## VASAGLE ULTV105B22

# VASAGLE ULTV105B22 TV Stand Instruction Manual

Industrial Entertainment Center for TVs up to 65 Inches

## 1. INTRODUCTION

Thank you for choosing the VASAGLE ULTV105B22 TV Stand. This industrial-style entertainment center is designed to provide a stable and stylish platform for your television and media devices. With its robust construction and thoughtful design, it offers ample storage and enhances the aesthetic of your living space. Please read this manual carefully before assembly and use to ensure safe and correct operation.

## 2. SAFETY INFORMATION

To prevent injury and damage to the product, please observe the following safety guidelines:

- **Do not overload:** The TV stand is designed to hold TVs up to 50 lb (22.7 kg) and the tabletop has a maximum static load of 176 lb (80 kg). Each shelf has a maximum static load of 22 lb (10 kg). Exceeding these limits may cause the stand to collapse.
- **Proper Assembly:** Ensure all parts are correctly assembled and tightened according to the instructions. Loose connections can lead to instability.
- **Stable Placement:** Place the TV stand on a flat, level, and stable surface to prevent tipping. Use the adjustable feet to ensure balance on uneven floors.
- **Children Safety:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb or play on the TV stand.
- **Careful Handling:** Handle all components with care to avoid scratches or damage.
- **Ventilation:** The open design provides good ventilation for electronic devices. Ensure adequate airflow around all components.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x TV Stand Frame (Steel components)
- 3 x Particleboard Shelves (Top panel and two middle shelves)
- 1 x Wire Mesh Bottom Shelf

- 1 x Accessory Bag (Includes screws, washers, Allen wrench, adjustable feet)
- 1 x Instruction Manual

## 4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Detailed, step-by-step instructions with illustrations are included in the package.

Please follow them carefully. A power drill with an appropriate adapter may expedite the process, but an Allen wrench is provided.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Attach the steel frame components using the provided screws and Allen wrench. Ensure all connections are secure but do not fully tighten until all major components are in place.
3. **Install Shelves:** Place the particleboard shelves into their designated positions. The middle shelves are adjustable to three different heights.
4. **Install Bottom Wire Mesh:** Secure the wire mesh shelf at the bottom of the frame.
5. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws.
6. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the stand's legs.

## 5. OPERATING INSTRUCTIONS

---

The VASAGLE ULTV105B22 TV Stand is designed for straightforward use. Once assembled and placed in your desired location:

- **TV Placement:** Carefully place your television on the top surface. Ensure the TV's base is fully supported and does not exceed the stand's dimensions or weight capacity.
- **Organize Media Devices:** Utilize the open shelves to store gaming consoles, soundbars, media players, and other electronic devices. The open design facilitates easy access and promotes air circulation to prevent overheating.
- **Cable Management:** Arrange cables neatly behind the stand to maintain a clean appearance and prevent tripping hazards.
- **Adjust Shelves:** If needed, adjust the height of the middle shelves to accommodate taller items or remove them entirely for larger equipment.

## 6. MAINTENANCE

To keep your VASAGLE TV Stand in optimal condition, follow these simple maintenance steps:

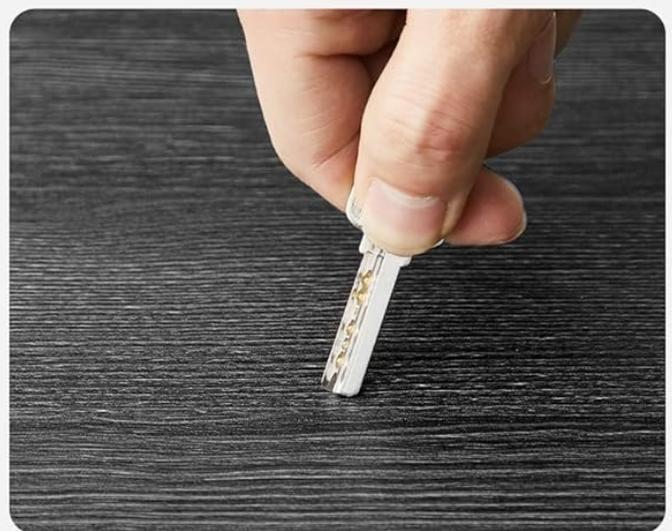

- **Cleaning:** Wipe the surfaces with a damp cloth for general cleaning. For a dry finish, follow with a dry cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

- **Spill Management:** Promptly clean any spills to prevent staining or damage to the particleboard.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration of the wood-grain finish.

## Premium Particleboard Panels

Easy to Clean

Scratch-Resistant

## 7. TROUBLESHOOTING

---

If you encounter any issues with your TV stand, refer to the following common problems and solutions:

- **Stand is Wobbly:**

- Ensure all screws are fully tightened.
- Adjust the leveling feet on the bottom of the legs to stabilize the stand on uneven floors.

- **Parts Don't Align During Assembly:**

- Loosen all screws slightly, realign the parts, then retighten.
- Double-check the instruction manual to ensure components are oriented correctly.

- **Missing Parts:**

- Review the "Package Contents" section. If parts are genuinely missing, contact customer support with your product model number and purchase details.
