple Viewing Angles:** The case features 3 integrated card slots supporting 110°, 120°, and 130° viewing angles, allowing you to adjust for optimal comfort.

- **Enhanced Typing Experience:** Ultra-thin design with scissor-foot key structure and wider keycaps provides a comfortable and responsive typing experience. Includes a full set of multimedia keys for easy control.
- **Dual Bluetooth Channels:** Connect and switch quickly between two devices using Fn+Q/W.
- **Long Battery Life:** Type-C rechargeable keyboard provides up to 70 hours of continuous use on a 2-3 hour charge.
- **Precise Cutouts & Protection:** Ensures full access to all ports, buttons, sensors, speakers, microphones, and cameras. Offers 360° superior protection against drops and falls.
- **Integrated Apple Pencil Holder:** A dedicated slot for your Apple Pencil ensures it is securely stored and easily accessible.

Image: A close-up showing the magnetic attachment points of the detachable keyboard to the case.

4. Setup: Connecting the Keyboard

Follow these steps to connect your Earto keyboard to your iPad via Bluetooth:

1. **Power On:** Locate the power switch on the keyboard and slide it to the "ON" position.
2. **Select Bluetooth Channel 1 (BT1):** Briefly press **FN + Q**. Then, press and hold **FN + Q** for 3 seconds until the blue indicator light flashes rapidly. This indicates the keyboard is in pairing mode for BT1.

3. **Select Bluetooth Channel 2 (BT2) (Optional):** Briefly press **FN + W**. Then, press and hold **FN + W** for 3 seconds until the green indicator light flashes rapidly. This indicates the keyboard is in pairing mode for BT2.
4. **Enable Bluetooth on iPad:** On your iPad, go to **Settings** > **Bluetooth** and ensure Bluetooth is turned **On**.
5. **Pair with Keyboard:** In the "Other Devices" list on your iPad's Bluetooth settings, select '**Bluetooth Keyboard**".
6. **Confirm Connection:** Once successfully paired, the "Bluetooth Keyboard" entry will move to "My Devices" and the indicator light on the keyboard will turn off.

Image: A visual guide demonstrating how to switch between two paired Bluetooth devices using the keyboard's FN+Q/W shortcuts.

5. Operating Instructions

5.1. Using the Precision Trackpad

The integrated trackpad supports multi-touch gestures for intuitive navigation within iOS. Common gestures include:

- **Single Finger Tap:** Left-click.
- **Two Finger Tap:** Right-click (context menu).
- **Two Finger Scroll:** Scroll up or down on pages.
- **Pinch to Zoom:** Zoom in or out on content.
- **Swipe with Three Fingers Up:** Open App Switcher.
- **Swipe with Three Fingers Down:** Return to Home Screen.

5.2. Switching Between Devices

If you have paired the keyboard with two different devices (e.g., an iPad and another tablet/laptop) using BT1 and BT2 channels, you can switch between them quickly:

- To switch to the device paired with Channel 1: Briefly press **FN + Q**.
- To switch to the device paired with Channel 2: Briefly press **FN + W**.

6. Maintenance and Charging

6.1. Charging the Keyboard

The keyboard is equipped with a built-in rechargeable Lithium-ion battery. To charge:

- Connect the provided Type-C charging cable to the keyboard's charging port.
- Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
- A full charge typically takes 2 to 3 hours.
- The keyboard can operate for up to 70 hours of continuous use on a full charge under normal conditions.

6.2. General Care

- Keep the keyboard and case clean by wiping with a soft, dry cloth.
- Avoid exposing the product to extreme temperatures, direct sunlight, or moisture.
- Do not use harsh chemicals or abrasive cleaners.
- Ensure the iPad is properly seated in the case to utilize its protective features.

7. Troubleshooting

7.1. Keyboard Not Connecting/Pairing

- **Check Power:** Ensure the keyboard is turned on and fully charged.
- **Re-enter Pairing Mode:** Follow the connection steps in Section 4 to put the keyboard back into pairing mode (rapidly flashing blue/green light).
- **iPad Bluetooth:** Verify that Bluetooth is enabled on your iPad and that "Bluetooth Keyboard" appears in the device list.
- **Forget Device:** If the keyboard was previously paired but isn't connecting, go to iPad Settings > Bluetooth, tap the "i" icon next to "Bluetooth Keyboard", and select "Forget This Device". Then, re-pair.
- **Restart Devices:** Restart both your iPad and the keyboard.

7.2. Trackpad Not Responding

- **Ensure Connection:** Confirm the keyboard is successfully connected via Bluetooth.
- **Check iPad Settings:** Go to iPad Settings > Accessibility > Touch > AssistiveTouch and ensure it's not interfering. Also check Settings > General > Trackpad & Mouse.
- **Restart:** Restart both the keyboard and iPad.

7.3. Keys Not Responding

- **Battery Level:** Ensure the keyboard has sufficient charge.
- **Bluetooth Connection:** Verify the Bluetooth connection is stable.
- **Clean Keys:** Check for any debris under the keys.

8. Specifications
