Samsung SM-S908

Samsung Galaxy S22 Ultra 5G User Manual

Model: SM-S908

INTRODUCTION

This manual provides essential information for the safe and efficient use of your Samsung Galaxy S22 Ultra 5G smartphone. Please read this manual thoroughly before operating the device to ensure proper functionality and to prevent damage.

The Samsung Galaxy S22 Ultra 5G (SM-S908) is a high-performance smartphone featuring a built-in S Pen, advanced camera capabilities with Nightography, and a long-lasting battery. This device is designed for international use and is GSM unlocked.

PACKAGE CONTENTS

Upon opening your Samsung Galaxy S22 Ultra 5G package, verify that all the following items are present:

- Samsung Galaxy S22 Ultra 5G Smartphone
- USB Cable
- SIM Tray Ejector Tool

Note: Other accessories such as a power adapter or headphones may be sold separately.

SETUP

1. Inserting the SIM Card

The Samsung Galaxy S22 Ultra 5G uses a Nano-SIM card. Follow these steps to insert your SIM card:

1. Locate the SIM card tray on the side of your device.
2. Insert the SIM tray ejector tool into the small hole next to the tray and push gently until the tray pops out.
3. Place your Nano-SIM card onto the tray with the gold contacts facing down. Ensure it fits securely.
4. Carefully reinsert the tray into the slot until it clicks into place.

2. Initial Power On and Setup Wizard

To power on your device for the first time:

1. Press and hold the Power/Side key until the Samsung logo appears.
2. Follow the on-screen instructions to complete the initial setup, which includes selecting your language, connecting to Wi-Fi, signing into your Google account, and setting up security features.

OPERATING YOUR DEVICE

Basic Navigation

- **Touchscreen Gestures:** Tap, double-tap, swipe, pinch-to-zoom are standard gestures for interacting with the display.
- **Home Screen:** Your central hub for apps and widgets. Swipe left or right to access additional screens.
- **Notification Panel:** Swipe down from the top of the screen to access quick settings and notifications.

Using the S Pen

The Galaxy S22 Ultra 5G features an integrated S Pen for enhanced productivity and creativity.

- **Removing the S Pen:** Gently press the end of the S Pen to release it from its slot at the bottom of the device.
- **Air Command:** When the S Pen is removed, the Air Command menu automatically appears, offering quick access to features like Create note, Smart select, Screen write, and Live messages.
- **Writing and Drawing:** Use the S Pen directly on the screen for precise input, note-taking, and drawing.

Camera Features (Nightography)

The device's camera system includes advanced Nightography features for capturing clear and vibrant photos and videos in low-light conditions.

- **Accessing Camera:** Tap the Camera app icon from the home screen or lock screen.
- **Night Mode:** Select "Night" mode within the camera app for optimized low-light photography. The camera automatically adjusts settings to capture more light and detail.
- **Zoom Capabilities:** Utilize the optical and digital zoom features, including the 100x Space Zoom, for distant subjects.

MAINTENANCE

Battery Care

- To maximize battery life, avoid exposing the device to extreme temperatures.
- Use only Samsung-approved chargers and cables.
- For optimal long-term battery health, try to keep the charge level between 20% and 80%.

Cleaning Your Device

- Use a soft, lint-free cloth to clean the screen and body of the phone.
- Avoid using harsh chemicals, abrasive materials, or compressed air.
- If necessary, slightly dampen the cloth with water or a screen cleaner specifically designed for electronics.

Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. You can usually find this option in *Settings > Software update*.

TROUBLESHOOTING

Common Issues and Solutions

Device Not Turning On:

Ensure the battery is charged. Connect the device to a charger for at least 10 minutes before attempting to power it on again. If it still doesn't turn on, perform a forced restart by holding the Volume Down button and the Power/Side button simultaneously for more than 7 seconds.

Poor Cellular Connection:

Check if your SIM card is properly inserted. Verify that Airplane mode is off. Try restarting the device. If issues persist, contact your mobile carrier to confirm network coverage in your area or to check your account status.

Apps Crashing or Freezing:

Close and reopen the app. Clear the app's cache (*Settings > Apps > [App Name] > Storage > Clear cache*). Ensure the app and your device's operating system are up to date. If the problem persists, consider uninstalling and reinstalling the app.

Battery Draining Quickly:

Reduce screen brightness, disable unnecessary features like GPS or Wi-Fi when not in use, and close

background apps. Check battery usage in *Settings > Battery and device care > Battery* to identify power-consuming apps.

For more detailed troubleshooting or persistent issues, refer to the official Samsung support website or contact customer service.
