

**GreenLaw Y168**

# GreenLaw Keyboard Case User Manual

Model: Y168

## INTRODUCTION

This manual provides instructions for the GreenLaw Keyboard Case, designed for iPad 11th Generation (A16, 2025) and iPad 10th Generation (2022). It features a stain-resistant cover, 7-color backlit keyboard, detachable design, touchpad, and pencil holder, aiming to enhance your iPad experience.

Image: The GreenLaw Keyboard Case in blue, shown with an iPad inserted and the keyboard detached, ready for use.

## COMPATIBILITY

This keyboard case is engineered for the following iPad models:

- iPad 11th Generation (A16) 2025
- iPad 10th Generation 2022 (Model: A2696/A2777/A2757)

Please verify your iPad's model number on the back of the device to ensure compatibility before use.

## WHAT'S IN THE Box

Upon opening the package, you should find the following items:

- Keyboard Case
- USB Cable
- User Manual (this document)

*Note: The iPad itself is not included in the package.*

## PRODUCT FEATURES

The GreenLaw Keyboard Case offers several features designed to enhance your iPad experience:

- **Customizable Backlit Keyboard:** Features 7 vibrant backlight colors and 3 adjustable brightness levels for optimal typing in various lighting conditions.
- **Effortless Maintenance with Stain-Resistant Case:** Constructed with SKIN/semiSi-tech material, the case resists common stains and is easy to clean.
- **Dual-Device Connection for Multitasking:** Allows seamless switching between your iPad and another Bluetooth-enabled device (e.g., smartphone) using dual Bluetooth channels.
- **Precision Touchpad:** Integrated smart touchpad supports multi-gesture controls for efficient navigation.
- **Convenient Top-Mounted Pencil Holder:** Positioned at the top for easy access and storage of your Apple Pencil. A rear opening facilitates easy retrieval.
- **Versatile Detachable Design:** The keyboard can be magnetically attached or detached, offering flexibility. Adjustable viewing angles (110°, 120°, 130°) provide ergonomic screen positioning.

## SETUP

### 1. Charging the Keyboard

Before initial use, ensure the keyboard is fully charged. Connect the provided USB cable to the keyboard's Type-C charging port and a power source.

Image: A close-up of the keyboard's side, showing the Type-C charging port with a charging cable connected.

## 2. Pairing the Keyboard via Bluetooth

1. Turn on the keyboard using the power switch located on the side.
2. Press the **Fn + C** keys simultaneously to enter Bluetooth pairing mode. The Bluetooth indicator light will flash.
3. On your iPad, go to **Settings > Bluetooth** and turn Bluetooth on.
4. Select "GreenLaw Keyboard" (or similar name) from the list of available devices.
5. Once connected, the Bluetooth indicator light on the keyboard will stop flashing.

For dual-device connection, repeat steps 2-4 for the second device, using **Fn + 1** for the first device and **Fn + 2** for the second device to switch between them.

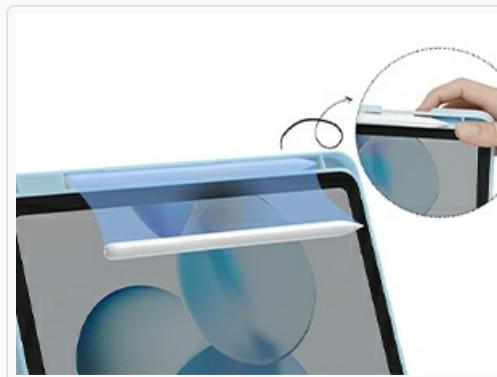

Image: A close-up of the keyboard keys, highlighting the 'W' and 'Q' keys which may correspond to BT1 and BT2 for dual-device pairing.

## 3. Attaching and Detaching the iPad and Keyboard

The keyboard case features magnetic attachments for easy assembly and disassembly. Simply align the iPad with the case and the keyboard with its magnetic strip to secure them.

## OPERATING INSTRUCTIONS

### 1. Using the Backlit Keyboard

To control the keyboard backlight:

- Press the **Light Bulb** key to turn the backlight on/off and cycle through 7 different colors.
- Press the **Sun** key (often combined with Fn) to adjust the brightness level (3 levels available).

# 7-Color Backlight

Pure light with  
multiple brightness adjustments

Image: The keyboard case with the backlight illuminated, showcasing the 7-color options and brightness adjustments.

## 2. Utilizing the Precision Touchpad

The integrated touchpad supports multi-gesture controls for enhanced navigation. Refer to your iPad's settings for specific gesture configurations.

# Smart Touchpad

Multi-touch control,  
easy gesture recognition

Image: A hand demonstrating multi-touch gestures on the keyboard's touchpad, illustrating its precision control.

### 3. Switching Between Dual Devices

If you have paired two devices, use the dedicated function keys to switch between them:

- Press **Fn + 1** to connect to the first paired device.
- Press **Fn + 2** to connect to the second paired device.

# Connect Two Devices At Once

Easily switch between devices

## 4. Adjusting Viewing Angles

The case allows for adjustable viewing angles at 110°, 120°, and 130° to suit your preference for typing or media consumption.

Image: A sequence showing the iPad case being adjusted to different viewing angles.

## 5. Using the Pencil Holder

The top-mounted pencil holder provides convenient storage for your Apple Pencil. The rear opening allows for easy retrieval.

*Note: The iPad 2025 11th Generation (A16) / 2022 10th Generation does not support Apple Pencil magnetic charging through the case.*

## MAINTENANCE

### Cleaning the Stain-Resistant Case

The SKIN/semiSi-tech material of the case is designed to resist stains. For spills like soy sauce, ink, or coffee, simply wipe the surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners.

# SKIN/semiSi-tech

Dirt-resistant, stays smooth and clean

Image: Demonstrates the stain-resistant property of the case, showing a spill being easily wiped away from the blue surface.

## General Care

- Keep the keyboard and case away from extreme temperatures and direct sunlight.
- Avoid placing heavy objects on the keyboard to prevent damage.
- When not in use for extended periods, turn off the keyboard to conserve battery life.

## TROUBLESHOOTING

Problem	Possible Solution
Keyboard not connecting via Bluetooth.	<ul style="list-style-type: none"> <li>• Ensure the keyboard is charged and powered on.</li> <li>• Make sure Bluetooth is enabled on your iPad.</li> <li>• Re-enter pairing mode (<b>Fn + C</b>) and re-pair the device.</li> <li>• Forget the device on your iPad's Bluetooth settings and try pairing again.</li> </ul>
