5. Maintenance

Proper care will extend the life of your HUNTER Milford Dog Raincoat.

- **Light Cleaning:** For minor dirt, simply wipe the raincoat with a soft, damp cloth.
- **Machine Wash:** The raincoat is machine washable at 30°C (86°F). Use a gentle cycle and mild detergent.
- **Drying:** Air dry the raincoat. Do not tumble dry, iron, or bleach.

6. Troubleshooting

6.1. Raincoat Appears Too Loose or Too Tight

If the raincoat does not fit correctly, adjust the wide Velcro strap around the belly. Ensure the elastic collar drawstring is also adjusted for a snug but comfortable fit. The elastic leg loops should hold the rear of the coat in place without causing discomfort.

6.2. Restricted Movement

Check all adjustment points (collar, belly strap, leg loops) to ensure they are not too tight. The raincoat is designed for freedom of movement, so if your dog seems restricted, loosen the adjustments slightly.
