

LOVMOR S-B27-SD-US-DF

LOVMOR 27"W Shaker Dove Base Cabinet Instruction Manual

Brand: LOVMOR | Model: S-B27-SD-US-DF

1. INTRODUCTION

Thank you for choosing the LOVMOR 27"W Shaker Dove Base Cabinet. This manual provides detailed instructions for the safe assembly, installation, operation, and maintenance of your new cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This versatile cabinet is designed to enhance storage in various rooms, including kitchens, entryways, and bathrooms. It features a single drawer and an adjustable shelf for organized storage.

2. SAFETY INFORMATION

- Always assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or broken.
- Use appropriate tools and follow each step precisely to avoid injury or damage to the product.
- For stability, this cabinet is equipped with anti-tip screws. It is crucial to attach the cabinet securely to the wall to prevent accidental falls, especially in households with children or pets.
- Do not overload the drawer or shelves. Refer to the specifications for weight limits.
- Keep small parts and packaging materials away from children.

3. PACKAGE CONTENTS

Verify that all components listed below are included in your package. If any parts are missing, please contact customer support.

Component	Quantity
Cabinet Panels (Sides, Back, Base)	1 Set

Component	Quantity
Drawer Front & Sides	1 Set
Adjustable Shelf	1
Soft-Closing Hinges	2
Drawer Glides (Soft-Close)	1 Pair
Assembly Hardware (Screws, Dowels, etc.)	1 Set
Anti-Tip Screws & Wall Anchors	1 Set
Instruction Manual	1

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 40 minutes. Follow these steps carefully.

- 1. Prepare the Workspace:** Clear a spacious area and lay down a blanket or cardboard to protect the cabinet parts from scratches.
- 2. Assemble the Cabinet Frame:** Connect the side panels to the base and back panels using the provided hardware. Ensure all connections are secure.
- 3. Install Drawer Glides:** Attach the drawer glides to the interior side panels of the cabinet frame according to the instructions. Ensure they are level and properly aligned for smooth operation.
- 4. Assemble the Drawer:** Construct the drawer box using the drawer front, sides, and bottom panel. Secure all connections.
- 5. Insert the Drawer:** Carefully slide the assembled drawer onto the installed drawer glides. Test for smooth opening and closing. The soft-closing mechanism should engage.
- 6. Install Hinges on Door:** Attach the soft-closing hinges to the cabinet door.
- 7. Attach Door to Cabinet:** Mount the door to the cabinet frame using the installed hinges. Adjust as necessary for proper alignment and soft-closing function.
- 8. Install Adjustable Shelf:** Place the shelf supports at your desired height within the cabinet and then place the adjustable shelf on top.

5. SETUP AND INSTALLATION

After assembly, position the cabinet in its desired location. For enhanced stability and safety, especially in homes with children or pets, it is highly recommended to secure the cabinet to the wall using the provided anti-tip screws and wall anchors.

1. **Position the Cabinet:** Place the cabinet against the wall where it will be installed.
2. **Mark Wall for Anchors:** Using a pencil, mark the wall through the pre-drilled holes on the cabinet's back panel where the anti-tip screws will be installed.
3. **Drill Pilot Holes:** Drill pilot holes into the marked spots on the wall. Use appropriate drill bits for your wall type (e.g., drywall, stud). Insert wall anchors if drilling into drywall.
4. **Secure Cabinet:** Align the cabinet with the pilot holes and secure it to the wall using the anti-tip screws. Ensure the cabinet is stable and level.

6. OPERATING INSTRUCTIONS

Your LOVMOR base cabinet is designed for ease of use and efficient storage.

- **Drawer Operation:** The top drawer features soft-closing glides for quiet and smooth operation. Pull the drawer gently to open and push it to close. The soft-close mechanism will engage automatically.
- **Adjustable Shelf:** The interior shelf can be adjusted to different heights to accommodate various items. To adjust, remove any items from the shelf, lift the shelf, reposition the shelf supports to the desired height, and then place the shelf back onto the supports.
- **Door Operation:** The cabinet door is equipped with soft-closing hinges, preventing slamming and reducing wear. Open and close the door gently.

7. MAINTENANCE

Proper care will ensure the longevity and appearance of your LOVMOR cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the painted finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage, especially given the cabinet's waterproof properties.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Finish:** The cabinet features a durable, painted finish that is resistant to scratches and easy to clean. No additional painting or sealing is required.

The Material of HDF Plywood is Durable and Highly Resistant to Water, Crack and Warp

8. TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common problems and solutions:

- **Drawer or Door Not Closing Smoothly:** Check if the drawer glides or hinges are properly aligned and securely fastened. Adjust as needed. Ensure no obstructions are preventing full closure.
- **Cabinet Wobbles:** Verify that the cabinet is placed on a level surface. If not, use shims to stabilize. Ensure the anti-tip screws are securely fastened to the wall.
- **Missing Parts:** If any parts were missing upon delivery, please contact LOVMOR customer support immediately for assistance.

- **Difficulty Assembling:** Review the assembly instructions carefully. If you are still having trouble, consider seeking assistance from another person or contacting customer support.
