DELIPOP X30816304-S3

DELIPOP Modern LED Ceiling Light Fixture (Model X30816304-S3) Instruction Manual

Brand: DELIPOP | Model: X30816304-S3

PRODUCT OVERVIEW

The DELIPOP Modern LED Ceiling Light Fixture is designed with a creative curved aesthetic, providing efficient and eye-friendly illumination for various indoor spaces. This 19W fixture emits 6500K cool white light, making it suitable for hallways, bedrooms, kitchens, living rooms, and dining rooms.

- **Unique Design:** Composed of an aluminum base, intelligent driver, acrylic lampshade, and three LED panels for a modern and durable fixture.
- **Eye Protection:** Built-in LED integrated lamp beads ensure even, flicker-free, and non-dazzling light, promoting eye comfort.
- **Energy Efficient:** 19W power consumption with 1850 lumens output, offering 90% energy savings.
- **Wide Application:** Illuminates areas of 40-100 square feet, ideal for various rooms.

SAFETY INFORMATION

Please read all instructions carefully before installation and use. Retain this manual for future reference.

- Always disconnect power at the circuit breaker before installation or maintenance.
- Installation should be performed by a qualified electrician if you are unsure about electrical wiring.
- Ensure the mounting surface can support the weight of the fixture.
- Do not modify the fixture or its components.
- This fixture is designed for indoor use only.

SETUP AND INSTALLATION

Follow these steps for proper installation of your DELIPOP LED Ceiling Light Fixture. Refer to the provided video and

image for visual guidance.

1. **Step 1: Prepare the LED Boards.** Fix the three LED boards securely to the base of the fixture.
2. **Step 2: Mount the Base Clamps.** Securely fix the base clamps to the ceiling in the desired location.
3. **Step 3: Connect the Wires.** Connect the electrical wires from the fixture to your household wiring according to local electrical codes. Ensure proper grounding.
4. **Step 4: Attach the Lamp Body.** Fix the main lamp body to the installed base clamps on the ceiling.

MAINTENANCE

To ensure the longevity and optimal performance of your DELIPOP LED Ceiling Light Fixture, follow these simple maintenance guidelines:

- **Cleaning:** Disconnect power before cleaning. Use a soft, dry cloth to wipe the fixture. For stubborn marks, a slightly

damp cloth with mild soap can be used, followed by drying thoroughly. Avoid abrasive cleaners or solvents.

- **Inspection:** Periodically check for any loose connections or damage to the wiring or fixture components.
- **LEDs:** The integrated LED lamp beads are designed for long life and are not user-replaceable.

TROUBLESHOOTING

If you encounter any issues with your DELIPOP LED Ceiling Light Fixture, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on.	No power supply. Loose wiring connection. Faulty wall switch.	Check circuit breaker. Ensure all wires are securely connected (power off first). Test the wall switch with another device.
Light flickers.	Unstable power supply. Loose connection.	Ensure stable power. Check wiring connections (power off first).
Light is dim.	Incorrect voltage. Dust accumulation on lampshade.	Verify voltage matches specifications. Clean the lampshade.

If the problem persists after attempting these solutions, please contact DELIPOP customer support.

SPECIFICATIONS

Brand	DELIPOP
Model Number	X30816304-S3
Material	Aluminum, Acrylic (lampshade)
Style	Modern, Curved Design
Light Source	Integrated LED
Wattage	19 Watts
Brightness	1850 Lumens
Color Temperature	6500K Cool White
Voltage	110 Volts
Beam Angle	120°
CRI	85+
Dimensions (L x W x H)	16.93"L x 16.93"W x 4.92"H
Item Weight	0.68 Kilograms
Installation Type	Semi Flush Mount
Indoor/Outdoor Usage	Indoor

Included Components

Light kit included
