Azwok AR-RCD1C Replacement Remote Control for Fujitsu Air Conditioners

Instruction Manual

1. Introduction

This manual provides instructions for the Azwok AR-RCD1C replacement remote control, designed for use with various Fujitsu air conditioner models. This remote control offers the primary functions of the original unit without requiring any programming.

2. Setup: Battery Installation

The remote control requires two AAA batteries (not included) for operation. Follow these steps to install the batteries:

1. Locate the battery compartment cover on the back of the remote control.
2. Slide the cover downwards to open the compartment.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery compartment cover back into place until it clicks securely.
