QMAN 42102

QMAN King of Speed Building Toy Model 42102 Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the QMAN King of Speed Building Toy, Model 42102. This versatile construction set allows you to build and transform various models, fostering creativity and team-building skills. Please read all instructions carefully before assembly and use to ensure proper enjoyment and safety.

SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all users.
- Keep all packaging materials away from children to prevent suffocation.
- Do not put any parts in the mouth.
- Inspect all parts regularly for damage. Discontinue use if any part is broken or damaged.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- QMAN King of Speed Building Blocks (1 set)
- Instruction Manual (this document)

SETUP AND ASSEMBLY

The QMAN King of Speed Building Toy allows for the construction of multiple models, including a race car and a robot. Follow the step-by-step diagrams provided in the included instruction manual for detailed assembly guidance. No additional tools are required for assembly.

Building the Race Car Model

Refer to the specific sections in the included manual for constructing the race car. Ensure all connections are secure for stability.

Building the Robot Model

Consult the dedicated sections in the included manual for instructions on transforming the building blocks into the robot model. Pay attention to joint articulation for dynamic posing.

OPERATING INSTRUCTIONS

Once assembled, the QMAN King of Speed building toy is ready for imaginative play. The models are designed for display and gentle interaction. Avoid excessive force or dropping the assembled models to prevent parts from detaching or breaking.

- Engage in creative storytelling and role-playing with the assembled models.
- The toy is designed to promote team-building skills through collaborative assembly and play.
- To transform between models, carefully disassemble the current model and follow the instructions for the desired new form.

MAINTENANCE

Proper care will extend the life of your QMAN King of Speed building toy:

- **Cleaning:** Wipe the plastic parts with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks and assembled models in a cool, dry place away from direct sunlight and extreme temperatures. The lightweight and easy-to-store design allows for convenient organization.
- **Inspection:** Periodically check all parts for wear and tear. Replace any broken or severely worn pieces if possible.

TROUBLESHOOTING

If you encounter issues during assembly or play, consider the following:

- **Difficulty Connecting Parts:** Ensure parts are correctly oriented and aligned. Apply gentle, even pressure. Do not force connections.
- **Missing Pieces:** Double-check the packaging and assembly area. If a piece is genuinely missing, refer to the support section.
- **Model Instability:** Review the assembly steps to ensure all connections are firm and correct. Loose connections can lead to instability.

SPECIFICATIONS

Feature	Detail
Brand	QMAN
Model Number	42102
Material	Plastic
Color	White
Item Dimensions (L×W×H)	17.6 x 8 x 5.2 cm
