Cecotec Xqueeze RetroJuice 1000 Electric Citrus Juicer Instruction Manual

Model: RetroJuice 1000 (03891)

1. SAFETY INSTRUCTIONS

Please read these instructions carefully before using the appliance and keep them for future reference. Failure to follow these instructions may result in accidents or damage to the product.

- Ensure the voltage indicated on the appliance matches your local mains voltage before connecting.
- Do not immerse the motor unit in water or any other liquid.
- Keep hands and utensils away from moving parts during operation to prevent injury.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.
- Unplug the appliance from the power outlet before cleaning, assembling, or disassembling parts.
- Do not operate the appliance if the power cord or plug is damaged, or if the appliance malfunctions or has been damaged in any manner.
- Use only original accessories and spare parts provided by the manufacturer.

2. PRODUCT OVERVIEW

The Cecotec Xqueeze RetroJuice 1000 is an electric citrus juicer designed for efficient juice extraction from oranges and other citrus fruits. It features a powerful 1000 W motor, a durable stainless steel filter, and an anti-drip system for clean operation.

Image: The Cecotec Xsqueeze RetroJuice 1000 Electric Citrus Juicer in beige, shown with a glass of freshly squeezed juice and various citrus fruits.

Components:

- Motor Unit (Base)
- Juice Collection Container (500 ml capacity)
- Stainless Steel Filter
- Large Stainless Steel Cone
- Small Plastic Cone
- Pressing Lever
- Anti-drip Spout

Image: An exploded view illustrating the various detachable components of the juicer, including the two cones, filter, and pressing arm.

3. SETUP AND ASSEMBLY

Before first use, ensure all removable parts are clean.

1. Unpack all components and remove any packaging materials.
2. Wash the juice collection container, filter, and both cones with warm soapy water. Rinse thoroughly and dry.
3. Place the juice collection container onto the motor unit base.
4. Insert the stainless steel filter into the juice collection container.
5. Select the appropriate cone (large for oranges/grapefruits, small for lemons/limes) and place it onto the filter.
6. Ensure the anti-drip spout is in the closed position (upwards) if you wish to collect juice before dispensing.

Image: The assembled juicer on a kitchen counter, surrounded by fresh citrus fruits and the two interchangeable juicing cones.

4. OPERATING INSTRUCTIONS

Follow these steps to extract juice efficiently:

1. Ensure the juicer is correctly assembled and plugged into a power outlet.
2. Cut the citrus fruit in half.
3. Place a fruit half onto the selected cone.
4. Lower the pressing lever firmly onto the fruit. The motor will activate automatically upon pressure.
5. Apply steady downward pressure until all juice is extracted.
6. Lift the lever to stop the motor.
7. To dispense juice, push the anti-drip spout downwards. To stop the flow, push it upwards.
8. Repeat the process for additional fruit.

Image: A close-up view of the juicer actively extracting juice from an orange half, demonstrating the juicing process.

Image: A user's hand applying pressure to the juicer's lever, illustrating the manual operation for juice extraction.

5. MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and extends the life of your juicer.

- Always unplug the appliance before cleaning.
- Disassemble all removable parts: the pressing lever, cones, filter, and juice collection container.
- The non-electrical parts (cones, filter, juice container) are dishwasher safe. Alternatively, wash them by hand with warm soapy water and a soft brush to remove pulp residue. Rinse thoroughly.
- Wipe the motor unit base with a damp cloth. Do not immerse the motor unit in water.
- Ensure all parts are completely dry before reassembling or storing the appliance.
- Do not use abrasive cleaning agents or scouring pads, as these can damage the surfaces.

6. TROUBLESHOOTING

If you encounter any issues with your juicer, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Juicer does not turn on.	Not plugged in; power outage; appliance not assembled correctly; insufficient pressure on lever.	Check power connection; verify power supply; ensure all parts are correctly assembled; apply firm pressure to the lever.
Poor juice extraction.	Fruit not cut properly; incorrect cone size; filter clogged.	Cut fruit in half; use the appropriate cone for the fruit size; clean the filter.
Excessive noise during operation.	Parts not assembled correctly; foreign object.	Reassemble parts ensuring they are secure; check for any foreign objects and remove them.
Juice leaks from the spout.	Anti-drip spout not in closed position.	Ensure the anti-drip spout is pushed upwards to close.

7. SPECIFICATIONS

Technical details for the Cecotec Xqueeze RetroJuice 1000 Electric Citrus Juicer:

- **Brand:** Cecotec
- **Model Number:** 03891
- **Color:** Beige
- **Product Dimensions (L x W x H):** 25 x 18 x 31 cm
- **Item Weight:** 10 Kilograms
- **Capacity:** 500 Milliliters
- **Max Power:** 1000 Watts
- **Voltage:** 230 Volts (AC)
- **Material:** Glass (for certain components, likely the juice container)
- **Special Feature:** Portable
- **Care Instructions:** Dishwasher safe (non-electrical parts)

8. WARRANTY AND CUSTOMER SUPPORT

This product comes with a manufacturer's warranty. Please refer to the warranty card included in the packaging for specific terms and conditions, including the warranty period and coverage.

For technical assistance, spare parts, or any inquiries regarding your Cecotec Xqueeze RetroJuice 1000, please contact Cecotec customer support through their official website or the contact information provided in your product documentation.

Keep your proof of purchase for warranty claims.
