SUPERJARE 7933HC

SUPERJARE L-Shaped Gaming Desk Instruction Manual

Model: 7933HC

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your SUPERJARE L-Shaped Gaming Desk. Designed for versatility and functionality, this desk features integrated LED lighting, power outlets, and a monitor stand, making it suitable for gaming, home office, and study environments. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Assembly instructions include safety warnings for proper assembly to ensure stability and prevent tipping.
- Product should be used on a flat, even surface.
- Do not exceed recommended weight limit of **300 Pounds**.
- Be cautious when using electrical features; do not touch plugs or outlets with wet hands.
- Always unplug desk when not in use.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Desktop Panels (P2 Particle Board)
- Metal Frame Components (Powder-coated Alloy Steel)
- Monitor Stand
- Built-in Power Strip with 4 AC Outlets, 2 USB Ports, and 1 Type-C Port
- LED Light Strip with Remote Control
- CPU Stand (Mesh)
- Headphone Hooks (2)
- Adjustable Feet
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (if included)
- Instruction Manual

SETUP

Assembly of the SUPERJARE L-Shaped Gaming Desk is designed to be straightforward. All components are numbered, and necessary tools are provided. Please follow the included detailed instructions carefully.

Installation Options:

This desk offers two primary installation configurations:

1. **L-Shaped Configuration:** Ideal for corner spaces, providing ample surface area for multiple monitors and peripherals.
2. **Straight Configuration:** Suitable for linear wall placement, offering a long, continuous workspace.

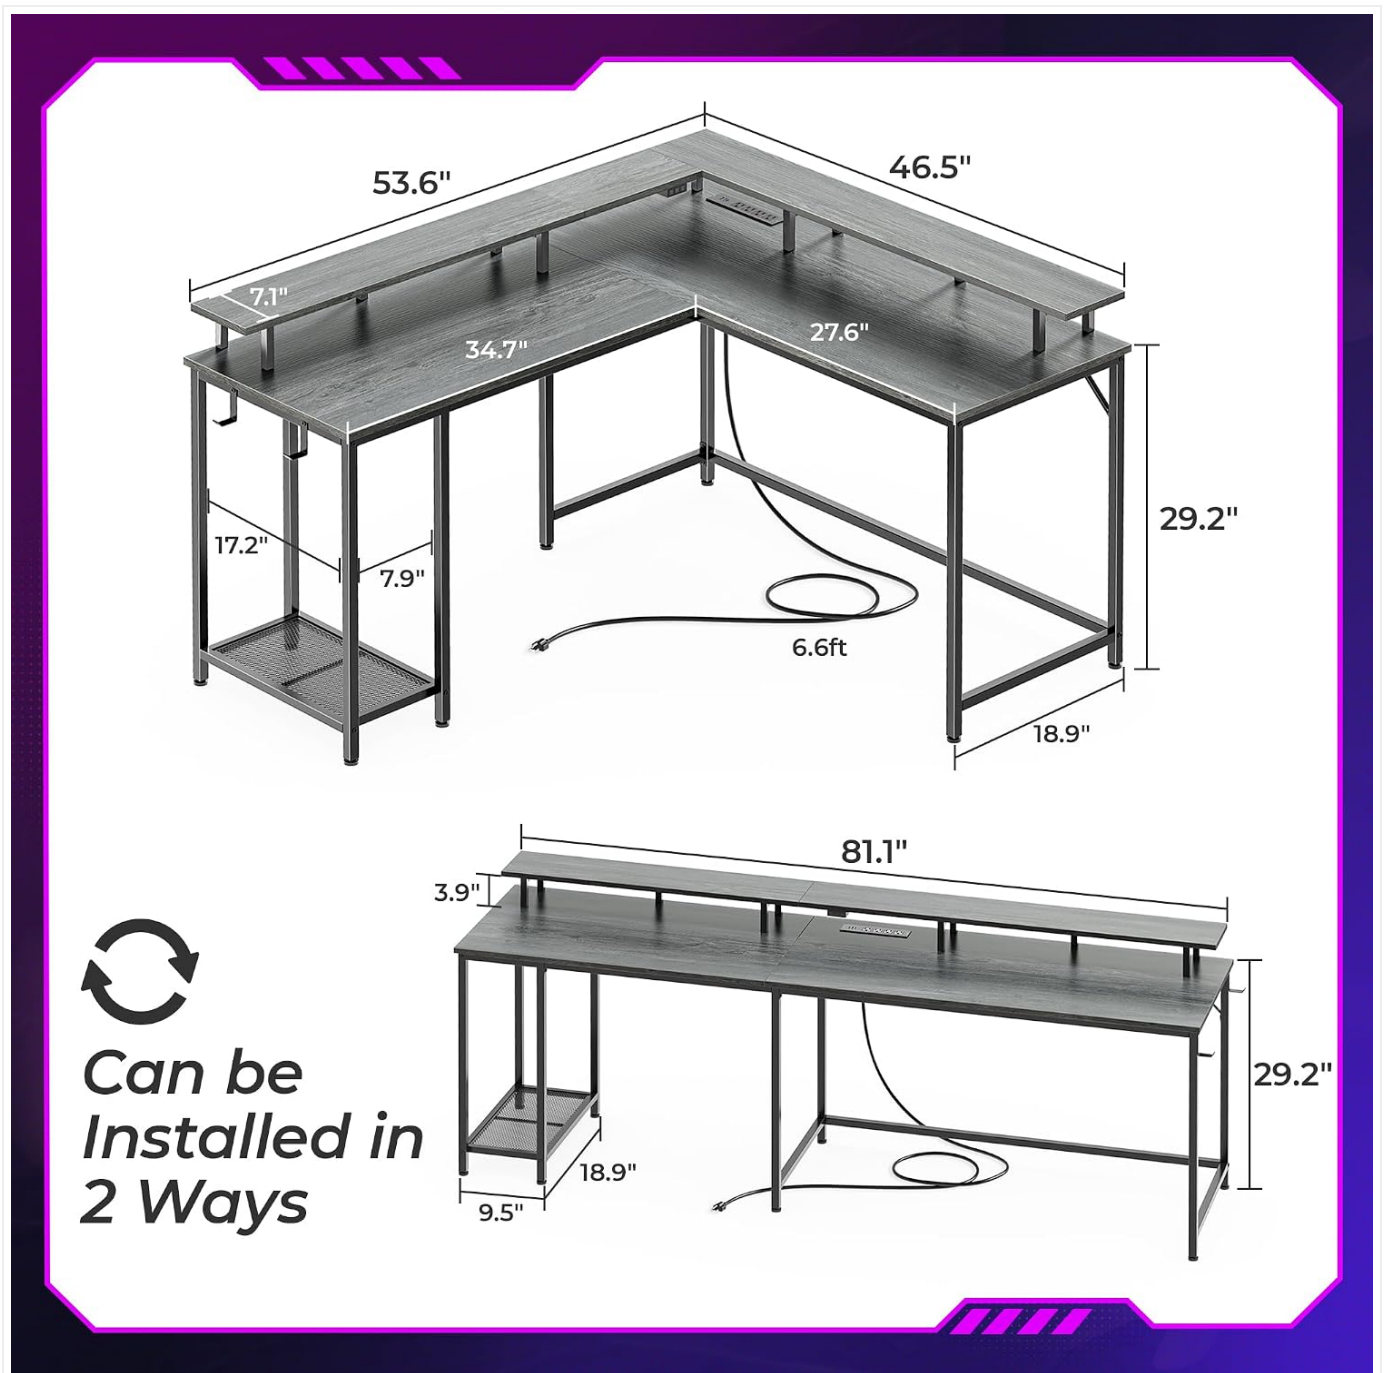

Figure 2: Two possible installation methods for the desk.

Choose the configuration that best suits your space and needs before beginning assembly. Ensure all connections are secure and the desk is stable before placing any items on it.

OPERATING INSTRUCTIONS

LED Lighting System:

The integrated LED lighting system enhances your workspace ambiance. It features:

- **20 Static Colors:** Select your preferred solid color.
- **22 Dynamic Modes:** Enjoy various lighting effects.
- **10 Speed Grades:** Adjust the speed of dynamic modes.
- **5 Brightness Grades:** Control the intensity of the lights.
- **Control:** The LED lights can be controlled via a remote or a dedicated app, offering features like 60,000 colors, Mic Mode, Music Mode, and Timing Mode.

Figure 3: Features of the RGB LED Light Strip.

Built-in Power Outlets:

The desk includes a convenient built-in power strip to easily charge and power your devices:

- **4 AC Outlets:** [125V/12A] for standard electronics.
- **2 USB Ports:** [5V/3A] for charging USB-powered devices.
- **1 Type-C Port:** [5V/3A] for modern USB-C devices.

Monitor Stand:

The elevated monitor stand helps to raise your eye line, promoting better posture and reducing neck and back strain during prolonged use.

Figure 5: Elevated monitor stand for ergonomic viewing.

Additional Features:

- **CPU Stand:** A dedicated mesh stand is provided for placing your PC tower, keeping it off the floor and improving airflow.
- **Headphone Hooks:** Two hooks are included for convenient storage of headphones or bags, keeping your desk clutter-free.
- **Adjustable Feet:** The desk features adjustable feet to ensure stability on uneven surfaces.
- **Durable Construction:** Made from P2 Particle Board and a heavy-duty powder-coated steel frame for long-lasting use.

MAINTENANCE

To ensure the longevity and appearance of your SUPERJARE desk, follow these maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the particle board.
- **Stability Check:** Periodically check and tighten all screws and connections to maintain desk stability.
- **Electrical Components:** Keep the power outlets and LED strip dry and free from dust. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

This section addresses common issues you might encounter with your desk.

Problem	Possible Cause	Solution
Desk is wobbly.	Uneven floor; loose connections.	Adjust the leveling feet at the bottom of the desk legs. Tighten all assembly screws.
LED lights not working or changing randomly.	Loose connection; remote battery low; interference.	Check all LED strip connections. Replace remote battery. Ensure no strong signals are interfering with the remote. Unplug and replug the LED power.
Power outlets not functioning.	Power strip not plugged in; circuit breaker tripped.	Ensure the power strip's main plug is securely connected to a wall outlet. Check your household circuit breaker.
