Follow the instructions carefully, ensuring all screws are tightened securely after all pieces are aligned.

2. OPERATING INSTRUCTIONS

2.1 LED Lighted Mirror

The vanity desk features an extra-large LED lighted mirror with adjustable settings:

- **Light Modes:** Three modes are available: warm, natural, and cold light. Tap the touch switch on the mirror to cycle through these modes.

- **Brightness Adjustment:** To adjust the brightness, long-press the touch switch. The light will dim or brighten gradually. Release when the desired brightness is reached.

2.2 Integrated Power Outlet

A convenient charging station is built into the side of the vanity desk:

- **Outlets:** Includes two standard 120V/12A AC plug sockets.
- **USB Ports:** Features two 5V/2A USB ports for charging mobile devices.
- **Power Cord:** The unit is powered by a 4.9-foot power cord that plugs into a wall outlet.

2.3 Storage Features

The vanity desk offers extensive storage solutions to keep your items organized:

- **Drawers:** Two spacious drawers are provided for makeup, brushes, and other accessories.
- **Side Shelves:** Three open shelves are integrated next to the mirror for displaying or storing frequently used items.
- **Mirror Base Compartments:** Multiple small compartments are located at the base of the mirror, ideal for face masks, small cosmetics, or jewelry.
- **Side Cabinet:** A cabinet with an adjustable shelf provides concealed storage for taller bottles or larger items.
- **Foldable Side Table:** An expandable and foldable countertop on the side offers additional workspace when needed and can be folded down to save space.
- **Storage Stool:** The included cushioned stool features hidden storage space beneath its seat, perfect for hair tools or other personal items.

3. MAINTENANCE

To maintain the appearance and longevity of your vanity desk, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the engineered wood.
- **Mirror Care:** Clean the LED mirror with a soft, lint-free cloth and a non-abrasive glass cleaner.

4. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common solutions:

- **LED Lights Not Working:**
 - Ensure the power cord is securely plugged into a functional wall outlet.
 - Check if the power adapter is correctly connected to the vanity desk.
 - Verify that the touch switch on the mirror is being pressed correctly (a short tap for mode change, a long press for dimming).
- **Assembly Difficulties:**
 - Review the assembly video and instructions carefully, paying close attention to each step.
 - Ensure all hardware components are correctly identified and used in their designated places.
 - Do not overtighten screws until all pieces are properly aligned.
- **Drawers or Cabinet Doors Not Aligning:**
 - Check that all cam locks and dowels are fully inserted and tightened.
 - Ensure the drawer slides or cabinet hinges are installed correctly and are not bent or obstructed.
