

FelixKing 918H-C

FelixKing Ergonomic Office Chair 918H-C User Manual

Your guide to assembly, operation, and maintenance.

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Maximum Weight Capacity:** Do not exceed the maximum weight capacity of 300 pounds (136 kilograms).
- **Assembly:** Ensure the chair is properly assembled according to the instructions to avoid injury.
- **Stability:** Always sit properly in the chair with both feet on the floor to maintain stability.
- **Children:** Keep children away from the chair during assembly. Small parts may pose a choking hazard.

2. SETUP AND ASSEMBLY

Assembly typically takes about 15 minutes with the included tools. Follow the steps below and refer to the installation video for visual guidance.

Your browser does not support the video tag.

Video 2.1: Step-by-step installation guide for the FelixKing Ergonomic Desk Chair 918-H. This video demonstrates how to assemble all components of the chair.

Assembly Steps:

1. **Attach Casters to Foot Stool:** Insert the 5 casters (wheels) firmly into the holes of the foot stool (chair base). Ensure they are fully inserted to prevent the chair from falling.
2. **Insert Air Rod:** Place the air rod (gas lift cylinder) into the center hole of the foot stool.
3. **Attach Armrests to Backrest:** Using the provided M6x30mm screws and Hexagon Wrench, securely fix both armrests to the backrest. Cover the screws with the decoration caps.
4. **Attach Base Plate to Seat Cushion:** Fix the base plate to the bottom of the seat cushion using the M6x18mm

screws and Hexagon Wrench. Ensure the 'FRONT' letter on the base plate faces the front of the seat cushion.

5. **Connect Seat to Base:** Insert the air rod into the hole in the middle of the base plate. Press the seat cushion firmly onto the air rod using your body weight.
6. **Attach Headrest:** Align the headrest with the screw holes on the top of the backrest. Tighten the two M6x20mm screws firmly and then cover them with decoration caps.

3. OPERATING INSTRUCTIONS

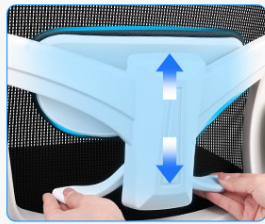

The FelixKing Ergonomic Office Chair offers multiple adjustments to customize your seating experience for optimal comfort and support.

Your browser does not support the video tag.

3.1. Seat Height Adjustment

To adjust the seat height (up to 3.9 inches / 10 cm), pull the lever located under the right side of the seat upwards. While holding the lever, raise or lower your body to the desired height. Release the lever to lock the height.

**Adjustable lumbar support design,
perfect for different body heights**

Moves Up and
Down by 5cm/2"

Elastic Adaptive
Lumbar Support

Figure 3.2: Seat height adjustment mechanism and adjustable lumbar support.

3.2. Lumbar Support Adjustment

The chair features an adjustable lumbar support that moves up and down by 2 inches (5 cm) to fit the natural curve of your spine. Gently push or pull the lumbar support to position it at your preferred height for optimal back comfort.

ERGONOMIC DESIGN

Fit your body, provides the most effective ergonomic support

3.3. Recline Function

The backrest can recline between 90° and 120°. To recline, pull the lever on the left side of the seat outwards and lean back. To lock the chair in an upright 90° position, push the lever inwards.

Figure 3.4: Recline function with 90-120 degree tilt range.

3.4. Headrest Adjustment

The headrest is 3D adjustable, allowing for height and angle adjustments. It can rotate 35° and 45°, and move up and down by 4.72 inches (12 cm) to provide optimal neck support for various user heights.

NEW UPGRADE 3D HEADREST

Provides optimal support for the head and neck

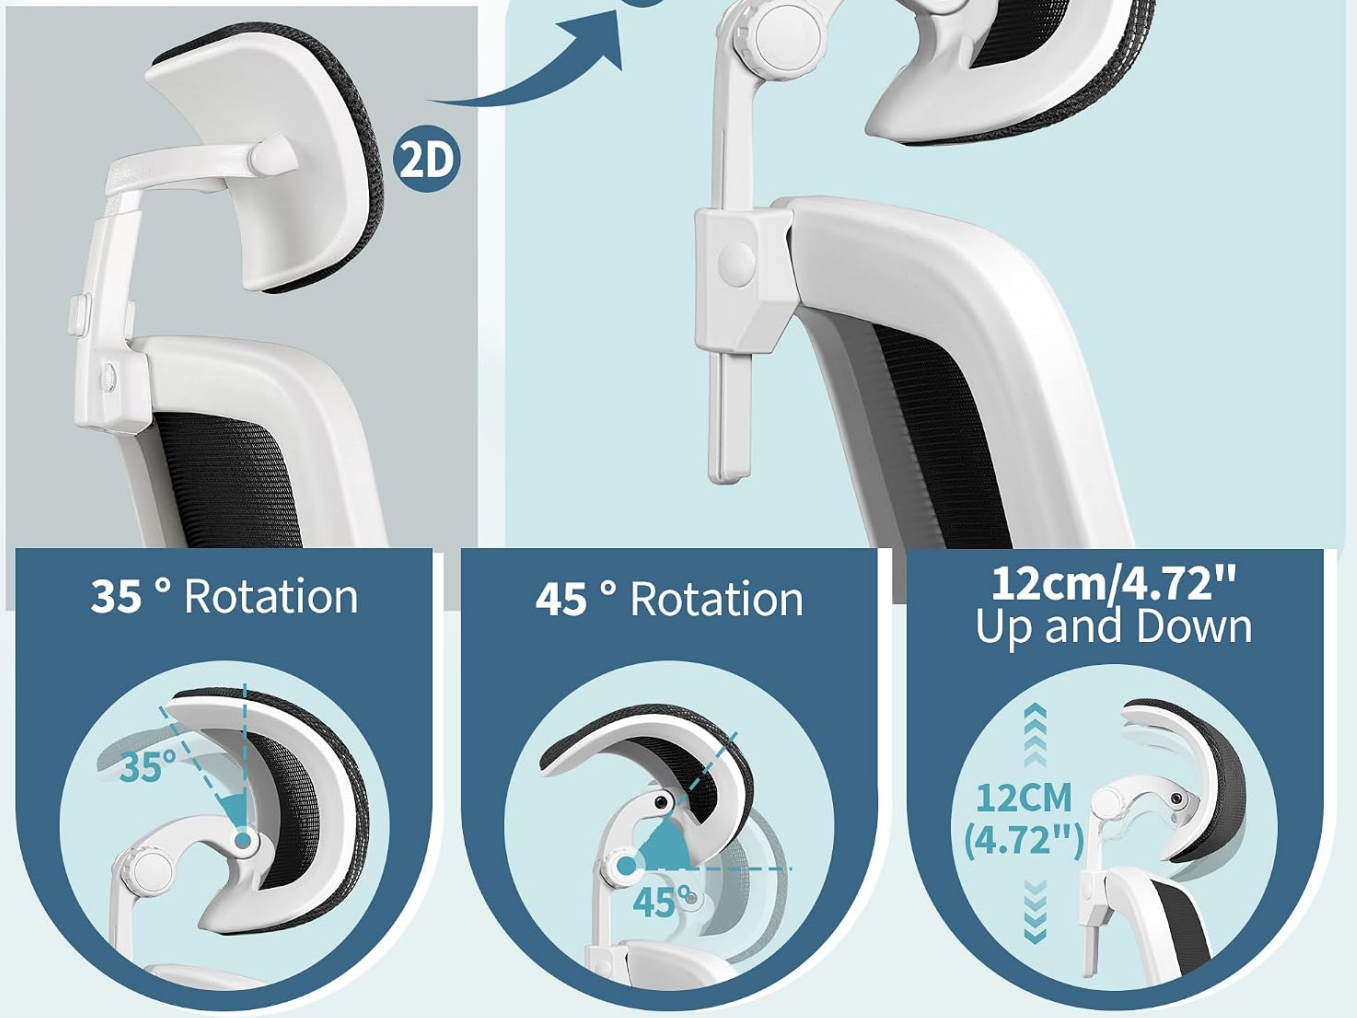

Figure 3.5: Detailed view of the 3D adjustable headrest.

3.5. Flip-up Armrests

The armrests can be flipped up by 90° to allow the chair to be pushed closer to your desk or for easier storage. Simply lift the armrests upwards until they lock into the vertical position.

WHY IT HOLDS 300 LBS?

-  Three-stage gas lift for stable, smooth height adjustment.
-  High-strength frame & seat for solid, lasting support.
-  Five-star base & silent casters for even weight distribution.
-  Secure connections & premium screws for full stability.
-  Four-layer protection ensures comfort and confidence.

Figure 3.6: Flip-up armrests for space-saving and versatility.

3.6. Swivel and Rolling

The chair features a 360° swivel base and silent PU casters for smooth, effortless movement across various floor types without causing damage.

MULTI-FUNCTIONAL ADJUSTABLE

4. MAINTENANCE

To ensure the longevity and appearance of your FelixKing Office Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the mesh or frame.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Casters:** Keep casters free of hair and debris to ensure smooth rolling.

5. TROUBLESHOOTING

If you encounter any issues with your FelixKing Office Chair, consider the following common solutions:

- **Chair Wobbles:** Ensure all assembly screws are securely tightened. Check that the air rod is firmly inserted into the base plate.
- **Height Adjustment Not Working:** Verify that the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Casters Not Rolling Smoothly:** Check for any debris (hair, lint, etc.) caught in the casters and clean them thoroughly.
- **Backrest Recline Issues:** Ensure the recline tension knob (if present) is not overtightened, and the recline lever is functioning correctly.

For persistent issues, please contact customer support.

6. SPECIFICATIONS

Feature	Detail
Brand	FelixKing
Model Number	918H-C
Color	White
Material	Polypropylene, Mesh, Foam
Product Dimensions (D x W x H)	10.63"D x 19.69"W x 20.87"H
