Revell 06787 Star Wars: The Mandalorian N1 Starfighter Model Kit Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, care, and maintenance of your Revell 06787 Star Wars: The Mandalorian N1 Starfighter 1:24 Scale Plastic Model Kit. Please read all instructions carefully before beginning assembly.

Package Contents

- One plastic model kit for the N1 Starfighter
- One seated 'Mando' figurine

The kit features a highly detailed N1 Starfighter model, which measures over 45cm in length when assembled, as depicted in Star Wars: The Mandalorian. It is a 1:24 scale unbuilt and unpainted kit, consisting of 90 pieces.

SAFETY INFORMATION

WARNING! Not suitable for young children. This product contains small parts which may pose a choking hazard.

This model kit is recommended for ages 14 years and up. Adult supervision is advised for younger builders within the recommended age range. Always use tools and adhesives in a well-ventilated area.

ASSEMBLY INSTRUCTIONS

Before starting assembly, carefully review all included diagrams and instructions. Ensure you have a clean, well-lit workspace. Necessary tools typically include plastic cement, a hobby knife or sprue cutters, and paints (acrylic paint is recommended for this plastic model kit).

Preparation

- Identify all parts on the sprues.
- Carefully remove parts from the sprues using a hobby knife or sprue cutters.
- Clean any excess plastic (flash) from the parts.
- Test fit parts before applying adhesive.

Painting and Finishing

Once the model is fully assembled, you may proceed with painting according to your preference or the suggested color scheme in the kit. Acrylic paints are suitable for this plastic material. Apply decals as instructed for final detailing.

DISPLAY AND CARE

After completing your N1 Starfighter model, choose a stable and secure location for display. Avoid areas with direct sunlight, high humidity, or extreme temperature fluctuations, as these can damage the model over time.

MAINTENANCE

Cleaning

To clean your model, gently dust it with a soft brush or a lint-free cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the paint or plastic.

Storage

If storing the model, ensure it is placed in a protective container to prevent dust accumulation and accidental damage. Store in a cool, dry environment.

TROUBLESHOOTING

- Parts not fitting:** Ensure you are using the correct parts for each step. Some parts may require light sanding or trimming for a perfect fit.
- Missing parts:** If you discover any missing components, please refer to the 'Warranty and Support' section to contact the manufacturer for assistance.

- **Adhesive issues:** Ensure you are using appropriate plastic cement and applying it sparingly. Allow adequate drying time.
