### Yaheetech YT-00119261-001

# Yaheetech Bar Stools User Manual

Model: YT-00119261-001 | Brand: Yaheetech

## 1. INTRODUCTION

Thank you for choosing Yaheetech Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before use and retain them for future reference.

These modern counter stools are designed for comfort and versatility, featuring adjustable height, a 360-degree swivel seat, and a sturdy construction suitable for various settings like bars, kitchens, and dining rooms.

## 2. SAFETY INFORMATION

To ensure safe use of your bar stools, please observe the following guidelines:

- **Maximum Weight Capacity:** Do not exceed the maximum weight capacity of 330 pounds (150 kg) per stool. Overloading can cause damage or injury.
- **Stable Surface:** Always place the bar stools on a flat, stable, and level surface to prevent tipping.
- **Children Safety:** Keep children away from the stools during assembly. Do not allow children to play on or around the stools unsupervised.
- **Regular Checks:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Standing:** Do not stand on the stools. They are designed for seating only.
- **Sudden Movements:** Avoid sudden or forceful movements when adjusting height or swiveling, especially when seated.
- **Proposition 65 Warning:** **WARNING:** This product can expose you to chemical Di(2-ethylhexyl)phthalate (DEHP) and Lead which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/furniture](http://www.P65Warnings.ca.gov/furniture).

## 3. PRODUCT OVERVIEW

The Yaheetech Bar Stools are designed for comfort and durability, featuring a modern aesthetic and practical functionalities.

### Key Features:

- **Rotatable Seat & Adjustable Height:** 360° rotating seat and adjustable height from 21.7 to 29.9 inches, suitable for counter and bar tables.
- **Comfortable Seating:** Features a 14.6-inch high backrest, 2.8-inch thick foam cushion, and a half-round footrest for optimal support.
- **Enhanced Stability:** Enlarged 16.1-inch diameter electroplated metal base with an anti-slip rubber ring for improved safety and durability.
- **Premium Materials:** Soft PU leather upholstery and high-density foam padding ensure comfort and resistance to deformation.

## Components:

- Seat with Backrest
- Gas Lift Cylinder
- Base Plate
- Footrest Ring
- Height Adjustment Lever

## 4. SETUP AND ASSEMBLY

Assembly of your Yaheetech Bar Stools is designed to be quick and straightforward, typically taking under 10 minutes per chair. All necessary accessories and instructions are included in the packaging.

### Assembly Steps:

1. Carefully unpack all components and verify against the parts list provided in your package.
2. Insert the gas lift cylinder into the center hole of the base plate. Ensure it is seated firmly.
3. Place the footrest ring over the top of the gas lift cylinder.
4. Align the seat assembly with the top of the gas lift cylinder and press down firmly until it clicks into place.
5. Test the stability and height adjustment mechanism before full use.

## 5. OPERATING INSTRUCTIONS

---

Your Yaheetech Bar Stools are designed for ease of use and adaptability.

### Height Adjustment:

- To raise the seat: While standing, pull the height adjustment lever upwards. The seat will rise automatically. Release the lever when the desired height is reached.
- To lower the seat: While seated, pull the height adjustment lever upwards. The seat will lower under your weight. Release the lever when the desired height is reached.

### Swivel Function:

- The seat can rotate 360 degrees. Simply turn the seat in the desired direction. This feature allows for easy movement and interaction without needing to reposition the entire stool.

### Footrest Usage:

- Utilize the built-in footrest ring for comfortable leg support, especially when the stool is set to a higher position.

## 6. MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Yaheetech Bar Stools.

- Cleaning:** For general cleaning, wipe the PU leather upholstery and metal parts with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the finish.
- Spills:** In case of spills, wipe them immediately with a clean, dry cloth to prevent staining.
- Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause the PU leather to fade or crack over time.
- Component Check:** Periodically inspect all screws, bolts, and connections to ensure they are secure. Tighten any loose fittings to maintain stability and safety.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your bar stools, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Stool wobbles or is unstable.	Loose connections; uneven floor.	Ensure all bolts and screws are tightened. Move the stool to a level surface.
Height adjustment not working.	Gas lift cylinder issue; lever mechanism stuck.	Check if the lever is fully engaged. Ensure no obstructions around the gas lift. If the issue persists, contact customer support.
Squeaking noise during swivel.	Lack of lubrication; loose components.	Apply a small amount of silicone-based lubricant to the swivel mechanism. Check and tighten all connections.

## 8. SPECIFICATIONS
