Gizoon CC50

Gizoon Outdoor Potting Bench with Metal Tabletop, Model CC50

Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Gizoon Outdoor Potting Bench with Metal Tabletop, Model CC50. Please read all instructions carefully before assembly and use to ensure safe and proper functionality of the product.

The Gizoon Potting Bench is designed for outdoor use, offering a versatile workspace and storage solution for gardening activities, or as an outdoor serving or barbecue table. It features a durable metal tabletop and a wooden cabinet with magnetic doors.

SAFETY INFORMATION

- **Intended Use:** This product is designed for outdoor use as a potting bench or storage cabinet. Any other use may void the warranty and pose safety risks.
- **Assembly:** Assemble the product on a spacious, flat surface. Do not place the unpackaged product directly on the ground or stand/sit on parts during assembly to prevent damage.
- **Personal Protective Equipment:** It is recommended to wear gloves during installation to avoid cuts from product edges.
- **Tools:** An electric screwdriver can be used for efficiency, but is not included. Ensure all screws are aligned correctly before tightening.
- **Chemicals:** Do not allow sharp objects or corrosive chemicals to come into contact with the product surface, as this may cause damage.
- **Children:** This product is not intended for use by children under 3 years old. Keep small parts out of reach of children during assembly. Children must be under adult supervision to use the product.
- **Stability:** Place this product on flat ground. It is strictly prohibited to sit or stand on the product. It is forbidden for children to climb or play on the product to avoid serious bodily injury caused by tipping.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included manual for a complete list of numbered parts.

Ships in 1 box — all parts included

Recommended: 2-3 people
But time varies by experience

Assembly Requirements: Requires a screwdriver (included)

For Efficiency: Electric screwdriver can be used (not included)

Tip: Adequate workspace recommended, please take inventory of all components before you starting!
Wear gloves to prevent injury

Contact us for any assembly questions

SETUP AND ASSEMBLY

Assembly is required for this potting bench. The package includes a manual with step-by-step instructions, text, and pictures. Each part is numbered for easy identification.

- Preparation:** Clear a spacious area for assembly. Lay out all numbered parts and hardware. It is recommended to have 2-3 people for assembly, though time varies by experience.
- Initial Fastening:** Align all screws to their corresponding pre-drilled holes.
- Tightening:** Tighten screws one by one after all parts are in the correct position. Do not overtighten to avoid stripping the wood.
- Door Installation:** Ensure magnetic door latches are properly aligned for a secure fit.

OPERATING INSTRUCTIONS

The Gizoon Potting Bench offers versatile functionality for various outdoor tasks.

Gardening Use

- **Work Surface:** Utilize the spacious metal tabletop (37.4 inches long by 18.5 inches wide) for potting plants, mixing soil, or other gardening tasks. The metal surface is easy to clean.
- **Storage:** The cabinet provides ample storage (35.5 inches long, 15.7 inches wide, and 26.2 inches high) for gardening tools, pots, soil bags, and other supplies. The internal shelves are removable to accommodate larger items.

Alternative Uses

- **Outdoor Serving/BBQ Table:** The durable metal tabletop can also serve as a surface for outdoor cooking or as a serving station for gatherings.
- **General Outdoor Storage:** The cabinet can store various outdoor items, such as cleaning supplies, small appliances, or other patio essentials.

MAINTENANCE

- **Cleaning:** Clean the potting bench with a damp cloth for daily maintenance. Dry immediately to prevent moisture damage to the wood.
- **Wood Protection:** The bench is made from fir wood with a fine paint finish for outdoor use. For extended durability and protection against harsh weather, consider applying an additional weatherproofing sealant periodically.
- **Metal Tabletop:** The metal tabletop is designed to withstand weather conditions and is easy to clean. Wipe spills promptly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Magnetic doors do not close securely.	Misalignment during assembly; weak magnetic connection.	Check door alignment and adjust hinges if necessary. Ensure magnetic latches are properly installed and positioned. Contact support if magnets are defective.
Screws do not tighten properly or strip holes.	Overtightening; soft wood material; missing pilot holes.	Avoid overtightening. If a hole is stripped, use a slightly larger screw or wood filler. Ensure pilot holes are present; if not, pre-drill carefully.
Product appears unstable after assembly.	Uneven assembly; placement on uneven ground.	Verify all connections are tight. Ensure the bench is placed on a flat, level surface.
Missing or defective parts.	Manufacturing error or shipping damage.	Stop assembly immediately and contact Gizoon customer support for assistance.

SPECIFICATIONS

Feature	Detail
