SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play, especially for younger users. Please keep all packaging materials away from children.

ASSEMBLY INSTRUCTIONS

The RiceBlock Retro Car Sedan Building Set comes with a detailed, step-by-step instruction booklet to guide you through the assembly process. Please follow the instructions carefully to ensure correct construction and stability of the model.

- 1. Unpack Components:** Carefully open the box and sort all the building pieces. It is recommended to organize pieces by color or type to facilitate assembly.
- 2. Review Instructions:** Before starting, familiarize yourself with the instruction booklet. Pay attention to the sequence of steps and the identification of specific parts.
- 3. Follow Step-by-Step:** Assemble the model by following the numbered steps in the instruction booklet. Each step illustrates the parts required and their placement.
- 4. Secure Connections:** Ensure all bricks are firmly pressed together to create secure connections. This

will ensure the structural integrity of the finished model.

5. **Verify Completion:** After completing all steps, double-check your model against the images in the instruction booklet to ensure all parts are correctly placed.

MAINTENANCE

To keep your RiceBlock Retro Car Sedan model in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping of the plastic pieces.
- **Handling:** Handle the model with care, especially when moving it, to prevent accidental detachment of parts.

TROUBLESHOOTING

If you encounter any issues during the assembly or use of your RiceBlock Retro Car Sedan Building Set, consider the following common solutions:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, please contact RiceBlock customer support with details of the missing part (refer to the instruction booklet for part identification).

- **Difficulty Connecting Pieces:** Ensure that you are using the correct pieces for each step as indicated in the instructions. Apply firm, even pressure when connecting bricks.
- **Model Instability:** Review the assembly steps to ensure all connections are secure and no steps were missed. Loose connections can lead to an unstable model.
- **Damaged Parts:** If any parts are damaged upon arrival, please contact customer support for assistance.
