PRODUCT FEATURES

- **Ergonomic Design:** Provides 5 supporting points (head/shoulder/back/hips/hands) and proper lumbar support for correct sitting posture, reducing pressure and relieving shoulder and neck pain.
- **Flexible Adjustable Functions:** Easily adjust height and tilt angles. Lumbar support adapts to various body shapes.
- **Breathable Mesh Fabric:** Allows air circulation to keep you cool and comfortable. Features collapse-resistant, high-density foam for comfort and breathability.
- **Reliable Construction:** Equipped with silent PU casters to protect floors, a sturdy three-stage air rod, and a thickened explosion-proof base plate. Supports up to 300 lbs.
- **Flip-up Armrests:** 90-degree flip-up armrests offer flexibility for various desk heights and user preferences.

Ergonomic Design

Provides 4 supporting points(shoulder/back/ hips/ hands) and an proper lumbar support and relieve yourself.

SETUP AND ASSEMBLY

The FelixKing Office Chair is designed for straightforward assembly, typically taking about 15-20 minutes. All necessary tools and parts are included in the package.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included instruction guide.
2. Attach the casters to the chair base.
3. Insert the gas lift cylinder into the center of the base.
4. Secure the chair mechanism to the underside of the seat cushion.
5. Attach the backrest to the seat assembly.
6. Connect the armrests to the seat and backrest.

7. Place the assembled seat onto the gas lift cylinder.

Simple Installation Steps

You can build it up only about 15 minutes following the pack instruction. Make you effortless!

OPERATING INSTRUCTIONS

Chair Adjustments:

- **Seat Height Adjustment:** Locate the lever under the right side of the seat. Pull the lever up to raise the seat; sit on the chair and pull the lever up to lower the seat. Release the lever at the desired height.
- **Tilt Function:** Pull the lever under the left side of the seat outwards to enable the rocking function. Push the lever inwards to lock the backrest in an upright position.
- **Tilt Tension Adjustment:** Rotate the round knob located under the front-center of the seat to adjust the tension of the rocking function. Turn clockwise for more tension (firmer rock) and counter-clockwise for less tension (looser rock).
- **Lumbar Support Adjustment:** The lumbar support on the backrest can be adjusted vertically. Gently push or pull the lumbar support mechanism up or down to find your preferred position.
- **Flip-up Armrests:** The armrests can be flipped up 90 degrees by rotating them upwards. This allows the chair to be pushed closer to a desk or provides more space when not needed.

Rocking Function

Thoughtful design for you

Pull outwards the rod make it swing and push inwards can lock it.

PU castors, quiet without damage.

Rotate the knob to adjust the tension of the backrest.

MAINTENANCE

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals that may damage the mesh or fabric.
- **Caster Care:** Regularly check casters for hair or debris and clean as needed to ensure smooth rolling and floor protection.
- **Fastener Check:** Periodically inspect all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability and safety.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 300 pounds to prevent damage and ensure longevity.

TROUBLESHOOTING

If you encounter any issues with your FelixKing Office Chair, please refer to the following common solutions:

- **Chair not adjusting height:** Ensure the gas lift lever is fully engaged and that there is no obstruction. If the issue persists, the gas lift cylinder may need replacement.
- **Chair wobbles:** Check all assembly screws and bolts to ensure they are securely tightened. Ensure the chair is on a flat, even surface.
- **Casters not rolling smoothly:** Inspect casters for accumulated debris (hair, lint) and clean thoroughly.
- **Backrest not tilting:** Verify the tilt lock lever is disengaged. Adjust the tilt tension knob to a looser setting if the backrest feels too stiff.

For further assistance, please contact FelixKing after-sales service.
