cover features the same design elements but with "Interactive Notebook" prominently displayed below the main title. It also includes the blue alien character and "KG 1 Second Term."

## 2.2 Preparing the Learning Environment

Before beginning, ensure a quiet and comfortable learning space. Gather any necessary stationery such as pencils, crayons, or erasers that may be required for the activities within the material.

## 3. OPERATING GUIDELINES

---

### 3.1 Understanding the Curriculum Structure

The My Friend Journey Connect KG1 Second Term material is structured into various units and lessons, each building upon previous concepts. It is recommended to follow the sequence presented in the book to ensure a logical progression of learning.

### 3.2 Engaging with Interactive Activities

Many sections include interactive exercises designed to reinforce learning. Encourage the student to actively participate in drawing, coloring, matching, and other hands-on activities as instructed. Provide guidance as needed, but allow for independent exploration.

### 3.3 Parental/Educator Guidance

This material is often accompanied by a Parent's Guide (as seen in Figure 2.1). Refer to this guide for detailed lesson plans, learning objectives, and suggestions for extending activities. Your active involvement is crucial for maximizing the educational benefits.

## 4. MAINTENANCE AND CARE

---

To ensure the longevity and usability of your My Friend Journey Connect KG1 Second Term material, please follow these care instructions:

- **Storage:** Store the book in a dry place, away from direct sunlight and excessive humidity, to prevent damage to pages and binding.
- **Handling:** Handle the book with clean hands. Avoid folding pages or bending the spine excessively.
- **Cleaning:** If the cover becomes dusty, gently wipe it with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Writing Utensils:** Encourage the use of appropriate writing and coloring tools that do not bleed through pages or cause damage.

## 5. TROUBLESHOOTING

---

While this educational material is designed for ease of use, you may encounter minor issues. Here are some common scenarios and suggested solutions:

- **Difficulty Understanding a Concept:**  
*Solution:* Revisit previous lessons or refer to the Parent's Guide for alternative explanations and teaching strategies. Break down complex ideas into smaller, more manageable steps.
- **Lack of Engagement:**  
*Solution:* Make learning fun by incorporating games, real-world examples, or short breaks. Adjust the pace to suit the student's attention span. Ensure the learning environment is free from distractions.

- **Missing or Damaged Pages:**

*Solution:* If the material arrived with manufacturing defects such as missing or severely damaged pages, please contact the seller or publisher for a replacement.
