2. PACKAGE CONTENTS

Your LaVie Home Picture Frame package includes the following:

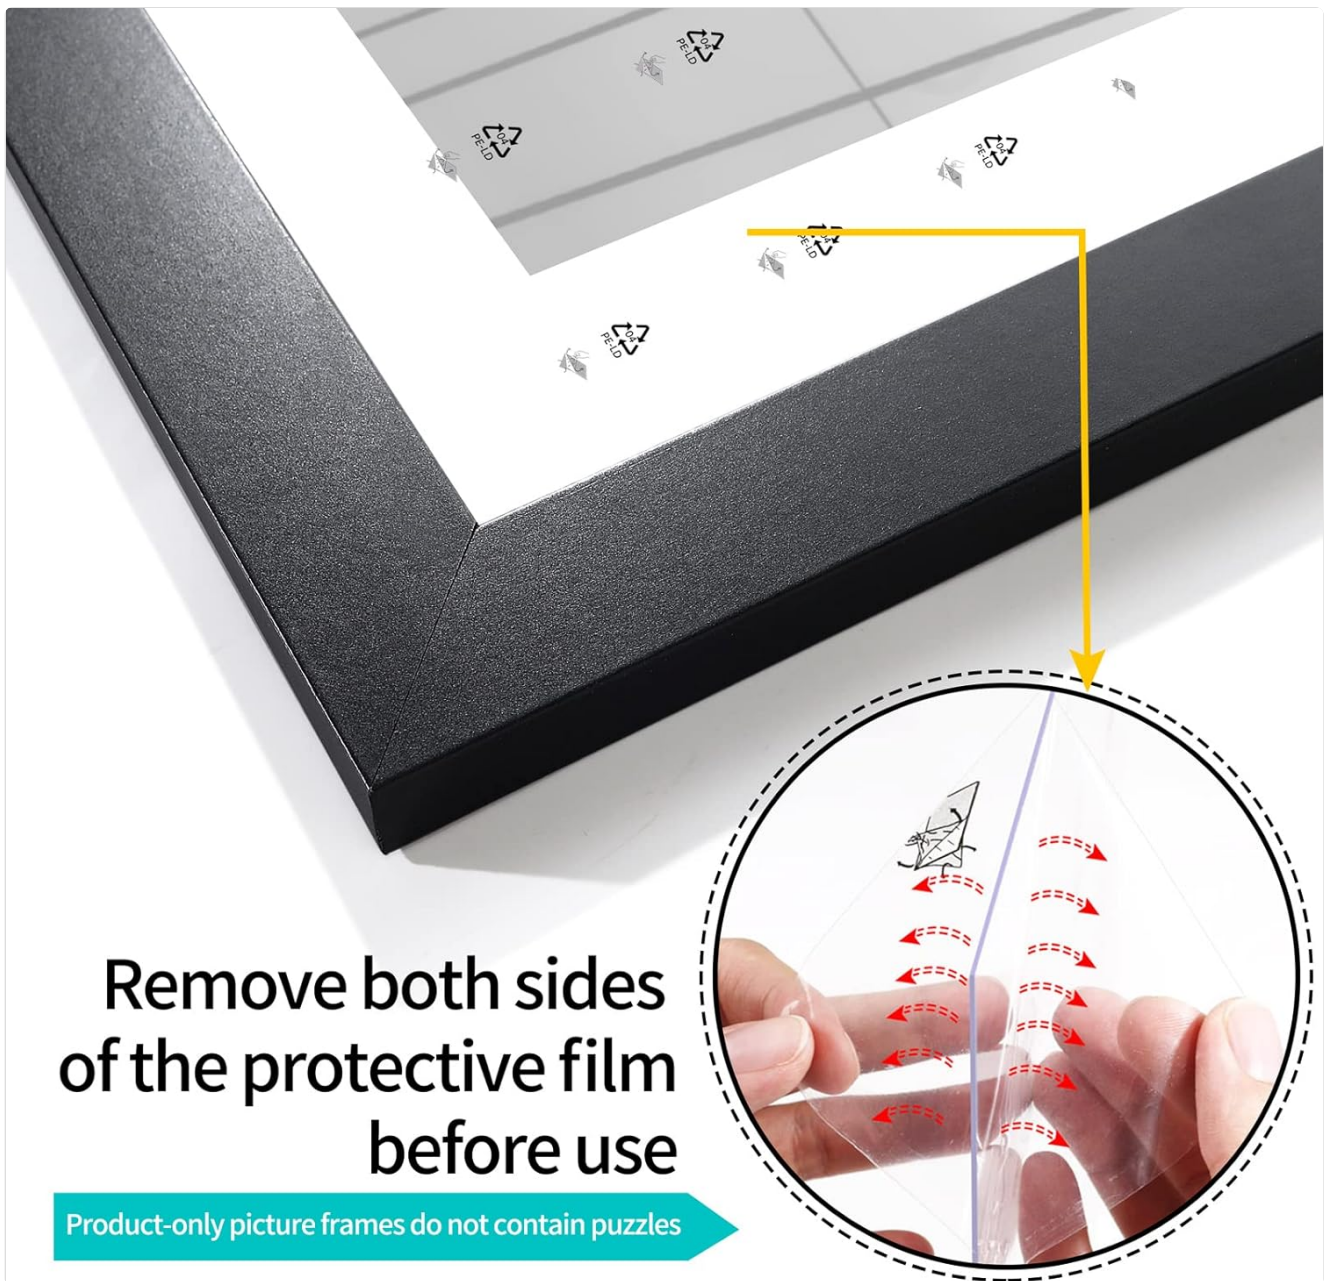

- 1 x LaVie Home 19.7x27.6 Black Picture Frame
- 1 x Clear Plexiglass Cover (with protective film on both sides)
- 1 x Sturdy Engineered Wood Backboard
- Pre-installed Metal Hangers and Swivel Tabs

3. SETUP AND INSTALLATION

Follow these steps to prepare and install your picture frame:

3.1 Unpacking and Preparation

1. Carefully remove the frame from its protective packaging. Inspect for any damage during transit.
2. Lay the frame face down on a clean, flat surface.
3. Locate the swivel tabs on the backboard. Rotate these tabs to release the backboard.
4. Gently lift and remove the backboard and the clear plexiglass cover.
5. **Important:** The plexiglass cover has a protective film on both sides to prevent scratches. This film must be removed before use for optimal clarity.

To make it easier, it is suggested to lay the plexiglass flat and then tear open the film from a corner. Ensure both sides are completely clear after removal.

3.2 Inserting Your Artwork

6. Place your desired artwork, photo, or puzzle into the frame, ensuring it is centered and aligned. The frame is designed to fit 19.7x27.6 inch items.
7. Carefully place the cleaned plexiglass cover over your artwork.
8. Position the engineered wood backboard over the plexiglass and artwork.
9. Secure the backboard by rotating the swivel tabs back into their locked position.

3.3 Mounting the Frame

Your frame can be mounted on a wall or placed on a tabletop.

Wall Mounting:

The frame comes with pre-installed metal hangers that allow for both portrait (vertical) and landscape (horizontal) orientation.

- Determine your desired orientation (portrait or landscape).
- Measure the distance between the two corresponding hangers on the back of the frame.
- Mark the wall at the desired height and position, ensuring the marks match the measured distance.
- Install appropriate wall anchors and screws (not included) at the marked positions.
- Carefully hang the frame onto the installed screws, ensuring it is level and secure.

Tabletop Display:

For tabletop display, the frame may feature an easel back (check your specific model). Simply extend the easel stand on the back of the frame and place it on a flat surface.

5. MAINTENANCE AND CARE

To keep your LaVie Home Picture Frame looking its best:

- Clean the plexiglass cover with a soft, lint-free cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for acrylic or plastic. Avoid glass cleaners containing ammonia, as they can damage plexiglass.
- Wipe the frame molding with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive materials.
- Ensure the frame is not exposed to extreme temperatures or direct sunlight for prolonged periods, which can cause fading or warping.

6. TROUBLESHOOTING

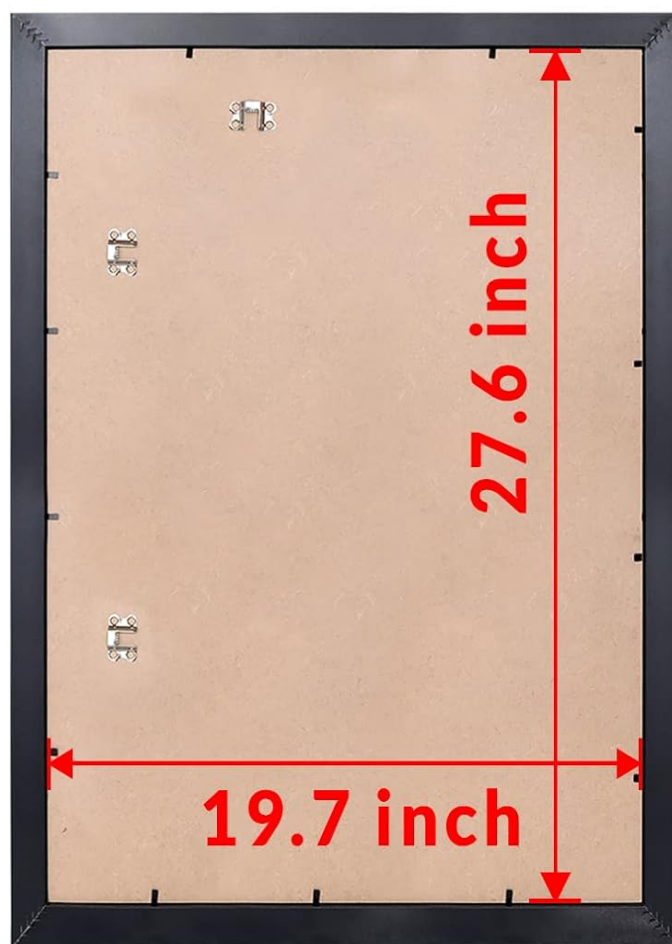

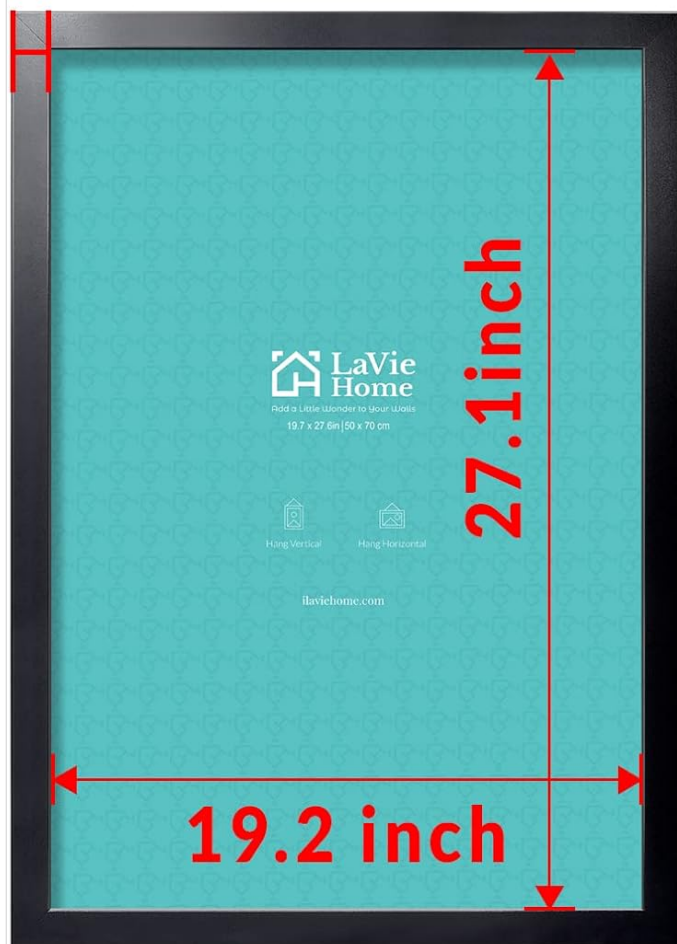

Problem	Possible Cause	Solution
Plexiglass appears cloudy or scratched.	Protective film not removed. / Scratches from improper cleaning.	Ensure protective film is completely removed from both sides. Clean with a soft cloth and appropriate cleaner.
Artwork is not fitting correctly.	Incorrect artwork size.	Verify artwork dimensions are 19.7x27.6 inches.
Frame is not hanging straight.	Unevenly spaced wall anchors/screws.	Re-measure and adjust wall anchors/screws to ensure they are level and correctly spaced for the hangers.
