BLANCO Diamond 60/40 Low Divide Double Bowl Kitchen Sink (Model 443102) User Manual

INTRODUCTION

This manual provides essential information for the installation, operation, maintenance, and troubleshooting of your BLANCO Diamond 60/40 Low Divide Double Bowl Kitchen Sink, Model 443102. Manufactured from durable SILGRANIT granite composite, this sink is designed for longevity and ease of use in your kitchen.

PRODUCT OVERVIEW

The BLANCO Diamond 60/40 Low Divide Double Bowl Kitchen Sink combines functionality with robust construction. Key features include:

- **Patented SILGRANIT Material:** Engineered to be heat, scratch, stain, chip, and impact resistant.
- **Hygienic+Plus Surface Technology:** Provides a protective shield against liquids and dirt, promoting a cleaner surface.
- **Convenient Low Divide:** Positioned 5-1/2 inches above the sink basin, facilitating the handling of large pots and baking sheets.
- **Undermount Installation:** Designed for seamless integration with countertops, simplifying cleanup around the rim.

SETUP AND INSTALLATION

The BLANCO Diamond 60/40 Low Divide Double Bowl Kitchen Sink is designed for undermount installation. A template is included to assist with countertop cutout. For optimal results and to ensure proper sealing and functionality, professional installation is highly recommended.

For detailed installation instructions, please refer to the official [Installation Manual \(PDF\)](#) provided by BLANCO.

OPERATING INSTRUCTIONS

This kitchen sink is designed for standard kitchen use, including washing dishes, preparing food, and general cleaning tasks. The low divide feature allows for easier maneuvering of larger items such as baking sheets and oversized pots between the two bowls, enhancing versatility.

Ensure proper drainage by keeping the drain clear of large food particles. Basket strainers (sold separately) are recommended to prevent clogs.

MAINTENANCE AND CARE

To maintain the appearance and longevity of your BLANCO SILGRANIT sink, follow these care guidelines:

- **Daily Cleaning:** Clean the sink regularly with mild soap and water. Use a soft cloth or sponge.
- **Product Care Instructions:** Hand wash only. Avoid using abrasive cleaners, steel wool, or harsh

chemicals, as these can damage the SILGRANIT surface.

- **Stain Removal:** For stubborn stains, a diluted solution of bleach or a non-abrasive cleaner specifically designed for granite composite sinks can be used. Always rinse thoroughly after cleaning.
- **Heat Resistance:** While SILGRANIT is heat resistant, it is advisable to use trivets or hot pads for extremely hot cookware to prevent potential thermal shock or discoloration over time.
- **Hygienic+Plus Surface:** The non-porous surface naturally resists bacteria and dirt, making it easy to keep clean and hygienic.

TROUBLESHOOTING

If you encounter issues with your sink, consider the following common solutions:

- **Slow Drainage:** Check for obstructions in the drain. Remove any food particles or debris. If the issue persists, the plumbing trap may require cleaning.
- **Water Spots:** These are common in hard water areas. Wipe the sink dry after each use to minimize mineral buildup. A vinegar solution can help remove existing water spots.
- **Discoloration/Stains:** Refer to the Maintenance section for stain removal tips. Ensure you are not using harsh chemicals that could cause permanent damage.

For issues not resolved by these steps, please contact BLANCO customer support.

SPECIFICATIONS

Attribute	Detail
Brand	BLANCO
Model Number	443102
Color	Volcano Gray
Material	Granite Composite, SILGRANIT
